Additional Backup Information

As part of the work of the Joint Subcommittee of the City of Austin, Austin Independent School District, and Travis County, the Judicial Support Task Force was created to make recommendations concerning juveniles currently within the judicial system. One of the recommendations was to implement a two year pilot program within the Reagan Vertical Team. This program is to enhance the pre-court efforts of the Neighborhood Conference Committee, as well as allow for the filing of all Class C misdemeanor and Failure to Appear cases within Municipal Court. The program was initiated January 2013.

Through this interlocal, the City provides funding to the County to employ a full time juvenile case manager or managers to support the Reagan Vertical Team. The funds for this come from the City's Juvenile Case Manager Fund.
