

MINUTES OF THE CITY COUNCIL

CITY OF AUSTIN, TEXAS

Special Meeting

June 30, 1971

5:00 P.M.

Council Chamber, City Hall

The meeting was called to order with Mayor Butler presiding.

Roll Call:

Present: Councilmen Dryden, Nichols, Mayor Pro Tem Love,
Councilmen Friedman, Handcox, Mayor Butler

Absent: Councilman Lebermann

Mayor Butler announced that this was a Special Meeting called for the purpose of conducting a public hearing on the proposed Parade Ordinance.

Mr. Collins expressed his opposition to the cancelling of payment for police protection during marches. In light of the risks of damage, he felt that marchers should be required to pay for police protection and to put up a bond for damage that might be done. He also suggested that a group of citizens, rather than the Council, be empowered to decide who was permitted to march.

Mayor Butler noted that fees presently charged were imposed uniformly on anyone who marched. He also noted that only the issue of fees was before the Council. Councilman Dryden noted that if a citizens' group were established, there would still be a process of appeal to the Council.

Councilman Handcox moved that the Council table the ordinance until the Regular Meeting of July 1, 1971, for a full Council. The motion, seconded by Councilman Dryden, carried by the following vote:

Ayes: Councilmen Dryden, Nichols, Mayor Pro Tem Love, Councilmen
Friedman, Handcox, Mayor Butler

Noes: None

Absent: Councilman Lebermann

Mayor Butler announced that a Special Meeting would be held on Friday, June 2, at 9:00 A.M. to consider the proposed Parade Ordinance.

The Council then adjourned.

Ray Butler
Mayor
