SIERRA CLUB'S STATEMENT OF TARIFFS

Sierra Club has members who are Austin Energy customers who receive service under the residential tariffs both within city limits and outside of city limits. They currently have 3,501 dues paying current members of Sierra Club in good standing within Travis County, of which 3,471 live within the City of Austin limits. In addition, the Lone Star Chapter of the Sierra Club has six full-time staff who currently receive residential service from Austin Energy, as well as eight full-time national staff who also live within the City of Austin and receive service. Also, they currently pay an energy bill at 1202 San Antonio Street on a small commercial tariff. Thus, Sierra Club can represent in-city, out-of-city and small commercial class customers.

Information for one member in each of those rate classes is provided below.

1. Small Commercial Class. Sierra Club, 1202 San Antonio, Austin, Texas 78701
2. Within city limits residential customer: Cyrus Reed, 4205 Avenue F, Austin, Texas 78751
3. Outside of city limits residential customer: Reggie James, 2205 Brockman Ln, Austin, TX 78744
