BEFORE THE CITY OF AUSTIN
IMPARTIAL HEARINGS
EXAMINER

**IMPARTIAL HEARING EXAMINER'S MEMORANDUM NO. 13:
GRANTING MOTIONS TO INTERVENE**

The Impartial Hearing Examiner convened a prehearing conference on March 4, 2016 to address among other matters, motions to intervene timely filed before the prehearing conference. Also, subsequent to the March 4th prehearing conference, one other party submitted an untimely motion to intervene. Pursuant to City of Austin Procedural Rules §§ 4.2(b); 5.1(b); and 8.1(a), the Impartial Hearing Examiner hereby **GRANTS** the motions to intervene filed by the following individuals, associations, or groups of Austin Energy ratepayers:

1. Independent Consumer Advocate
2. Austin Apartment Association
3. James Rourke
4. Data Foundry
5. Cypress Semiconductor
6. Applied Materials
7. Greater Austin Chamber of Commerce
8. Austin Regional Manufacturers Association
9. Coalition for Clean, Affordable, Reliable Energy (CCARE)
10. Customers Concerned About Affordable Rates in Electricity (Customers CARE)
11. Goodwill Industries
12. Austin Association of Facility and Maintenance Engineers
13. Sierra Club
14. Crown Castle
15. Late filed: Bethany United Methodist Church

In their respective motions to intervene, each states that it is a customer of Austin Energy. As a customer of Austin Energy, pursuant to the City of Austin Procedural Rules ("Procedural Rules") § 4.2(a), each of these parties has a justiciable interest in the outcome of these proceedings.

To the extent a party's motion to intervene does not identify the tariff under which it purchases service from Austin Energy, pursuant to Procedural Rules § 8.1(a), the Impartial Hearings Examiner hereby requests that by March 18, 2016, each intervenor granted intervenor status by this Memorandum identify the tariffs under which it and its members receive service from Austin Energy.
