

Council Agenda Item #A.1
February 23, 2016

Council Member Gallo Motion Sheet

Add the following to the General Requirements for Short-Term Rentals in Part 2:

“a licensee or guest of a short-term rental may not use or allow the use of sound equipment that produces sound in excess of 75 decibels at the property line between 10:00 a.m. to 10:00 p.m.”
