Paul Robbins 5-1.1 Please provide the percentage of the Austin Energy service area and square miles of the service area inside and outside the City Limits. I need this for both the test year and FY 2015.

ANSWER:

Please see the following link to AE's Annual Performance Report for fiscal year 2014 at p. 11:

Fiscal year 2015 information has not been published yet. However Austin Energy is not anticipating any material changes in service area or the division between inside/outside city limits.
