Don Zimmerman, I am unable to make the comparison. My example was two groups of people deserving of the basic equal rights that should be afforded to EVERY citizen living in a civilized society. Your example is a group of people that commit horrific crimes against children. Are you really comparing gays to pedophiles?

Like Reply 4 2 hrs

No Don Zimmerman seems to be unable to tell the difference between individuals with and without sufficient age to have the ability to consent. Please make sure this guy isn't allowed access to the City's public pools... there are kids in there.

Unlike 2 1 hr Edited

Don Zimmerman You did not answer my question of why you believe pedophilia is a crime. You didn't answer my question of why two people are denied the right to marry because of age discrimination. Until you answer my question of why you think you have the right to judge pedophilia as a crime, I won't answer you. Some believe pedophilia should be legal - what gives you the right to judge them as criminals? Why are your morals superior to theirs? Or are you waiting for the Supreme Court to decide your moral questions?

Like 39 mins

Don Zimmerman Mr. who gave you the right to pass judgment regarding "age of consent"? If "scientific studies" and the Supreme Court decide that your outdated morals regarding age of consent violate someone's right to "intergenerational marriage", you'd be fine with that? Of course you would, because that's the basis of your morality today. So gloat on.

Like 22 mins

You did not answer my question of why you believe pedophilia is a crime<< Weellllll - can't believe I'm having to explain this to a grown ass man - pedophilia is indeed a crime. You see a crime usually has to have this thing called a "victim". If someone is under the legal age to consent to sex, they would be the "victim". Now it's your turn - tell me who is the "victim" in a gay relationship? Hint - your delicate sensibilities can't be a victim. This train of thought - this well galdang it if we let this happen then this is gonna happen - was tried when the legality of mixed races marriages was being discussed. Didn't work then. And it ain't gonna work now.

Steve Basile There are not always "two sides" to an issue. There is no excuse whatsoever for Zimmerman's ignorant bigotry, nor for his misguided equation of sexual orientation and a criminal sex offense.

You know who makes that comparison? Republicans and Evangelical Preachers. EXCLUSIVELY. Says more about the ignorance they share than anything else.

Thanks to Austin Board of Realtors, Austin Neighbor Council, and the Austin Firefighters Association for their great events! The more people we get engaged in the process, the better the city will be!

**Lee Hillhouse** We even have a Gay Police Association. Think about how that might not work out very well for you...some night... when you're scared... According to the DOJ...straight married guys are the most likely to be pedophiles, you lying worthless piece of crap. Resign. Leave our city.

**Robert Barker** What do we do to get this guy out of office. He's using his political position to spread his religiolus views. This is not what he was elected to do so he needs to step down. And it doesn't sound like he's willing to shut up or go vountarily so what can we do?

Inspecting the \$2.3B biomass plant. It is a state of the art facility built for Austin Energy. Unfortunately the electricity is so expensive that it is rarely operational.

Mr. Casey,

On February 5, 2015, I sent you an email (below) with a courtesy copy of the criminal complaint I filed against Don Zimmerman for using campaign funds to pay his wife. I see from the attached July 15th COH, that Don Zimmerman paid you (his campaign treasurer and his attorney) \$500 from campaign funds since January for "legal defense." That's ironic, because if you'd given Mr. Zimmerman better legal advice or done your job as his campaign treasurer in the first place, there would have been no complaint filed against him.

You were his campaign treasurer when he violated clear election law prohibitions against such an expenditure to oneself or family, and you were his campaign treasurer when he filed his January 2015 COH and failed to include the Bank Reconciliation and Campaign Debt Reconciliation Reports required by City Code. I pointed out this omission in the complaint I sent you on February 5th, and I attached those forms as Exhibit 4 and Exhibit 5 to the complaint.

Those reports still have not been filed (based on a look at the City Clerk's website this morning). I've attached blank copies of the forms in case you don't have them.

Stephen,

Attached is a courtesy copy of the complaint I personally filed against Don Zimmerman this morning with the Travis County Attorney's Office and the Texas Ethics Commission. As Council Member Zimmerman's campaign treasurer and his attorney, I felt you should be provided a copy promptly.

The complaint (relying on the documents available online from the City Clerk) is that Mr.
