§ 211.005. Districts

(a) The governing body of a municipality may divide the municipality into districts of a number, shape, and size the governing body considers best for carrying out this subchapter. Within each district, the governing body may regulate the erection, construction, reconstruction, alteration, repair, or use of buildings, other structures, or land.

(b) Zoning regulations must be uniform for each class or kind of building in a district, but the regulations may vary from district to district. The regulations shall be adopted with reasonable consideration, among other things, for the character of each district and its peculiar suitability for particular uses, with a view of conserving the value of buildings and encour-

aging the most appropriate use of land in the municipality.

Acts 1987, 70th Leg., ch. 149, § 1, eff. Sept. 1, 1987.

§ 211.006. Procedures Governing Adoption of Zoning Regulations and District Boundaries

(a) The governing body of a municipality wishing to exercise the authority relating to zoning regulations and zoning district boundaries shall establish procedures for adopting and enforcing the regulations and boundaries. A regulation or boundary is not effective until after a public hearing on the matter at which parties in interest and citizens have an opportunity to be heard. Before the 15th day before the date of the hearing, notice of the time and place of the hearing must be published in an official newspaper or a newspaper of general circulation in the municipality.

(b) In addition to the notice required by Subsection (a), a general-law municipality that does not have a zoning commission shall give notice of a proposed change in a zoning classification to each property owner who would be entitled to notice under Section 211.007(c) if the municipality had a zoning commission. That notice must be given in the same manner as required for notice to property owners under Section 211.007(c). The governing body may not adopt the proposed change until after the 30th day after the date the notice required by this subsection is given.

(c) If the governing body of a home-rule municipality conducts a hearing under Subsection (a), the governing body may, by a two-thirds vote, prescribe the type of notice to be given of the time and place of the public hearing. Notice requirements prescribed under this subsection are in addition to the publication of notice required by Subsection (a).

(d) If a proposed change to a regulation or boundary is protested in accordance with this subsection, the proposed change must receive, in order to take effect, the affirmative vote of at least three-fourths of all members of the governing body. The protest must be written and signed by the owners of at least 20 percent of either:

- (1) the area of the lots or land covered by the proposed change; or
- (2) the area of the lots or land immediately adjoining the area covered by the proposed change and extending 200 feet from that area.

(e) In computing the percentage of land area under Subsection (d), the area of streets and alleys shall be included.

(f) The governing body by ordinance may provide that the affirmative vote of at least three-fourths of all its members is required to overrule a recommendation of the municipality's zoning commission that a proposed change to a regulation or boundary be denied.

Acts 1987, 70th Leg., ch. 149, § 1, eff. Sept. 1, 1987.

§ 211.007. Zoning Commission

(a) To exercise the powers authorized by this subchapter, the governing body of a home-rule municipality shall, and the governing body of a general-law municipality may, appoint a zoning commission. The commission shall recommend boundaries for the original zoning districts and appropriate zoning regulations for each district. If the municipality has a municipal planning commission at the time of implementation of this subchapter, the governing body may appoint that commission to serve as the zoning commission.

(b) The zoning commission shall make a preliminary report and hold public hearings on that report before submitting a final report to the governing body. The governing body may not hold a public hearing until it receives the final report of the zoning commission unless the governing body by ordinance provides that a public hearing is to be held, after the notice required by Section 211.006(a), jointly with a public hearing required to be held by the zoning commission. In either case, the governing body may not take action on the matter until it receives the final report of the zoning commission.

(c) Before the 10th day before the hearing date, written notice of each public hearing before the zoning commission on a proposed change in a zoning classification shall be sent to each owner, as indicated by the most recently approved municipal tax roll, of real property within 200 feet of the property on which the change in classification is proposed. The notice may be served by its deposit in the municipality, properly addressed with postage paid, in the United States mail. If the property within 200 feet of the property on which the change is proposed is located in territory annexed to the municipality and is not included on the most recently approved municipal tax roll, the notice shall be given in the manner provided by Section 211.006(a).

(c-1) Before the 10th day before the hearing date, written notice of each public hearing before the zoning commission on a proposed change in a zoning classification

affecting residential or multifamily zoning shall be sent to each school district in which the property for which the change in classification is proposed is located. The notice may be served by its deposit in the municipality, properly addressed with postage paid, in the United States mail.

(c-2) Subsection (c-1) does not apply to a municipality the majority of which is located in a county with a population of 100,000 or less, except that such a municipality must give notice under Subsection (c-1) to a school district that has territory in the municipality and requests the notice. For purposes of this subsection, if a school district makes a request for notice under Subsection (c-1), the municipality must give notice of each public hearing held following the request unless the school district requests that no further notices under Subsection (c-1) be given to the school district.

(d) The governing body of a home-rule municipality may, by a two-thirds vote, prescribe the type of notice to be given of the time and place of a public hearing held jointly by the governing body and the zoning commission. If notice requirements are prescribed under this subsection, the notice requirements prescribed by Subsections (b) and (c) and by Section 211.006(a) do not apply.

(e) If a general-law municipality exercises zoning authority without the appointment of a zoning commission, any reference in a law to a municipal zoning commission or planning commission means the governing body of the municipality.

Acts 1987, 70th Leg., ch. 149, § 1, eff. Sept. 1, 1987. Amended by Acts 2013, 83rd Leg., ch. 640 (H.B. 674), § 1, eff. Sept. 1, 2013.

Section 2 of Acts 2013, 83rd Leg., ch. 640 (H.B. 674) provides:

"The changes in law made by this Act apply only to a proposal to change a municipal zoning classification made on or after the effective date [September 1, 2013] of this Act. A proposal to change a municipal zoning classification made before the effective date of this Act is governed by the law in effect at the time the proposal was made, and the former law is continued in effect for that purpose."

§ 211.0075. Compliance With Open Meetings Law

A board or commission established by an ordinance or resolution adopted by the governing body of a municipality to assist the governing body in developing an initial comprehensive zoning plan or initial zoning regulations for the municipality, or a committee of the board or commission that includes one or more members of the board or commission, is subject to Chapter 551,¹ Government Code, regardless of whether the board, commission, or committee has
