Bylaw Amendment Process

August 2015

Bylaw Amendment Process

- The Office of the City Clerk is providing the following to boards and commissions:
 - Draft, red lined bylaw template.
 - Clean copy of bylaw template.
 - Bylaw amendment spreadsheet.

Universal Changes

- The template/spreadsheet provided to your staff liaisons included language amending:
 - Number of members on your board.
 - Terms of 4 years beginning March 1st of the year of appointment.
 - Adding "active military service" to excused absence language.
 - Six members constitutes a quorum.
 - Officer elections occurring in April and the term beginning May 1st and ending April 30th.
 - Four consecutive one year terms.

Universal Changes

- If the board bylaws have only universal changes:
 - A majority of the board must approve the agenda item.
 - The board liaisons will provide to the Office of the City Clerk (OCC).
 - The OCC will submit to the Council Audit & Finance Committee.

Approval of Universal Changes

- The Office of the City Clerk will submit the universal changes to the Council Audit & Finance Committee (CAF).
 - In the past, Council Audit & Finance had the authority to approve changes to bylaws.
 - The new Council Committee structure allows CAF to make a recommendation to Council.
 - Bylaws Amendments will now require a majority vote of the full Council.

Approval of Universal Changes

 Once approved by the full Council, the board or commission will approve (again) the universal changes made to their bylaws.

Additional Bylaw Amendments

- If your board approves an agenda item to amend your bylaws beyond the universal changes, we ask that you submit these amendments to the Clerk's Office through your liaison.
- You may upload as backup and email to OCC, however, we ask that you don't utilize a Council Committee Agenda Request or Board Recommendation template.

Additional Bylaw Amendments

- The OCC will collect all additional bylaw amendments and submit to the Council Audit & Finance Committee (CAF).
- As previously mentioned, the CAF Committee will make a recommendation to the full Council on each board's additional amendments.

Additional Bylaw Amendments

 After the Council Audit & Finance Committee makes recommendation to Council, the Clerk's Office will coordinate with the CAF liaison to add to Council agenda.

Two Step Process

- Why are we doing this as a two step process?
 - The universal changes reflect the Austin City Code.
 - Additional changes are not a part of the code and will require an ordinance to amend.
