Additional Backup Information

This action will amend the process and form approved for Council appointees in September 2013.

The proposed form will be used as a guide for the discussion during the evaluation session. Additionally, the form highlights six key areas:

1. Priority Outcomes – self-report of accomplishments
2. Key Performance Areas and Competencies
3. Audits/Reports
5. Performance Conclusion – Is the appointee sufficiently meeting the Council’s performance expectations?
6. Anticipated Future Performance Issues and Key Performance Areas – Goals and objectives to be met in the upcoming year.

The proposed process would standardize the timeframe for all council appointee evaluations and provide for the Human Resources director to provide information on the evaluation process to each appointee annually.
