Subject: petition 804 Garner Ave.
Date: Friday, April 22, 2016 2:07:50 PM

My name is Estreya Kesler. I own 806 Garner Ave. 78704. The property in question is harboring a multitude of rats. The rats came from the tear down some years back when the complex of Heart of TX Music, Gold's Gym, et al on S Lamar Blvd was torn down. The rats there infused the neighborhood, and caused thousands of dollars of damage. Personally it cost me \$4, 000. One person. When a property is to be demolished, I believe that some precaution to restrain rodent s into the surrounding areas must be incurred. I live in California and am in ill health, not able to attend this petition. Thing is, I am not opposed to the demolition, I merely wish the proper and fair steps to be taken to protect the neighborhood from the outflux of rodents which will without question, ensue.

Sincerely,
Estreya Kesler
