

**Motion Sheet re: Agenda Item No. 23 – Administrative Water Bill
Adjustments**

Council Meeting: April 7, 2016

Motion made by: Mayor Adler

Distribute motion sheet on the dais and provide a copy to the City Clerk.

Summary of Amendment:

- Move to approve the resolution in backup, with the amendment shown below.

Text of Amendment: In the final paragraph of the resolution in backup, add the language underlined:

The City Council directs the City Manager draft proposed amendments to the City Code and implement revised policies to the City's current leak adjustment policy related to calculating a customer's normal usage, how much the customer will pay for the excess usage, waiving certain rights to an administrative hearing related to the same water bill, and any other changes necessary. The City Manager is further requested to include any recommended modifications that he may believe appropriate to the foregoing policies and procedures concurrently with the draft code amendments called for by this resolution.
