5th RFI of Paul Robbins

As an intervenor in the Austin Energy rate case, I am requesting the following information. Please tell me who this question was answered by and sponsored by.

For clarification of these question, Austin Energy respondents may contact me at this e-mail address, or by phone at: (512) 447-8712.

1. Percentage of Austin Energy Territory and Customers Inside and Outside City Limits

1.1. Please provide the percentage of the Austin Energy service area and square miles of the service area inside and outside the City Limits. I need this for both the test year and FY 2015.

1.2. Please provide the number of bills, amount of kwh consumption, and amount of revenue for the test year for Austin Energy customers by rate class. I need this information separately for customers both inside and outside the City Limits.
