Quality of Life Enhancements

- Designs on the bridges of flowers and wildlife will enhance the experience for the many walkers in the neighborhood as well as potentially slow down traffic.
- Neighborhood beautification is in line with known evidence-based practice for crime reduction and supportive of Restore Rundberg Revitalization, Austin Police Department and Code Enforcement.
- The neighborhood has indicated that the particular part of Fairfield Drive has a blind curve and a sidewalk will provide better pedestrian conditions.

Incorporation of City Initiatives

- The Fairfield and Jamestown Drive sidewalk segments are high priority segments in the Sidewalk Master Plan.
- Sidewalk alternative 3 is Item 24h in the North Austin Civic Association Neighborhood Plan is to "Construct a sidewalk on the 8300 block of Jamestown Drive."
- North Austin Civic Association Neighborhood Plan Goal 3 is to "Create a more pedestrian and cyclist friendly neighborhood by adding sidewalks and improving access to major centers of neighborhood activity."
- Encourage grassroots, neighborhood based organizations and activities that promote art, imagination, and creativity to enhance the role the arts play in community life (Imagine Austin - C P14).
