2015 COST OF SERVICE STUDY §  
AND PROPOSAL TO CHANGE BASE §  
ELECTRIC RATES §

BEFORE THE CITY OF AUSTIN  
IMPARTIAL HEARING EXAMINER

**CYPRESS SEMICONDUCTOR'S MOTION TO INTERVENE**

This Motion to Intervene ("Motion") is being filed by Cypress Semiconductor (the "Party"). The Party is an Austin Energy customer and is entitled to be an intervenor in this proceeding.

The Party has reviewed Austin Energy's Tariff Package and believes that the Impartial Hearing Examiner should address the following issues:

- (1) As the only Austin Energy customer on the T2 transmission tariff, Cypress Semiconductor has a very strong interest in how the proposed 12CP cost of service model compares to the existing model as it relates to a high load factor transmission tariff.
- (2) How the Austin Energy transmission tariff compares to those available in the surrounding competitive market and other municipal utilities in Texas.

All documents related to this proceeding should be emailed to the Party at the following email address: [barry.dreyling@cypress.com](mailto:barry.dreyling@cypress.com)
