PART 3. The Proposition will appear on the official ballot in substantially the following form, and the ballot shall be prepared to permit voting “for” or “against” the Proposition:

PROPOSITION

The issuance of \$720,000,000 transportation and mobility improvement bonds and notes for improvements to Loop 360 corridor, Spicewood Springs Road, Old Bee Caves Road Bridge, Anderson Mill Road, intersection of RM 620 and RM 2222, Parmer Lane, North Lamar Boulevard, Burnet Road, Airport Boulevard, East Martin Luther King Jr. Boulevard/FM 969, South Lamar Boulevard, East Riverside Drive, Guadalupe Street, Slaughter Lane, William Cannon Drive, Rundberg Lane, East Colony Park Loop Road, South Congress Avenue, Manchaca and South Pleasant Valley Road; sidewalks, Safe Routes to School, urban trails, bikeways, fatality reduction strategies, and the following local mobility substandard streets/capital renewal projects: Falwell Lane, William Cannon Overpass Bridge, FM 1626, Cooper Lane, Ross Road, Circle S Road, Rutledge Spur, Davis Lane, Latta Drive/Brush Country, Johnny Morris Road, and Brodie Lane; and the levy of a tax sufficient to pay for the bonds and notes.

PART 4. Pursuant to Section 3.009, Texas Election Code: (i) the Proposition language that will appear on the ballot is set forth in Part 3, (ii) the purposes for which the bonds and notes are to be authorized are set forth in Part 2, (iii) the principal amount of bonds and notes to be authorized is set forth in Part 2, (iv) if the issuance of bonds and notes is authorized by voters, taxes sufficient, within the limits prescribed by law, to pay the annual principal of and interest on the bonds and notes and to provide a sinking fund to pay the bonds and notes may be imposed, as set forth in Part 2, (v) bonds and notes authorized pursuant to this ordinance may be issued to mature over not to exceed 40 years from their date of issuance and bearing interest at the rate or rates (not to exceed 15%), as authorized by law and determined by the Council, (vi) as of the beginning of the City’s current fiscal year, the aggregate amount of outstanding principal of the City’s debt obligations was \$1,302,730,000, and the aggregate amount of outstanding interest on the City’s debt obligations was \$485,909,029.50, and (vii) the City’s ad valorem debt service tax rate as of the date of adoption of this ordinance is \$0.1062 per \$100 of taxable property.

Based upon market conditions as of the date of this ordinance and using taxable assessed values for the 2015 tax year (2015/16 fiscal year), without adjustment for anticipated growth in taxable assessed value in future years, if the bonds and notes

are authorized, the estimated total tax rate of the City is expected to be approximately \$0.5339 per \$100 of taxable assessed value (which represents an increase of \$0.0750 per \$100 taxable assessed valuation as compared to the City's total tax rate as of the date of adoption of this ordinance), based on current State law, which is subject to change. As was presented to Council, applying the assumptions used in the General Obligation Bond Capacity Analysis dated June 1, 2016, which includes forecasted growth in taxable assessed value, City financial staff has determined that, if the bonds and notes are authorized, the City's total tax rate would increase by an estimated \$0.0225 per \$100 of taxable assessed valuation (as compared to the City's total tax rate as of the date of adoption of this ordinance). If the bonds and notes are authorized, actual tax rates will depend upon, among other factors, the assessed valuation of taxable property, prevailing interest rates, the market for the City's bonds and notes and general market conditions at the time that bonds and notes are issued.

The estimated tax rates and other statements contained in this Part 4 are (i) based on certain assumptions (including assumptions concerning prevailing market and economic conditions at the time(s) of issuance of the bonds and notes), (ii) subject to change to the extent that actual facts, circumstances and conditions prevailing at the time that the bonds and notes are issued differ from such assumptions and projections, (iii) provided solely in satisfaction of the requirements of Section 3.009, Texas Election Code, and for no other purpose, without any assurance that such projections will be realized, and (iv) not intended to give rise to a contract with voters or limit the authority of the Council to issue bonds and notes in accordance with the Proposition submitted herein.

PART 5. The precincts and locations of the election day polling places; the dates, hours, and locations of the early voting places; and the names of the officers appointed to conduct the election are provided in Exhibits A-G attached and incorporated as a part of this ordinance.

PART 6. A direct electronic recording voting system, as the term is defined in Title 8 of the Texas Election Code, shall be used for early voting and for voting conducted on election day. The central counting station is established at the Travis County Elections Division, 5501 Airport Boulevard, Austin, Texas.

PART 7. (i) Notice of the elections shall be given by posting and publishing a copy of this ordinance in both English and Spanish. A copy of this ordinance shall be posted, in both English and Spanish, in three public places and at the City Hall notice kiosk not later than the 21st day before election day. The posting at City Hall shall be accompanied by a cover page, at the top of which shall appear the words "NOTICE OF A MUNICIPAL GENERAL AND SPECIAL ELECTION, NOVEMBER 8,

2016.” Notice of the elections shall be published, not earlier than the 30th day before the date of the elections, in a newspaper of general circulation on the same day in each of two successive weeks, with the first publication occurring before the 14th day before the date of the elections.

(ii) A copy of this ordinance shall be posted, in both English and Spanish, on election day and during early voting by personal appearance, in a prominent location at each polling place.

(iii) This ordinance shall be posted on the City’s website, in both English and Spanish, during the 21 days before the elections.

PART 8. In accordance with Chapter 271 of the Texas Election Code, the November 8, 2016 municipal elections may be held jointly with the various political subdivisions that share territory with the City of Austin and that are holding elections on that day. The City Clerk may enter and sign joint election agreements with other political subdivisions for this purpose, and their terms as stated in the agreements are hereby adopted.
