

Contributions Dataset – Field List

Field Name	Description
Donor	The name of the person, political committee, or organization that made a contribution or pledged (committed to contribute) funds.
Donor_Type	Indicates whether the donor was an individual person (Individual) or an organization/political committee (Entity).
Donor_Address	The street address of the donor who contributed or pledged funds.
City_State_Zip	The city, state and zip code of the donor who contributed or pledged funds.
Contribution_Date	The date on which the donation or pledge was accepted by the recipient.
Contribution_Year	The year in which the donation or pledge was accepted by the recipient.
Contribution_Amount	The amount contributed or pledged. For donors who donated goods or services (a non-monetary, in-kind contribution), the estimated value of the goods or services provided.
Donor_Reported_Occupation	For individual contributors, their occupation or job title.
Donor_Reported_Employer	For individual contributors, their employer.
Contribution_Type	The type of contribution made: monetary contribution, non-monetary (in-kind) contribution, or pledged contribution.
Recipient	The name of the candidate, officeholder, or political committee who accepted the contribution.
Date_Reported	The date on which the contribution was reported to the Office of the City Clerk.
Report_Filed	The type of document on which the contribution was reported to the Office of the City Clerk.
In_Kind_Description	For non-monetary, in-kind contributions, a description of the goods or services provided.
Out_of_State_PAC_ID	If the donor was a political committee outside the state of Texas, their Federal Election Commission (FEC) identification number.

Contributions Dataset – Field List

Field Name	Description
Correction	Indicates that the contribution reported on a row was filed on a correction form. 'New' in this field indicates a new donation, 'Modify' means that this row is an update to a previously reported donation.
View_Report	A link to a scanned image of the report on which the contribution was reported to the Office of the City Clerk (opens a PDF in a new tab or window).
Transaction	The unique identification number of each reported contribution.
