Amended Certificate of Service

The original certificate of service to AELIC's 8th RFI to AE is amended because AE notified AELIC that although it had a copy of AELIC's 8th RFI to AE, AE believed and alleged that only rate review was served and not the parties. AELIC reviewed its records and found that it had inadvertently failed to serve the parties. Consequently, the amended certificate of service reads as follows:

I, Lanetta Cooper certify that I served a copy of AELIC's 8th RFI to AE on April 11, 2016 to the parties of record and to Judge Herrera.

Lanetta M. Cooper
