# DETERMINATION OF ELIGIBILITY FOR TAX ABATEMENT LHD-2015-0028

# 505 W 43rd Street

## Hyde Park Local Historic District

#### PROPOSAL

Replace rotted siding with wood siding and repaint. Replace rotted and broken wooden windows with wood windows to match the historic windows. Interior work to include drywall, hardwood floors, plumbing, electric and HVAC work.

### ARCHITECTURE

The building is a circa 1930s one-story frame, front gabled with a partial width front porch residential building. This building is listed as a contributing structure to the Hyde Park Local Historic District.

### CRITERIA FOR ELIGIBILITY

- (1) The restoration must comply with the historic area (HD) combining district preservation plan.
- (2) The property is a contributing structure, or the Landmark Commission determines that it is a potentially contributing structure.
- (3) If the application is for a potentially contributing structure, the work for which the certificate is requested must restore the historic appearance of the structure.
- (4) The cost of restoration must exceed the percentage of pre-restoration value specified in the applicable section of Division 3 (Abatement Programs).
- (5) Only restoration done after issuance of the certificate of eligibility is included in determining whether the proposed restoration exceeds the specified percentage of pre-restoration value.
- (6) Only restoration involving work for which a certificate of appropriateness or City permit is required is included in determining whether the proposed work exceeds the specified percentage of pre-restoration value.
- (7) The applicant obtains a certificate of appropriateness, if required.

### STAFF RECOMMENDATION

Staff recommends that the project and the property are eligible for abatement. The application has met all of the required criteria for eligibility. They received a Certificate of Appropriateness through administrative approval for the proposed changes to the exterior on December 7, 2015.
