## Additional Backup Information

John Conley, promoter with Conley Sports Productions LLC, submitted a street event application on March 11, 2015 to close various streets described below for the Austin Marathon, Half Marathon & 5K on Sunday, February 14, 2016 and has requested the Austin Transportation Department submit this event for Council's consideration in compliance with City Code Chapter 14-8. The applicant will pay all fees and meet all ordinance requirements prior to obtaining the event permit. No fees will be waived by the City. Austin Transportation Department offers this request for Council action without recommendation.

Under City Code Section 14-8-15(B) which specifies that "if an event has been held for 10 years and has not changed its character, nature, location, or route, the director may approve the following years event for the same applicant regardless of whether it satisfies the requirements of 14-8-3(B)". The Austin Marathon & Half Marathon and a 5K have been successfully and safely conducted in Austin for 23 years. Changes to the race route have been made to adapt to changes in roadways because of construction or development or as a response to Community Stakeholder feedback.

Event times: The finish line closure starts on February 12 at 9:00 a.m. and remaining route closures start February 13 at 4:00 a.m., February 13 at 12:00 p.m., February 14 at 2:00 a.m. and February 14 at 5:00 a.m. The event, which includes a 5K, ½ Marathon and full Marathon course, begins at 7:00 a.m. This is a moving street closure. After the last runner has safely cleared the course, the barricades will be removed. All roads should be open by 6:00 p.m.

The applicant is in the process of complying with all other requirements for this Street Event. The Austin Transportation Department has no objections to this request contingent on all other requirements being met.

Event Name: Austin Marathon, Half Marathon and 5K
