Additional Backup Information

The EMS Department has been providing emergency medical services to Travis County for over thirty years. The most recent Interlocal Agreement with Travis County for EMS services was signed by the Deputy City Manager on October 2, 2014, for FY 2014 - 2015. This Agreement enhances the City's provision of EMS services to those areas of Travis County that are located outside the City of Austin's corporate limits by providing a performance based agreement. The monthly EMS fee to be paid to the City will be increased by \$86,159 for FY 2015-2016. There will be a companion Budget Amendment to increase the EMS Budget to reflect this increase.
