Subject: Re: Austin Energy Rate Review - NXP and Samsung Response to Public Citizen Request for PHC

Note to all parties:

I requested a pre-hearing before the Friday, February 19 deadline.

I did this through a response e-mail to IHE.

I was not aware that request for a pre-hearing required a formal response and notice to all parties or I would have done this. I am still not sure that such requirements are in place.

Pursuant to Procedural Rule 3.1(b), attached please find *NXP Semiconductors and Samsung Austin Semiconductor, LLCs' Response to Public Citizen's Request for a Prehearing Conference to be Held the Week of February 22*. This document is simultaneously being filed with the City Clerk's Office by hand delivery.

Thank you,

Maria
