Additional Backup Information

Whisper Valley is a mixed-use planned community located east of SH 130 and north of Decker Lane in the City of Austin's Desired Development Zone. The planned development for the 2,062 acre Whisper Valley property includes approximately 7,500 single and multi-family homes, and more than 2 million square feet of retail and office space. In addition 700 acres of open space is to be dedicated to the City for use as trails and parkland.

The Public Improvement District (PID) was intended to provide the financing mechanism through the apportionment, levying and collection of assessments to support the issuance of debt for the basic infrastructure that will support the planned community (water, wastewater and roads).

On November 3, 2011, Special Assessment Revenue Bonds, Subordinate Series, in the amount of \$18,800,000 and Senior Series in the amount of \$16,500,000, were sold to finance the infrastructure improvements. Assessments will

be used to make the debt service payments on the bonds, fund required reserves and cover administrative costs of administering the PID.
