Additional Backup Information

This action will conduct a public hearing to receive comment to consider approval of a resolution as required by the Texas Department of Housing and Community Affairs (TDHCA) 2015 Uniform Multi-family Rules. The applicant, Austin Colorado Creek Apartments, LP must submit to TDHCA a resolution of no objection from the applicable governing body in which the proposed development is located.

Proposed Project

The developer is planning a 240-unit new construction development on 13.5 acres near the intersection of U.S. Highway 71 and State Highway 130. The development would be 100% affordable to households with incomes at or below 60% Median Family Income (MFI), currently \$46,080 for a 4-person household. The development, to be known as Austin Colorado Creek Apartments is proposed to be partially funded with 4% Low Income Housing Tax Credits, and private activity bonds proposed to be issued by the Austin Housing Finance Corporation.

Project Attributes

- Austin Colorado Creek Apartments will have 1, 2, 3, and 4-bedroom units. All 2, 3, and 4-bedroom units will have two baths.
- Unit sizes will range from 730 square feet to 1,336 square feet.
- Rents are expected to range from \$657 to \$1,216, depending on unit size.
- Amenities will include a club house with fitness center, a business center with computers and internet access, and community room. Two swimming pools, sport courts, and barbecue/picnic areas are also planned.
- The developer anticipates providing a mix of the following services, depending on resident needs and interests: student achievement reading programs, adult education, homebuyer education, counseling services, credit education classes, health and nutritional courses, and other appropriate programs.
- The location is near to SH-130 and minutes away from Austin-Bergstrom International Airport.

Population Served

Twenty percent of units will be reserved for households with incomes at or below 50% MFI, (currently \$38,400 for a 4-person household). The remaining units will be reserved for households at or below 60% MFI (\$46,080 for a 4-person household). The developer plans to make a "significant percentage" of affordable units to veterans and their families participating in the Wounded Warrior Project and in need of an accessible unit.

The Developer

Goveia Commercial Real Estate develops, acquires and manages commercial real estate. Based in Dana Point, California, Goveia and its partners have successfully developed and acquired over 3.5 million square feet of retail, office, medical and residential space. Presently, Goveia owns and manages over one million square feet and operates in California and Texas. Goveia has a primary focus on developments within master planned communities and currently professionally manages all of its assets in-house.
