Additional Backup Information					
This multiple use agreement will allow the City of Austin to construct, operate, and maintain a lighting system at seven bridge overpass structures between Holly Street and 15 th street. The proposed purpose for the installation of the lighting will be to provide a safer environment for pedestrians when walking under the overpasses. Excess funds from the two surface parking lots, run by the City and owned by TXDOT, between 6 th and 8 th street will be used to fund this project.
