

ENVIRONMENTAL COMMISSION MOTION 20151104 009a

Date: November 4, 2015

Subject: TCEQ Wastewater Rule-making Petition Policy

Motion By: Hank Smith

Second By: Mary Ann Neely

RATIONALE:

Whereas, the City of Austin desires to remove barriers to wastewater land application permits expansion by reducing land costs, encourage investment in beneficial reuse infrastructure, reduce need an likelihood of contested permits, protect high quality of Hill Country water resources, conserve drinking water supplies; and

Whereas, offsite areas need to be mapped.

Therefore, the Environmental Commission recommends support of the request for TCEQ rule-making petition with the following condition:

Continue working with TCEQ and the stakeholders regarding reduced land areas and water balance if agreed to by the TCEQ and stakeholders.
