

WaterWise Rainscape Rebate Program

Chris Charles

Conservation Program Specialist

WaterWise Rainscape Rebate Program

- Homeowners and schools may receive up to \$500 (\$0.30/sq. foot -- 100 sq. foot min.) for installing landscape features such as rain gardens, berms, swales, terraces, porous pavement, and infiltration trenches that direct and retain rainwater on the property

Eligibility

- Austin water residential/school customer or qualifying water provider
- Completion of application and materials
- Size of conversion area (100sqft min)
- Have not started work on the conversion (must be accepted into the program first)

Before you start work
