

AUSTIN ENERGY'S TARIFF PACKAGE: §
UPDATE OF THE 2009 COST OF § BEFORE THE CITY OF AUSTIN
SERVICE STUDY AND PROPOSAL TO § IMPARTIAL HEARING EXAMINER
CHANGE BASE ELECTRIC RATES §

**BUILDING OWNERS AND MANAGERS ASSOCIATION OF AUSTIN'S
MOTION TO INTERVENE**

This Motion to Intervene ("Motion") is being filed by BUILDING OWNERS AND MANAGERS ASSOCIATION OF AUSTIN (BOMA) (the "Party"). The Party is an Austin Energy customer and is entitled to be an intervenor in this proceeding.

The Party has reviewed Austin Energy's Tariff Package and believes that the Impartial Hearing Examiner should address the following issues:

- (1) Equitable application of the cost of service to all classes, but specifically to the Commercial Class, which currently pays a disproportional amount of the utility's costs.
- (2) Analyze and justify what Austin Energy has done to control costs, specifically controlling excessive energy cost which is the main reason AE rates are out of line with rest of ERCOT.
- (3) Review the General Fund Transfer (GFT) methodology and budgeting for other services, departments not directly associated with electricity generation and distribution; compare and bring into line with other utilities around the state whose return to stakeholders is closer to 7.5% of net profit; base AE GFT on profit margin, not arbitrary percentage.

All documents related to this proceeding should be emailed to the Party at the following email address: john.sutton@tgsic.org.

(Signature of Party or Party's Authorized Representative)

John M. Sutton
(Printed Name of Party or Party's Authorized Representative)

(State Bar Number if Party or Party's Auth. Rep. is an attorney)
