DATE: July 22, 2015

SUBJECT: Austin Water Unaudited Financial Status Report for the Period Ended June 30, 2015

Attached is Austin Water's Financial Status Report. The combined fund balance at the end of June was \$62.07 million or \$5.26 million more than projected, as detailed in the Executive Summary. The beginning balances were \$8.35 million more than projected, while the year-to-date requirements were \$0.47 million below allotments, revenues and transfers in were \$3.56 million below projections.

Recent significant rainfall has dramatically improved the lake levels in Travis and Buchanan. The lake system rose from 66% full in May to 71% full at the end of June. However, Austin Water continues to address drought conditions with mandatory stage II water restrictions and conservation measures. Water service revenues are below projections and wastewater services revenues are above projections this fiscal year through June. The Executive Summary includes more discussion of revenue highlights.

Actual spending for total operating program requirements was above budget allotments by a net total of \$0.69 million. Payments for debt service requirements were below allotments by \$0.90 million, and transfers were slightly below allotments, resulting in total requirements being below allotments by \$0.47 million. The extent of these variances by program is discussed in the Executive Summary and detail pages.

In addition to the Executive Summary and Fund Summary, this report provides detailed analysis of Revenues, Customer Demand Characteristics, Operating Requirements, Outstanding Debt and Debt Service Requirements, Other Requirements, CIP Expenditures, and Cash Balances.

This is slightly offset by transfers to the Environmental Remediation Fund having been made for the entire year rather than on the allotment schedule.

Transfers Out includes transfers for Administrative Support to the City, Capital Improvement Program, Communication and Technology Management Fund, CTECC Emergency Operations Center, General Fund, Liability Reserve Fund, Revenue Stability Reserve Fund, Wireless Communications Fund, Economic Development Fund, Reclaimed Utility Fund, Environmental Remediation Fund, and Workers' Compensation Fund.

Combined cash balances for Water, Wastewater, and Reclaimed for the month of June 2015 totaled \$111.05 million. The combined cash balance is made up of Operating, CIP, Capital Recovery Fee, and Revenue Stability Reserve Fund cash balances. The average daily cash balance for the fiscal year was \$105.65 million at the end of June.

Combined Operating Cash Balances totaled \$35.15 million. Combined CIP Cash Balances totaled \$49.26 million. CIP cash balances may be kept negative to offset high operating balances as a cash management strategy to limit the amount of cash in all funds to a range determined by economic conditions. This delays the need to issue additional commercial paper to fund CIP projects. The Revenue Stability Reserve Fund totaled \$16.02 million.

Capital Recovery Fee Cash Balances totaled \$10.62 million at the end of the month. In October, \$7.00 million, \$5.00 million from Water and \$2.00 million from Wastewater, was transferred from CRF funds to the Debt Service funds via the Operating funds. In February, \$2.30 million, \$1.30 from Water and \$1.00 from Wastewater, was similarly transferred. Prior to FY 2001-02, CRFs were used solely for debt defeasance, providing only short-term debt service savings. The Utility now transfers CRFs to the operating funds, from which transfers are made to debt service funds.

The Balcones Canyonlands Conservation Plan (BCCP) fund was transferred to AWU in 2002. The BCCP fund was established to abide by the Interlocal Agreement established between the City of Austin and Travis County. The BCCP Plan is the habitat conservation plan that established the Balcones Canyonlands Preserve system and determined how it would be funded and organized. Travis County works with developers and landowners who want to develop in endangered species habitat. The Participation Certificate fees are split and paid directly to COA and Travis County.

In June 2015, \$1,000 in fees were collected and interest in the amount of \$206 accrued. The overall ending balance fiscal year-to-date is \$222,777.
