MBE/WBE:	

This project is the relocation of existing water lines within Travis County to widen Elroy Road from FM 812 to approximately 1,300 feet north of FM 812. The City of Austin and Travis County have agreed to include the design and construction of these adjustments in the Travis County contract.

This project requires adjustments to 1 fire hydrant, 6 valve casings, 2 air release valves, 1 drain valve, 4 meters and boxes and, approximately 60 linear feet of service lines. The City agrees to pay all costs of engineering design, inspection and testing of the adjustments and, agrees to reimburse Travis County construction costs of the adjustments, including the cost of any change orders made necessary by field changes to address unanticipated conditions under the terms and conditions in this agreement. Travis County shall obtain the written approval from the City for all change order requests prior to Travis County issuing the approved change order to the contractor.

A 10% contingency in funding has been included to allow for the expeditious processing of any change orders. All dates are dependent upon County design and construction contract.

This project is located within zip code 78617, outside of Council Districts within the Extraterritorial Jurisdiction (ETJ) area, and is managed by Austin Water.
