ANALYSIS / ADDITIONAL INFORMATION: This additional grant funding is for core critical capacity for field operations and public health emergency response activities. Funds will continue to support three positions to work on field operations and develop sampling plans and procedures. The requested increase of \$476,514 represents the difference between the initial amended grant appropriation of \$988,514 and the current amended grant appropriation of \$512,000. The General Fund will not be required to contribute additional funds beyond those currently budgeted to this grant. When the grant funds expire, the Health and Human Services Department's need for continuing funding will be evaluated and may be denied.
