

BOARD/COMMISSION RECOMMENDATION

Public Safety Commission

Recommendation Number: 20151102-002: Police Body Worn Cameras and Retention Period Regulations

WHEREAS, City of Austin Public Safety Committee has asked the City of Austin Public Safety Commission to review, discuss and provide feedback on current retention period regulations concerning videos from police officers body cameras.

NOW, THEREFORE, BE IT RESOLVED that the Public Safety Commission Board has concern over the fact that the state law does not speak to maximum retention periods. The Public Safety Commission further recommends that a full evaluation of the police body worn camera program, including its technology, regulation and laws, be conducted after an appropriate implementation period.
