Building and Fire Code Board of Appeals

(Official Name of Board or Commission)

The Board/Commission mission statement (per the City Code) is:

City Code § 2-1-121 Building and Fire Code Board of Appeals.

(C) The board shall:

- (1) review any appeals filed in accordance with Title 25 (*Land Development*); and
- (2) hear and decide appeals of orders, decisions, or determinations made by the building official relating to the application and interpretations of the Building Code, the Residential Code, and Fire Code.

1. Describe the board's actions supporting their mission during the previous calendar year. Address all elements of the board's mission statement as provided in the relevant sections of the City Code.

- During 2015 this Board met 2 times.
2/25/15, 11/18/15
- The Board Elected Officers.
- The Board adopted the following:
 1. Annual Board Schedule.
 2. Annual Board Report.
 3. Board Bylaws

- The Board:
 - Heard an Appeal for an Administrative Decision related to 3100 Highland Terrace West, Austin.
 - Discussed possible solutions for “Insufficient Fire Flow in along Balcones Drive”, AWU’s long range plan for infrastructure upgrades and the plan review process for new construction.

2. Determine if the board’s actions throughout the year comply with the mission statement.

This board does comply with the mission statement and reviews appeals and determinations related to the Building Code, the Fire Code, and other technical codes, which is what helps make Austin one of the most livable cities. The Board understands the importance of the appeals filed and the importance of their recommendations to council and has been successful in fulfilling this obligation.

3. List the board’s goals and objectives for the new calendar year.

- This Board will continue to hear any appeals presented to the board.
- Review any Code Amendments related to the adopted codes listed below.
- This Board is expected to make recommendations for the adoption of the following codes:

2015 International Residential Code
2015 International Fire Code
2015 International Building Code
2015 International Existing Building Code
