

Attachment A

Proposed City Code Changes to Chapter 10-3 for EHSD:

- Food Handler Registrations - Significant revisions to **Ch. 10-3-34** regarding food handler registration based on the passage of SB 582.
- Central Preparation Facilities Registration Process - Revisions and additions to **Ch. 10-3** to include a new process and fee for the registration of mobile vending central preparation facilities.
- Mobile Vending - Minor additions to **Ch. 10-3-93** adding water and wastewater tank sizing requirements.
- Group Residence/Food Establishment – Revision to **Ch. 10-3-61** regarding the food establishment permitting requirement for group residential properties to provide consistency with the City Development Code.
- Food Establishment Restroom Requirements – Changes to **Ch. 10-3-122** regarding restroom requirements for food establishments related to TABC licensing and signage for single use restrooms for either sex.
- Temporary Food Event – Definition change to **Ch. 10-3-1 (15)** allowing additional events and days per year operating as a temporary event.
- Temporary Food Booth – Create a new definition in **Ch. 10-3-1** to clarify what constitutes a temporary food booth.
- Temporary Food Operations – The City of Austin fee schedule will be amended to allow single day/single booth events a reduced permit fee.
- Farmers Market Permit posting – Clarification of **Ch. 10-3-97 (K)** to require the original farmers market permit to be posted for consumers.
- Texas Food Establishment Rules – Citation change in the City Code **Ch. 10-3-2 (C)** to coincide with the Texas Administrative Code change from 25 TAC Chapter 229 to 25 TAC Chapter 228.
