

BAC 2016-2018 Applications

1. Natalia Ciolko

==Personal Information==

Council District: District #5

Date of Birth: February 10, 1987

Do you reside or work within City of Austin boundaries? : Yes

Do you currently hold elective office? : No

Gender: Female

Racial/Ethnic Background: White

Please list names, email addresses, and phone numbers of two people who may be contacted as references:

Natalie Martens, n.r.martens@gmail.com

Carsi Mitzner, carsi.mitzner@gmail.com

What area(s) of town are you particularly knowledgeable of within Austin? I live in South Austin and commute to downtown daily. I am most familiar with South Lamar, Manchaca and South First as major thoroughfares, in particular the William Cannon area.

==Education, Employment and Skills==

Current Employer: The Texas Tribune

Occupation: Sales Operations Manager

Education: Bachelor of Journalism, The University of Texas at Austin, 2009

Employment and Volunteer Activities : Teen Mentor, Big Brothers and Big Sisters of Central Texas, July 2013-present

Skills and Experience: I have covered City Council for the Austin Chronicle on occasion and have a good understanding of local politics.

==Your Interest in the BAC==

Why do you want to serve on the Bicycle Advisory Council? I want to be able to ride my bike to work and back safely each day without getting honked at, swerved around and otherwise insulted by my fellow commuters in cars.

Describe your bicycle use (check all that apply): I bike for transportation in good weather

If you answered "other" above, please explain:

What issues or topics do you think the Bicycle Advisory Council should address? : Bike lanes, education, interfacing with Cap Metro corridors

Can you commit to being in attendance at regular meetings and subcommittee meetings, as well as participate in the work of the BAC?

Can you commit to being in attendance at monthly meetings and participate in the work of the BAC? : Yes

Are there any obstacles to you attending regularly scheduled meetings of the BAC? No

If you chose "yes" in response to the question above, please

explain:

Are you interested in being considered for a position as full (voting) member, alternate (non-voting) member, or both? Full Member Only

Additional comments: Thanks for this opportunity to make Austin even better for cyclists!

2. John Burnett

==Personal Information==

Council District: District #10

Date of Birth: January 31, 1956

Do you reside or work within City of Austin boundaries? : Yes

Do you currently hold elective office? : No

Gender: Male

Racial/Ethnic Background: gringo

Please list names, email addresses, and phone numbers of two people who may be contacted as references:

David Orr, current BAC member, <orrmanor@grandecom.net>

Rev. Steve Kinney, Episcopal priest & director of the Front Porch, <swk.kinney@gmail.com>

What area(s) of town are you particularly knowledgeable of within Austin? I have a passing knowledge of the issues affecting Central Austin because I have lived in Rosedale for 19 years

==Education, Employment and Skills==

Current Employer: NPR

Occupation: Southwest correspondent

Education: Journalism degree, UT Austin

Employment and Volunteer Activities :

board member, the Front Porch, a mission of the Episcopal Diocese of Texas, <http://frontporchaustin.org/>

Most of my volunteer activities have been through All Saints Episcopal Church in Austin

Skills and Experience: Quick analysis of complex topics--from foreign wars to federal court decisions--in order to present them in conversational, logical news stories. Extensive interviewing experience.

==Your Interest in the BAC==

Why do you want to serve on the Bicycle Advisory Council?

I am a passionate, avid cyclist and member of Bike Austin. (A friend and I recently rode 1,130 miles across Texas to raise money to buy bicycles for Kenyan high schoolers)

<http://www.mystatesman.com/news/lifestyles/recreation/cyclists-pedal-across-texas-to-raise-money-for-stu/nrDTX/>

I have no public service experience. My job consumes a lot of my time. Moreover, as a journalist who covers public affairs and elected officials we are not encouraged to get involved. I turned 60 this year, however, and I want to give back to my

beloved community. Cycling is my issue.

Describe your bicycle use (check all that apply): I am a regular recreational rider

If you answered "other" above, please explain: I also cycle to work at KUT and regularly use my town bike for errands--avoiding my car whenever possible. As such, I am very aware of the need for more bike lanes and bike friendly policies.

What issues or topics do you think the Bicycle Advisory Council should address? : More bike lanes with better protection.

Continued emphasis on cycling as a major alternative to vehicles in Austin. More public relations to win over the many bike haters out there. Influence with employers to get them to support bike friendly work rules.

Can you commit to being in attendance at regular meetings and subcommittee meetings, as well as participate in the work of the BAC?

Can you commit to being in attendance at monthly meetings and participate in the work of the BAC? : Yes

Are there any obstacles to you attending regularly scheduled meetings of the BAC? Yes

If you chose "yes" in response to the question above, please explain: I am occasionally called away on breaking stories.

(Orlando nightclub shooting, Dallas police shooting, hot-air balloon disaster) That will potentially call me away from a monthly meeting from time to time. But I can usually plan to be in town if I know BAC's calendar in advance.

Are you interested in being considered for a position as full (voting) member, alternate (non-voting) member, or both? Both

Additional comments: I cannot use my employment with NPR or my relationship with KUT News to "get stories" on bicycle policies in Austin. That is a no-no.

3. Dave Obermann

==Personal Information==

Council District: District #9

Date of Birth: July 14, 1954

Do you reside or work within City of Austin boundaries? : Yes

Do you currently hold elective office? : No

Gender: Male

Racial/Ethnic Background: caucasian

Please list names, email addresses, and phone numbers of two people who may be contacted as references:

Ron Merz; bluwaters9@gmail.com; 512-206-6900

Chris Kime; chriskime@gmail.com; 512-286-6981

What area(s) of town are you particularly knowledgeable of within Austin? Pretty much anywhere north of the river (including far NW and the eastside), but also much of south Austin. I've lived and biked here for 35 years.

==Education, Employment and Skills==

Current Employer: retired from IBM after 35 years.

Occupation: retired

Education: B.S and M.S. in Applied Mathematics, with minors in Comp. Sci. and German.

Employment and Volunteer Activities : Served for many years as an officer in my church and also neighborhood assn., but currently have no formal commitments. I volunteer for neighborhood and running activities as time allows.

Skills and Experience: Planning, strategy, sales, finance, operations, and middle mgmt. at IBM over a 35 year career. As for cycling, I've been riding since I was a kid, both as a tourist and commuter (even did some racing back in the day, but that is long over). Lived and cycled in Europe for 5 years. Was a strong and constant activist for cycling facilities at IBM. Finally, I'm very passionate about transportation issues in Austin, and participate whenever possible to help improve Austin transportation.

==Your Interest in the BAC==

Why do you want to serve on the Bicycle Advisory Council? To offer my experience and insight into what works and what doesn't when it comes to cycling in this city. To drive programs that improve safety, accessibility, awareness, and use of cycling in Austin.

Describe your bicycle use (check all that apply): I bike for transportation year-round

If you answered "other" above, please explain:

I was only allowed to select one box above, so here is some other information:

- * I ride nearly every day.
 - * My bike is my primary mode of transportation.
 - * I ride roughly 80% for transport, and 20% for recreation.
 - * I log at least 1000 miles per year; often twice or more than that.
 - * I'm also a runner and occasional triathlete, so I'm very invested in and aware of these communities in Austin.
- What issues or topics do you think the Bicycle Advisory Council should address? :
- * a connected trail system.
 - * a connected, protected bikeway system.
 - * adjustments to traffic laws to better accommodate and encourage cycling (e.g., the "Idaho stop law").
 - * adjustments to road construction code to better accommodate and encourage cycling (e.g. more roundabouts instead of stop signs and stop lights).
 - * expansion of B-cycle stations.
 - * better integration of cycling into our mass transit systems.
 - * more effective influence at the county and state levels.

Can you commit to being in attendance at regular meetings and subcommittee meetings, as well as participate in the work of the BAC?

Can you commit to being in attendance at monthly meetings and

participate in the work of the BAC? : Yes
Are there any obstacles to you attending regularly scheduled meetings of the BAC? No

If you chose "yes" in response to the question above, please explain:

Are you interested in being considered for a position as full (voting) member, alternate (non-voting) member, or both? Both
Additional comments: I've been looking forward to retirement for many years, in part so that I can participate in activities such as the BAC. Thanks for considering my application.

4. Katie Deolloz

==Personal Information==

Council District: District #3

Date of Birth: April 6, 1977

Do you reside or work within City of Austin boundaries? : Yes

Do you currently hold elective office? : No

Gender: Female

Racial/Ethnic Background:

Please list names, email addresses, and phone numbers of two people who may be contacted as references:

Mercedes Feris, mercedes@bikeaustin.org, 512-587-8136

Preston Tyree, safecyclist@gmail.com, 512-338-4075

What area(s) of town are you particularly knowledgeable of within Austin? South, Downtown, Central

==Education, Employment and Skills==

Current Employer: Self

Occupation: Homeschool Educator

Education:

BS Kinesiology w/ All-Level Teaching Certification

Certified Personal Trainer, American College of Sports Medicine

Employment and Volunteer Activities :

Bike Austin

Skills and Experience:

League Certified Instructor, League of American Bicyclists

Non-car-owner, using cycling, walking, and public transit as main forms of daily transportation.

==Your Interest in the BAC==

Why do you want to serve on the Bicycle Advisory Council? Members of my family and I ride our bicycles nearly every day for both transportation and recreation; my husband bike commutes to work (14 miles round trip) and since I homeschool our children, we often ride bikes when going to the library or other in-town field trips. I am also an LCI, so my desire is to see more people riding bicycles, but able to do so with safe routes and bike facilities. I see serving on the BAC as an opportunity to both

learn what has already been accomplished and help build upon that foundation by participating in the process.

Describe your bicycle use (check all that apply): I bike for transportation year-round

If you answered "other" above, please explain:

What issues or topics do you think the Bicycle Advisory Council should address? : Safe routes to school for K-college, working with local businesses to promote bike commuting as a viable option (health/wellness and economic benefits).

Can you commit to being in attendance at regular meetings and subcommittee meetings, as well as participate in the work of the BAC?

Can you commit to being in attendance at monthly meetings and participate in the work of the BAC? : Yes

Are there any obstacles to you attending regularly scheduled meetings of the BAC? No

If you chose "yes" in response to the question above, please explain:

Are you interested in being considered for a position as full (voting) member, alternate (non-voting) member, or both? Both
Additional comments: Thank you for your consideration.

5. Mark Walters

==Personal Information==

Council District: District #10

Date of Birth: March 2, 1971

Do you reside or work within City of Austin boundaries? : Yes

Do you currently hold elective office? : No

Gender: Male

Racial/Ethnic Background: Native American

Please list names, email addresses, and phone numbers of two people who may be contacted as references:

Michelle Gilbreth (512) 627-9937

Bill Shire (512) 660-1486

What area(s) of town are you particularly knowledgeable of within Austin? Extensive knowledge of Districts 6 and 10 where I bike regularly.

==Education, Employment and Skills==

Current Employer:

Verus Consulting

PO Box 28072

Austin, TX 78755

(512) 964-4343

Occupation: Law Clerk/ Regulatory Consultant

Education:

University of Texas- Austin

MS in Sports Management

Western State College of Colorado

BS Finance

ACSM Certified Exercise Test Technologist
NSCA Certified Personal Trainer
Certified Paralegal
Certified Court Appointed Mediator
Employment and Volunteer Activities :
Active Blood Donor with the Community Blood Bank- Just reach the
10 Gallon mark
Local Organizing Committee for the Livestrong Challenge
APD Blue Santa driver
Volunteer dog walker with the Austin Animal Shelter
Skills and Experience:
20 years experience as a sports coach, including 15 years
training cyclists.
USA Cycling Certified Coach.
As a Court Appointed Mediator, I have exceptional listening and
decision making skills.
MS in Sports Management has provide me the skills in sports
project management, accounting, risk management, and balanced
development of community athletics.

==Your Interest in the BAC==

Why do you want to serve on the Bicycle Advisory Council? I have
been a cyclist for more than 30 years, logging more than 60,000
miles. I hit by a car in April, and believe that by being a
member of the BAC, I can assist in recommending policy for a
better cycling infrastructure, and safety for cyclist using the
City roadways.

Describe your bicycle use (check all that apply): I am a regular
recreational rider

If you answered "other" above, please explain: As a recreational
rider and parttime racer in the Driveway Series in East Austin, I
log more than 3,000 miles annually in and around the City of
Austin, riding on city streets, the veloway, and designated bike
routes.

What issues or topics do you think the Bicycle Advisory Council
should address? : Planning a future bicycle infrastructure that
can meet the growing demands of our expanding population. The
infrastructure needs to take into account limited financial
resources and look for alternative ways to finance these programs
using state, federal or private grants. Public education on the
vulnerable user ordinance and the need for cars and bikes to
share existing roadways in a safe and collaborative environment.
Can you commit to being in attendance at regular meetings and
subcommittee meetings, as well as participate in the work of the
BAC?

Can you commit to being in attendance at monthly meetings and
participate in the work of the BAC? : Yes

Are there any obstacles to you attending regularly scheduled
meetings of the BAC? No

If you chose "yes" in response to the question above, please

explain:

Are you interested in being considered for a position as full (voting) member, alternate (non-voting) member, or both? Both
Additional comments: I am happy to contribute in any manner that the Committee finds that my skills and experience is useful in meeting the goals and objectives for the Austin Cycling Community.

6. Brianna Frey

==Personal Information==

Council District: District #9
Date of Birth: September 9, 1989
Do you reside or work within City of Austin boundaries? : Yes
Do you currently hold elective office? : No
Gender: Female
Racial/Ethnic Background: White Hispanic
Please list names, email addresses, and phone numbers of two people who may be contacted as references:
Lee Einsweiler; lee@code-studio.com; 512-608-2886
Elizabeth Mueller; ejmuel@austin.utexas.edu; 512-471-1151
What area(s) of town are you particularly knowledgeable of within Austin? Central, east

==Education, Employment and Skills==

Current Employer: Code Studio, Inc
Occupation: Urban Planner
Education: Master in Community and Regional Planning at the University of Texas at Austin
Employment and Volunteer Activities :
Moderator, Neighborhood Assistance Center, City of Austin
Conversation Host, Conversation Corp, Leadership Austin
Managing Editor, Planning Forum Journal, UT School of Architecture
Skills and Experience: Public Facilitation, Transportation Planning, previous experience on student boards, social media and graphic design for public outreach
As an admin assistant to a board, I understood what they needed previous to their decisions.

==Your Interest in the BAC==

Why do you want to serve on the Bicycle Advisory Council? As a cyclist and bike commuter, I have concerns of the the future bike environment in Austin. My main concerns are the cleanliness of the bicycle lanes, the connection and availability of lanes (unprotected or otherwise) in all areas of Austin, and amenities for commuting to work and schools (bike shelters/parking, showers, guided rides)
Describe your bicycle use (check all that apply): I bike for transportation year-round
If you answered "other" above, please explain:

What issues or topics do you think the Bicycle Advisory Council should address? : Continue to advise City Council on for public investment in infrastructure, continue to educate City Council on the behaviors of drivers and bikers, continue to identify gaps in development proposals
Can you commit to being in attendance at regular meetings and subcommittee meetings, as well as participate in the work of the BAC? : Yes

Can you commit to being in attendance at monthly meetings and participate in the work of the BAC? : Yes

Are there any obstacles to you attending regularly scheduled meetings of the BAC? No

If you chose "yes" in response to the question above, please explain:

Are you interested in being considered for a position as full (voting) member, alternate (non-voting) member, or both? Both

Additional comments: I've spoken to ex-members of the BAC and current members and believe I'm the right fit. I really want to get involved with the City somehow as I pursue my planning profession in the private sector (meaning I wont be working for the City any time soon).

7. Richard DeGarmo

==Personal Information==

Council District: n/a

Date of Birth: October 23, 1950

Do you reside or work within City of Austin boundaries? : Yes

Do you currently hold elective office? : No

Gender: Male

Racial/Ethnic Background: Member of Cherokee Nation, otherwise, mixed caucasian

Please list names, email addresses, and phone numbers of two people who may be contacted as references: I think you can many on my Facebook Page, I was President of USA Cycling for 5 years, on the international Olympic Cycling Commission over 20, organized an international stage race from 1981-1991, The Tour of Texas, owned maybe the biggest bicycle shop in central Texas, Cycle 360.

What area(s) of town are you particularly knowledgeable of within Austin?

I proposed and put together the pieces of the Austin Veloway, got owner, Austin, and State Parks and Wildlife funding, and choose the route of the Veloway. I was an original contributor to the Austin Bikeway plan, I think, around 1980. Tom Delaney worked for me and most things we sent through him. He was an official member. I helped form the original Texas Bicycle Coalition with a lot of old friends.

==Education, Employment and Skills==

Current Employer: Sears Fitness

Occupation: Manager

Education: 3 years college, OU and UT.

Employment and Volunteer Activities : On board of directors of USA Cycling for 15 years, 5 years as President. Vice President of the Pan American Cycling Confederation, one of the 16 members of

the UCI management Committee that controlled all international cycling from the Olympics to the Tour de France.

Skills and Experience: I have organized and found sponsors for 4 National level athletes, and 3 regional men's and women's teams. Brought Austin the Veloway. Organized over 250 individual International races in Texas, Had 6 National Television one hour specials on bicycle racing on Turner and ESPN. Managed or owned bicycle shops from 1975 until 2002.

==Your Interest in the BAC==

Why do you want to serve on the Bicycle Advisory Council? I am not sure. Someone asked me to please apply. If I can be helpful, I have decades of experience and winding down on my career, and would love to contribute if you feel you could use my advice. Maybe look at my Facebook page, I list some of my accomplishments and have become the meeting place for all Olympic level racers from the late 70's to the '90's.

Describe your bicycle use (check all that apply): I occasionally ride for fun and/or exercise

If you answered "other" above, please explain: I had some major surgery and don't get to ride much yet. But determined to get back into at least acceptable shape.

What issues or topics do you think the Bicycle Advisory Council should address? : You give me the issues. I can give valuable input.

Can you commit to being in attendance at regular meetings and subcommittee meetings, as well as participate in the work of the BAC?

Can you commit to being in attendance at monthly meetings and participate in the work of the BAC? : Yes

Are there any obstacles to you attending regularly scheduled meetings of the BAC? No

If you chose "yes" in response to the question above, please explain:

Are you interested in being considered for a position as full (voting) member, alternate (non-voting) member, or both? Full Member Only

Additional comments: It would seem a little silly if you felt I could contribute not to be a voting member. I was a voting member about who would get the cycling World Championships, and Which Olympic events we would approve, by the way, Me and my Executive Director are really responsible for getting Mountain Bike Racing into the Atlanta Olympics. Long Story.

8. Kathryn Flowers

==Personal Information==

Council District: District #3

Date of Birth: August 18, 1989

Do you reside or work within City of Austin boundaries? : Yes

Do you currently hold elective office? : No

Gender: Female

Racial/Ethnic Background: White

Please list names, email addresses, and phone numbers of two people who may be contacted as references:

David Chayer, 850-524-3532

Emmy Laursen, 817.637.3805

What area(s) of town are you particularly knowledgeable of within Austin? Central Downtown, East Austin, North Burnet/North Lamar.

I have lived here about 10 years and am relatively familiar with most areas

==Education, Employment and Skills==

Current Employer: Texas 4000 for Cancer

Occupation: Program Manager

Education:

BA Theatre & Dance, UT Austin

Master of Public Affairs, UT Austin

Employment and Volunteer Activities :

Directly Related Full Time Employment:

Texas 4000 for Cancer, Program Manager, 2015-Present

Texas 4000 for Cancer, Development & Program Coordinator, 2014-2015

Directly Related Volunteering:

Bicycle Advisory Council, Alternate Member, 2014-Present

Please see my LinkedIn,

<https://www.linkedin.com/in/kathryn-flowers-7675ab2>, for more information on other experience that is not as directly correlated, as well as detailed descriptions of the above positions.

Skills and Experience:

I have served two years as a regularly attending alternate member and would like to make the step up to full-time if the space is available. I have been a recreational cyclist for 7 years, having completed a cross-continental tour from Texas to Alaska in 2010 as well as a tour in Europe recently this summer.

I am well-connected in the sphere of cycling on the UT campus, and have a policy degree that informs my interest in infrastructure and planning. These are the primary skills that inform my BAC service.

==Your Interest in the BAC==

Why do you want to serve on the Bicycle Advisory Council? As mentioned above, I have been an active alternate member of the BAC for two years and I am applying for a full position (though I would accept an alternate position if that is what is available).

I have enjoyed being a member of the council and helping to influence and advise city staff as we confront new transportation challenges. I am reliable and willing to step up in additional

ways over the next two years as I will be moving on from my current employer this fall and will have a more flexible schedule for evening meetings going forward.

Describe your bicycle use (check all that apply): I am a regular recreational rider

If you answered "other" above, please explain: Could only check one, but I also bike for transportation sometimes in good weather

What issues or topics do you think the Bicycle Advisory Council should address? :

- Continue to address issues around Vision Zero. Red light running, failure to yield, awareness, etc. are contributing to a high number of incidents on Austin rides
- Continue to address infrastructure weaknesses within the city, especially as they relate to historical and economic factors that affect underserved communities here
- After my recent trip in Europe I am curious if there is a way we can better work with pedestrian advocates as one bloc, rather than two separate ones that sometimes help each other out. I've thought this before but this seems really effective in some parts of Europe and Vision Zero seems like it could offer a door into progress

Can you commit to being in attendance at regular meetings and subcommittee meetings, as well as participate in the work of the BAC?

Can you commit to being in attendance at monthly meetings and participate in the work of the BAC? : Yes

Are there any obstacles to you attending regularly scheduled meetings of the BAC? No

If you chose "yes" in response to the question above, please explain:

Are you interested in being considered for a position as full (voting) member, alternate (non-voting) member, or both? Both
Additional comments: As I mentioned I would love to be brought up to full membership but also recognize there are many great applicants and would be honored to continue to serve as an alternate if needed.

9. Randal Endsley

==Personal Information==

Council District: District #6

Date of Birth: November 11, 1988

Do you reside or work within City of Austin boundaries? : Yes

Do you currently hold elective office? : No

Gender: Male

Racial/Ethnic Background: Hispanic/White

Please list names, email addresses, and phone numbers of two people who may be contacted as references:

Shawn Bertram, 512-461-9809 & 512-942-6232, Sbertram@halff.com

Alexander Huth, 210-275-0191, Alexander.t.huth@gmail.com

What area(s) of town are you particularly knowledgeable of within Austin? North Austin, Central Austin, Downtown Austin

==Education, Employment and Skills==

Current Employer: Halff Associates

Occupation: Design Engineer

Education: Bachelor of Science, Civil Engineering, University of Texas at San Antonio

Employment and Volunteer Activities : Design Engineer on numerous trail projects including Brazos Park East and Brazos Riverwalk Extension in Waco, TX, Killeen Ft-Hood Regional Trail, as well as the YBC Urban Trail for the City of Austin. Yearly participant in City of San Antonio's Siclovía.

Skills and Experience:

Experienced with numerous technical manuals as they regard to bicycle infrastructure as well as versed in master planning initiatives and smart growth methods.

Extensive travel that has allowed a better understanding of varying infrastructure networks and how they relate to the general public.

Well versed in the following:

AASHTO Guide for the Development of Bicycle Facilities

NACTO Urban Bikeway Design Guide & Urban Street Design Guide

SmartCode (Bicycling Module)

City of Austin Urban Trail Master Plan

==Your Interest in the BAC==

Why do you want to serve on the Bicycle Advisory Council? I want to give back to the City, using my skill set and passion, so that the City can continue to be a leader in sustainable growth. I would like to help shape the future of the City of Austin by providing input on the decisions being made regarding their bicycle network and other multi modal transportation options.

I'd like to use my traveling experience to give the City insight on what works and what doesn't in different parts of the country.

Coming from a City without a prominent bicycle infrastructure, I want to make sure the City of Austin never succumbs to a similar fate.

Describe your bicycle use (check all that apply): I bike for transportation in good weather

If you answered "other" above, please explain:

What issues or topics do you think the Bicycle Advisory Council should address? :

Issues:

Expansion of the City's "High-Comfort" roads

Reduce Street congestion

Creating actionable plans for the City's master planning initiative

Addressing major thoroughfare intersections to connect and advance the bicycle network.

Can you commit to being in attendance at regular meetings and subcommittee meetings, as well as participate in the work of the BAC?

Can you commit to being in attendance at monthly meetings and participate in the work of the BAC? : Yes

Are there any obstacles to you attending regularly scheduled meetings of the BAC? No

If you chose "yes" in response to the question above, please explain:

Are you interested in being considered for a position as full (voting) member, alternate (non-voting) member, or both? Both

10. Carl Zapffe

==Personal Information==

Council District: District #8

Date of Birth: November 30, 1956

Do you reside or work within City of Austin boundaries? : Yes

Do you currently hold elective office? : No

Gender: Male

Racial/Ethnic Background: caucasian

Please list names, email addresses, and phone numbers of two people who may be contacted as references:

Kent Browning cxagent@gmail.com

Charles Riou charlie.riou@gmail.com

What area(s) of town are you particularly knowledgeable of within Austin? South

==Education, Employment and Skills==

Current Employer: Retired

Occupation: Owned The Bakehouse Restaurant for 31 years

Education: BS Cornell University

Employment and Volunteer Activities :

Austin Ridge Riders, trail steward, Violet Crown Trail

Red Cross: Disaster Assessment, Sheltering, Distribution

Skills and Experience:

Bike riding

Juggling

==Your Interest in the BAC==

Why do you want to serve on the Bicycle Advisory Council? To promote bicycling in Austin. Making it safer, more connected, and more acceptable to non-bikers

Describe your bicycle use (check all that apply): I am a regular recreational rider

If you answered "other" above, please explain:

What issues or topics do you think the Bicycle Advisory Council should address? : To remember to include single track mountain bike trails in the planning as well as road bike lanes too.

Can you commit to being in attendance at regular meetings and

subcommittee meetings, as well as participate in the work of the BAC?

Can you commit to being in attendance at monthly meetings and participate in the work of the BAC? : Yes

Are there any obstacles to you attending regularly scheduled meetings of the BAC? No

If you chose "yes" in response to the question above, please explain:

Are you interested in being considered for a position as full (voting) member, alternate (non-voting) member, or both? Both

Additional comments:

11. Scott Boone

==Personal Information==

Council District: District #1

Date of Birth: August 28, 1985

Do you reside or work within City of Austin boundaries? : Yes

Do you currently hold elective office? : No

Gender: Male

Racial/Ethnic Background: White

Please list names, email addresses, and phone numbers of two people who may be contacted as references:

Donald Garrett | frontfrontfront@gmail.com | 512.777.8055

Sophie Kelmenson | sophiekelmenson@gmail.com | 207.659.2118

What area(s) of town are you particularly knowledgeable of within Austin? East Austin (home), North Central Austin (former home), Northwest Austin (work)

==Education, Employment and Skills==

Current Employer: Cambridge Systematics

Occupation: Transportation Analyst

Education:

BS, North Carolina State University, Mathematics (2008)

MCRP, University of North Carolina at Chapel Hill, City and Regional Planning (Transportation Focus) (2015)

MS, University of North Carolina at Chapel Hill, Environmental Engineering (Air Quality Focus) (2015)

Employment and Volunteer Activities :

Transportation Analyst, Cambridge Systematics (Austin, TX 2015-)

Town of Carrboro Transportation Advisory Board (Carrboro, NC 2014-2015)

Transportation Intern, San Francisco Municipal Transportation Agency (San Francisco, CA 2014)

Occupancy Analyst, BRIDGE [Affordable] Housing (San Francisco, CA 2009-2012)

Volunteer at Bike Coops (San Francisco, CA 2009-2012; Raleigh, NC 2006-2008)

Skills and Experience: Urban and rural transportation planning, bicycle and pedestrian street treatments, bicycle repair, smashing the patriarchy, transit-cycling interfaces, economic and demographic analysis, digital and print mapmaking, trackstands,

community outreach, scary air quality statistics. I can't draw my way out of a wet paper bag, though.

==Your Interest in the BAC==

Why do you want to serve on the Bicycle Advisory Council? I think I could bring a voice with a background in both technical and community issues; I'm also a good listener; I like bicycles a lot.

Describe your bicycle use (check all that apply): I bike for transportation year-round

If you answered "other" above, please explain:

What issues or topics do you think the Bicycle Advisory Council should address? : EQUITY, network connectivity, cool ramps, bicycle crossings at busy roads, stroads, reets, more bicycle stations, making sure bike lanes are on streets with trees cause it gets really hot riding down guadalupe, maybe changing the name of guadalupe to guadalupefiasco (we can talk more about that later)

Can you commit to being in attendance at regular meetings and subcommittee meetings, as well as participate in the work of the BAC?

Can you commit to being in attendance at monthly meetings and participate in the work of the BAC? : Yes

Are there any obstacles to you attending regularly scheduled meetings of the BAC? No

If you chose "yes" in response to the question above, please explain:

Are you interested in being considered for a position as full (voting) member, alternate (non-voting) member, or both? Both
Additional comments: Happy to help if you need it!

12. Teresa Anderson

==Personal Information==

Council District: District #9

Date of Birth: September 24, 1961

Do you reside or work within City of Austin boundaries? : Yes

Do you currently hold elective office? : No

Gender: Female

Racial/Ethnic Background: Caucasian

Please list names, email addresses, and phone numbers of two people who may be contacted as references:

Carolyn DeFoore, cdefoore@gmail.com, 512-897-4078

Cindy Black, cindy@hellokitchen.net, 214-796-5637

What area(s) of town are you particularly knowledgeable of within Austin? Central Austin, Hyde Park, Rosedale, Crestview, Brentwood, Tarrytown, Brykerwoods, and 51st east of IH35, Mueller, etc.

==Education, Employment and Skills==

Current Employer: Rapisource, LLC; I am a contractor to the State

of Texas Health and Human Services Commission (HHSC)

Occupation: Senior Business Systems Analyst

Education:

B.S. Applied and Physical Geography with a minor in Chemistry

Certified Business Analyst Professional, CBAP

Employment and Volunteer Activities :

Was an environmental consultant for 15 years before working in software as a Business Analyst (the next 12 years).

I am well versed in Clean Air and Clean Water regulations and policy.

I am a volunteer board member (VP of Marketing) of the Austin Chapter of International Institute of Business Analysis (IIBA).

Skills and Experience:

I am an avid cyclist for transportation and fitness. I was a Pro/Expert mtn bike racer from ~1997 to 2000 and former Texas State champion.

I have bike commuted to several different jobs since 2003 (when conditions allowed).

I am an international traveler (~27 countries) and have studied urban design and multi-modal transportation.

I have ridden RAGBRAI 3-4 times and have ridden bikes on five continents.

I believe in bikable and walkable cities and try not to drive my car when weather permits (my 2002 MINI Cooper only has 66k miles on it).

==Your Interest in the BAC==

Why do you want to serve on the Bicycle Advisory Council?

I would like to help make cycling safer for all types of riders; many of my friends would bike commute if they felt they would not get run over by distracted and/or aggressive drivers.

My experience with riding in other countries makes me want to implement their successful ideas in Austin.

I love the Walnut Creek trail and would like to see other trails like that in Austin.

Describe your bicycle use (check all that apply): I bike for transportation year-round

If you answered "other" above, please explain: Your system only allowed me to choose one choice above; I am also a regular recreational rider.

What issues or topics do you think the Bicycle Advisory Council should address? : Bicycle infrastructure to make bike commuting more accessible for nonexpert riders and kids.

Can you commit to being in attendance at regular meetings and subcommittee meetings, as well as participate in the work of the BAC?

Can you commit to being in attendance at monthly meetings and participate in the work of the BAC? : Yes

Are there any obstacles to you attending regularly scheduled meetings of the BAC? No

If you chose "yes" in response to the question above, please explain:

Are you interested in being considered for a position as full (voting) member, alternate (non-voting) member, or both? Both

13. Brandon Copley

==Personal Information==

Council District: District #6

Date of Birth: August 7, 1987

Do you reside or work within City of Austin boundaries? : Yes

Do you currently hold elective office? : No

Gender: Male

Racial/Ethnic Background:

Please list names, email addresses, and phone numbers of two people who may be contacted as references:

Kevin Koym - kevin@techranchaustin.com - (512) 339-3242

Clint Bradford - (512) 293-5731

What area(s) of town are you particularly knowledgeable of within Austin? I am very familiar with central & north Austin. I ride around 250-300 miles per week in/around Austin between commuting, racing, and training.

==Education, Employment and Skills==

Current Employer: Giftnix

Occupation: CEO

Education:

Bachelor of Science in Electrical Engineering from UT Austin

Masters of Science in Electrical Engineering from UNT

Employment and Volunteer Activities :

I volunteer with Violet Crown Cycling.

I ride and am an active member of the TEC Cycling Club.

Skills and Experience: I am an Ironman triathlete, category 4 road racer, experienced businessman, and have run 2 successful businesses to date. I am heavily involved in the tech startup community around Austin, and love to see Austin as a great vibrant city, and believe that cycling is part of the solution to scaling our transportation infrastructure in this growing city.

==Your Interest in the BAC==

Why do you want to serve on the Bicycle Advisory Council? I would like to serve on the Bicycle Advisory Council because I believe that my background in business and in cycling will help me to lead and solve issues that are affecting our city with a pleasant demeanor that understands the problems both drivers and cyclists have with each other and with other vehicles on the road.

Describe your bicycle use (check all that apply): I bike for transportation year-round

If you answered "other" above, please explain:

Brandon Copley is an avid cyclist and uses his bike for all of the above. He rides his bike as transportation year round (11 mile round trip commute from his office). He also regularly bikes 250-300 miles per week total for transportation, fun and for

exercise. He has also gotten his family into cycling and his wife rides 30-60 miles per week for fun and for exercise.

Brandon and his wife have a 9 month old daughter, Ellie, that is not yet riding, but will be riding as soon as she is old enough to ride safely. Brandon is also a competitive athlete and participates in numerous road races around Texas and United States, he also is involved in the weekly Criterium racing series at the Driveway in Austin.

What issues or topics do you think the Bicycle Advisory Council should address? :

I believe we have a few issues to address:

Education - Both drivers and cyclists are not aware of the rules of the road.

Safety - It is paramount that we understand cars and cyclists are different vehicles and in order to be safe we must treat them as such.

Awareness - It is important for drivers to KNOW about cyclists on the road and for cyclists to anticipate drivers actions.

Can you commit to being in attendance at regular meetings and subcommittee meetings, as well as participate in the work of the BAC?

Can you commit to being in attendance at monthly meetings and participate in the work of the BAC? : Yes

Are there any obstacles to you attending regularly scheduled meetings of the BAC? No

If you chose "yes" in response to the question above, please explain:

Are you interested in being considered for a position as full (voting) member, alternate (non-voting) member, or both? Both

Additional comments: Thanks so much for the consideration, As an Austinite, I believe that my experience both with cycling and entrepreneurship will greatly help the city as we continue working not only in the greatest city in Texas, but in my favorite city in the world.

14. Thomas Rowlinson

==Personal Information==

Council District: District #3

Date of Birth: April 24, 1988

Do you reside or work within City of Austin boundaries? : Yes

Do you currently hold elective office? : No

Gender: Male

Racial/Ethnic Background: White

Please list names, email addresses, and phone numbers of two people who may be contacted as references:

Patricia Wilson patriciawilson@utexas.edu (512) 443-4114

Jana McCann janam@mccannadamsstudio.com (512) 585-4100

What area(s) of town are you particularly knowledgeable of within Austin? North Loop; East Austin; South First & William Cannon

==Education, Employment and Skills==

Current Employer:

McCann Adams Studio
515 Congress Ave. Suite 1600
Austin, TX

Occupation: Urban Planner

Education:

MS Community and Regional Planning, 2015
University of Texas at Austin

BA Geography, 2010

McGill University

Employment and Volunteer Activities :

Previous Experience:

Managing Editor of Planning Forum, University of Texas School of Architecture (2015)

Teaching Assistant on participatory planning, University of Texas School of Architecture (2014-2015)

Project Leader, Urban Agriculture, City of Montreal (2011)

Project Leader, Public Interest Design, McGill University (2011)

Skills and Experience: I have experience in public interest design, as well as urban planning for greenways and using rights-of-way for pedestrian and cyclist use. Through my graduate studies I have been involved in public engagement and participation in the planning of a range of local projects, including the South Central Waterfront, Colony Park, and Rosewood Courts, among others. I am literate in traffic engineering documents, capable of producing planning documents (sections, plans, drawings), and able to work as part of a team in technically-demanding workflows.

==Your Interest in the BAC==

Why do you want to serve on the Bicycle Advisory Council? I am a cyclist, first and foremost. I have cycled as my main form of transportation for most of my life. I am very familiar with Austin's bicycle network, and have marveled at its growth and improvement since moving here in 2012. I very much wish to encourage bicycling in our city, especially among underserved communities, such as those who bear heavy financial burdens from automobile commutes. As Austin grows, cycling is, to me, one of the most critical ways in which vehicular congestion may be alleviated. Safety remains a major concern for cyclists, and providing paths that make new cyclists feel safe is essential to increasing ridership. I intend to work toward the goal of increased new ridership through providing safe, efficient paths. Describe your bicycle use (check all that apply): I bike for transportation year-round

If you answered "other" above, please explain:

What issues or topics do you think the Bicycle Advisory Council should address? : Feeling safe, especially for new riders. Youth and children ridership who commute to schools.

Can you commit to being in attendance at regular meetings and subcommittee meetings, as well as participate in the work of the BAC?

Can you commit to being in attendance at monthly meetings and participate in the work of the BAC? : Yes

Are there any obstacles to you attending regularly scheduled meetings of the BAC? No

If you chose "yes" in response to the question above, please explain:

Are you interested in being considered for a position as full (voting) member, alternate (non-voting) member, or both? Both

15. Seth Feder

==Personal Information==

Council District: District #5

Date of Birth: February 1, 1965

==Education, Employment and Skills==

Current Employer: University of Texas Dell Medical School

Occupation: Director of Information Technology

Education: MS UTDallas, BS engineering ASU

Employment and Volunteer Activities : None related to bicycling

Skills and Experience: Engineering, IT, technology in general

==Your Interest in the BAC==

Why do you want to serve on the Bicycle Advisory Council? I have been riding the streets of Austin for 10 years and believe it could be made much safer for both cyclists and motorists. I believe we can all share the same roads with minor changes. The city livability and quality of life can be improved through greater access to bicycling.

Describe your bicycle use (check all that apply): I am a regular recreational rider

If you answered "other" above, please explain: I also bike for transportation year round

What issues or topics do you think the Bicycle Advisory Council should address? :

Clearly communicated and designed bike routes built for transportation

Improved street markings
Rider behavior and responsibilities
Work with police on law enforcement priorities
Can you commit to being in attendance at regular meetings and subcommittee meetings, as well as participate in the work of the BAC?
Can you commit to being in attendance at monthly meetings and participate in the work of the BAC? : Yes
Are there any obstacles to you attending regularly scheduled meetings of the BAC? No
If you chose "yes" in response to the question above, please explain:
Are you interested in being considered for a position as full (voting) member, alternate (non-voting) member, or both? Both
Additional comments: Thank you for this opportunity.

16. Tomasita Louviere-Lignons

Bo Holland 512-913-1923

Brent Johnson 512-905-2580

What area(s) of town are you particularly knowledgeable of within Austin? South Lamar, Downtown

==Education, Employment and Skills==

Current Employer:

AllClear ID

823 Congress Ave

Suite 300

Austin, TX 78701

Occupation: VP of Product

Education: Graduate-level education. UCSC, Stanford.

Employment and Volunteer Activities : N/A

Skills and Experience: I am a published author and a recognized expert in prioritization and strategic planning in the technology/security sector.

==Your Interest in the BAC==

Why do you want to serve on the Bicycle Advisory Council? I would like to give back to the community. Currently, I am under-serving my community and would like to start in an area about which I am

passionate.

Describe your bicycle use (check all that apply): I bike for transportation year-round

If you answered "other" above, please explain:

What issues or topics do you think the Bicycle Advisory Council should address? : Rider education to foster improved relationships with drivers. I see too many bicyclists riding down the center or even in the left-hand lanes blocking traffic. As a full-time cyclist, I certainly understand the safety issues.

However, I believe that better rider education would help improve car-drive attitudes toward riders and, as a result, reduce the kind of rage toward cyclists that might contribute to accidents.

Can you commit to being in attendance at regular meetings and subcommittee meetings, as well as participate in the work of the BAC?

Can you commit to being in attendance at monthly meetings and participate in the work of the BAC? : Yes

Are there any obstacles to you attending regularly scheduled meetings of the BAC? No

If you chose "yes" in response to the question above, please explain:

Are you interested in being considered for a position as full (voting) member, alternate (non-voting) member, or both? Both

Additional comments: Thank you for your consideration.

18. Peter Marsh, PE

==Personal Information==

Council District: District #10

Racial/Ethnic Background: Caucasian - First generation immigrant

Please list names, email addresses, and phone numbers of two people who may be contacted as references:

Chad Crager, PE; crager@mac.com; 512.923.4649

Neil Kopper, PE; koppernh@gmail.com; 501.442.0847

What area(s) of town are you particularly knowledgeable of within Austin? Citywide - I am retired from the City of Austin

Transportation Department

==Education, Employment and Skills==

Current Employer: Retired

Occupation: Civil / Transportation Engineer

Education:

Engineering degree

Registered Professional Engineer - State of Texas

Employment and Volunteer Activities :

I am retired from the City of Austin Transportation Department where I was the Supervising Engineer with the Transportation Engineering group of the City's Transportation Department

During my engineering career, both in the UK and in the US I have been an advocate for "alternative transportation", bicycle and pedestrian as it was known - now active transportation.

In my position with the City of Austin I worked closely with the Bicycle and Pedestrian program in reviewing their projects to ensure that they were sound and safe from an engineering perspective

Skills and Experience:

Registered Professional Engineer - State of Texas

Institute of Transportation Engineers - Life member

40 plus years professional experience advocating for bicycling as a mode of transport other than the automobile.

Active in the Bikes Belong program advocating for separated bike facilities.

==Your Interest in the BAC==

Why do you want to serve on the Bicycle Advisory Council?

I have been an advocate for bicycling as a mode of transport for most of my professional career, and feel that in retirement I can continue this support for bicycling, and offer the Bicycle Advisory Council my professional knowledge and engineering expertise.

Describe your bicycle use (check all that apply): I am a regular recreational rider

If you answered "other" above, please explain:

What issues or topics do you think the Bicycle Advisory Council should address? :

Safe biking and providing safe biking facilities for all bicycle riders should be the BAC's top priority, along with connectivity of bicycling facilities.

Separated bike lanes - Austin was one of the leaders in the US in implementing separated lanes and should continue to do so.

Urban Trails - can provide off road connectivity for bicyclists.

Can you commit to being in attendance at regular meetings and subcommittee meetings, as well as participate in the work of the BAC?

Can you commit to being in attendance at monthly meetings and participate in the work of the BAC? : Yes

Are there any obstacles to you attending regularly scheduled meetings of the BAC? No

If you chose "yes" in response to the question above, please explain:

Are you interested in being considered for a position as full (voting) member, alternate (non-voting) member, or both? Both

19. Stanton Truxillo

What area(s) of town are you particularly knowledgeable of within Austin? West Austin, Tarrytown, downtown

==Education, Employment and Skills==

Current Employer: Retired

Occupation: Retired

Education:

BS physics, Loyola University, New Orleans, 1963

Ph D physics, La State University, Baton Rouge, 1969

Employment and Volunteer Activities :

physics professor, University of Tampa, 1970-1981

geoscientist, Amoco Production Company, 1981-1999

Skills and Experience:

past president, Austin Cycling Association

current Board member, Bike Austin

past Commissioner, Urban Transportation Commission

==Your Interest in the BAC==

Why do you want to serve on the Bicycle Advisory Council? TO add a more mature voice to the conversation regarding bike facilities and infrastructure.

Describe your bicycle use (check all that apply):

- I bike for transportation year-round

- I am a regular recreational rider

If you answered "other" above, please explain:

What issues or topics do you think the Bicycle Advisory Council should address? :

1. Bike infrastructure from a user's point of view.

2. Cyclists view of themselves in transportation

Can you commit to being in attendance at regular meetings and subcommittee meetings, as well as participate in the work of the BAC?

Can you commit to being in attendance at monthly meetings and participate in the work of the BAC? : Yes

Are there any obstacles to you attending regularly scheduled meetings of the BAC? Yes

If you chose "yes" in response to the question above, please explain: I spend 3 weeks in Raleigh, NC, three times per year.

Are you interested in being considered for a position as full (voting) member, alternate (non-voting) member, or both?
Alternate Member Only

20. Louis Alcorn

-Working Proficiency in Spanish Language

Certifications:

-Systematic Development of Informed Consent: Institute of Participatory Management and Planning, May 2015

-Environmental Justice: National Transit Institute – Rutgers University, September 2015

-Compact & Connected: Congress for New Urbanism, City of Austin, January 2016

-Designing for Pedestrian Safety 201: UNC Highway Safety Research Center, March 2016

==Your Interest in the BAC==

Why do you want to serve on the Bicycle Advisory Council?

As a frequent bicycle commuter and active transportation enthusiast, I am interested in devoting my time and expertise to the promotion of sustainable, space-efficient modes of transportation, namely the bicycle. In my work as a transit service planner for Capital Metro, I contemplate, analyze, design

and promote multimodal complete streets in an effort to prioritize transit services and bicycle + pedestrian access to our system every day. I am consistently out and about in the field all throughout the city to observe and analyze service issues and impacts and consequently have a lot of on the ground experience with bus, bike, pedestrian and automotive interaction along our city streets.

Ultimately, at the end of the day, I think that our city is way behind where we need to be in terms of promoting and designing for active transportation. The automobile is still the dominant driving force of transportation engineering and space allocation along upwards of 99% of our roadways. At the rate of growth that Austin is currently experiencing, this auto-oriented standard mindset cannot continue to be the status quo going forward. Difficult decisions will need to be made some time in our immediate future to help shape our city for the better and I want to be a part of the Bicycle Advisory Council to be a part of that conversation.

Describe your bicycle use (check all that apply):

- I bike for transportation year-round
- I occasionally ride for fun and/or exercise

If you answered "other" above, please explain:

What issues or topics do you think the Bicycle Advisory Council should address? :

- Championing and promoting the funding and implementation of the Bicycle Master Plan
- Serving as a proponent of Vision Zero
- Serving as a proponent and advisor of B-cycle bikeshare system expansion
- Analyzing and responding to funding and bond proposals related to transportation
- Analyzing and providing feedback to City of Austin corridor plan processes.
- Promoting multimodal (transit, bike, & pedestrian) complete street design that prioritizes safety and space efficient + sustainable modes of travel OVER the personal automobile
- Addressing and solving issues between multimodal travel including bicycle trips combined with transit trips

Can you commit to being in attendance at regular meetings and subcommittee meetings, as well as participate in the work of the BAC?

Can you commit to being in attendance at monthly meetings and participate in the work of the BAC? : Yes

Are there any obstacles to you attending regularly scheduled meetings of the BAC? No

If you chose "yes" in response to the question above, please explain:

Are you interested in being considered for a position as full (voting) member, alternate (non-voting) member, or both? Both

21. Dale Weisman

==Personal Information==

==Education, Employment and Skills==

Current Employer:

Silicon Labs, 400 W. Cesar Chavez, Austin 78701

Occupation: Global Public Relations Manager

Education: BA, Plan II (concentration in English), University of Texas at Austin

Employment and Volunteer Activities :

Employment: More than 20 years in public relations and corporate communications in the high-tech industry working in Austin at companies such as AMD, Freescale (now NXP), Silicon Labs, Pervasive Software and others. I have also been a freelance writer on nature/travel topics, contributing to publications such as Texas Highways Magazine and Texas Parks & Wildlife Magazine for more than 20 years.

Volunteer activities include Movability Austin board member (current), Capital Area Master Naturalists (CAMN), and Big Brothers of Austin (long-time volunteer when I was in my 20s and 30s)

Skills and Experience:

Writing (articles, press releases, blogs, speeches, talking points, etc.)

Public relations (local and national in the tech industry; also relationships with Austin American Statesman reporters including Ben Wear)

Corporate/marketing communications

Copywriting

Public speaking

Digital photography

Cycling (of course!)

==Your Interest in the BAC==

Why do you want to serve on the Bicycle Advisory Council? I love bicycles and biking. I've been riding throughout my adult life – more than 40 years – and will bring a unique perspective to the advisory committee as a “senior rider.” I enjoy cycling for health and recreation and also for utilitarian purposes – commuting to my downtown office at Silicon Labs, running errands, and attending events free from the hassles of parking and navigating traffic. As a long-time Austinite and Zilker neighborhood resident, I am deeply concerned about Austin's transportation future. I currently represent Silicon Labs as a board member of Movability Austin, an initiative working in collaboration with the Downtown Austin Alliance to help solve gridlock and parking problems in the downtown district, as well as supporting the city's broader 20/20 Mobility Solutions. Honestly, I am not optimistic that the city will be able to implement comprehensive public transportation modalities such as a citywide light rail system or other “people mover” technologies within a meaningful time frame. Given the funding and political challenges facing light rail, it will be many years if not decades until we have a rail-based system in place. Furthermore, we can't “Uber” (rideshare) our way out of our traffic woes. Ditto for toll roads in and around Austin. And while road infrastructure improvements, as proposed in the forthcoming bond election, will help alleviate some of Austin's crushing traffic, it's not enough. I sincerely believe that if more Austinites used bicycles instead of cars, especially in the downtown/inner city area, we would see a noticeable improvement in our traffic situation. I travel to Europe and Asia often for business and marvel at how prevalent cycling is in great cities like Munich, Amsterdam, Taipei and Beijing. Yes, Austin is a biking town, and there is indeed a strong cycling community here (especially among enthusiasts and competitive racers). But we can do more to enhance Austin's bike commuting scene, much like in Portland and Seattle, which are good urban models. We can do more to encourage biking throughout Austin with the expansion of safe, convenient bikeways and by promoting bike safety and best practices for recreational and commuting cyclists. For these reasons, I am eager to join Austin's Bicycle Advisory Council (BAC) – to share my perspectives and PR/marketing skills, have a voice at the table, serve as an advocate for all types of cyclists, and play a positive role in enhancing Austin's transportation future.

Describe your bicycle use (check all that apply):

- I bike for transportation year-round
- I am a regular recreational rider

If you answered "other" above, please explain:

What issues or topics do you think the Bicycle Advisory Council should address? :

After perusing BAC's bylaws and several recent meeting summaries, I am impressed at the depth of the council's engagement with bikeway planning and implementation. When I have an opportunity to dig deeper into bikeway plans and issues, I am

confident that I will make meaningful contributions to council discussions. Here are a few initial items of interest:

1) The completion of the bicycle/pedestrian bridge over Barton Creek and Loop 360 at MoPac and pending extension of a bikeway on the west side of MoPac will provide a much-needed corridor for cyclists living in south and southwest Austin who want to pedal downtown and to central and north Austin. Once the bridges are open, the BAC can do much to promote this new bikeway as a safe and convenient route for cyclists.

2) While I am a strong proponent of safe, dedicated bicycle lanes, I believe we should look for cost-effective and innovative ways to create and expand bikeways – without necessarily eliminating existing car lanes. This is a very contentious subject. We should remain open to all solutions that ease the testy “bikes vs cars” mentality that is becoming more prevalent in Austin.

3) There are too many car-related bike injuries and fatalities in Austin. Even a few such incidents a year is too many. I am very interested in initiatives to promote safe cycling practices as well as helping to educate auto drivers to be more respectful and watchful when it comes to sharing the road with cyclists.

4) Austin’s B-Cycle bike-sharing program is a success story worthy of expansion. I am intrigued by a pilot program to include e-bikes (electric-assisted bikes) as part of the B-Cycle offering. Easy access to e-bikes (through B-Cycle, other rentals and even private ownership) holds the potential of attracting many new riders who otherwise might not ride due to Austin’s hilly terrain and six months of heat.

5) I believe we are all aware of what might called “working-class cyclists” – a segment of the biking population that remains largely invisible, which includes those who cannot afford cars and who rely on inexpensive bicycles to get around town out of necessity, and even survival. This article provides a good summary:

<http://www.bicycling.com/culture/advocacy/how-low-income-cyclists-go-unnoticed>.

Perhaps the BAC is already addressing this segment of the Austin cycling community, and if not, we should. We should study and understand the unique needs of this cycling population and look for ways to make their commutes safer and easier.

Can you commit to being in attendance at regular meetings and subcommittee meetings, as well as participate in the work of the BAC?

Can you commit to being in attendance at monthly meetings and participate in the work of the BAC? : Yes

Are there any obstacles to you attending regularly scheduled meetings of the BAC? No

If you chose “yes” in response to the question above, please explain:

Are you interested in being considered for a position as full (voting) member, alternate (non-voting) member, or both? Both

Additional comments: I look forward to the opportunity to contribute to BAC and play a role in making Austin one of the

most bike-friendly cities on the planet.

22. Alicia Santiago

==Personal Information==

Council District: District #1

Date of Birth: September 27, 1990

Do you reside or work within City of Austin boundaries? : Yes

Do you currently hold elective office? : No

Gender: Female

Racial/Ethnic Background: Hispanic/Latina and Caucasian

Please list names, email addresses, and phone numbers of two people who may be contacted as references:

Eric Imhof, eimhof@camp-fire.org 717-319-2936

Scott Fredrickson, sfredrickson90@gmail.com, 708-257-4657

What area(s) of town are you particularly knowledgeable of within Austin? Hyde Park, UT campus, Windor Park, Mueller, downtown, East MLK/sringdale, Govalle

==Education, Employment and Skills==

Current Employer:

Camp Fire Central Texas (FT)

Waterloo Records (PT/temp)

Occupation: Development Director

Education: Bachelor of Arts in Arts Management, minor in Comparative Literature from SUNY Purchase

Employment and Volunteer Activities :

At Camp Fire, I work with other local nonprofit organizations and build partnerships. I have professional experience with fundraising, marketing, and the public sector.

I began at Camp Fire as an AmeriCorps VISTA (Volunteers in Service to America), working to eliminate poverty while living in poverty myself. I know how to work with a variety of constituents and learned first-hand about transportation equity.

Skills and Experience:

As a Camp Fire employee, I received a scholarship to attend the Children in Nature Conference, where I deepened my knowledge of how built and natural environments affect children, families, and communities.

I have extensive experience in events coordinating, including public awareness events. I also take minutes at every Camp Fire board meeting and have a proven track record of researching and writing grants. I have a broad knowledge of local nonprofit organizations, foundations, and the public sector.

==Your Interest in the BAC==

Why do you want to serve on the Bicycle Advisory Council?

When I first moved to Austin, I didn't understand why people complained about the public transportation. I lived in Hyde Park, so I could easily get anywhere within a bike ride or bus ride. As I've lived here longer and had to move further out of central Austin, I now understand what everyone was complaining about! I lived in Windsor Park for 2 years and now live east off of Webberville, close to 183. It's been difficult to live the 100% active transportation life I used to live in Hyde Park. I ride my bike and take the bus for my work commute everyday, but I want to see improvements in my neighborhood and other parts of Austin so we can all use active transportation more. I would especially like to see bicycle transportation and bicycle safety improvements in the lower-income parts of town.

I want to join the Bicycle Advisory Council to give input on how to improve bicycle transportation in this city so more people will use active transportation, especially cycling. My goal for the future is to go to graduate school for Urban and Regional Planning, and I would love to join the BAC to get a better understanding of the ins and outs of city planning.

Describe your bicycle use (check all that apply):

- I bike for transportation year-round
- I bike for transportation in good weather
- I am a regular recreational rider

If you answered "other" above, please explain:

What issues or topics do you think the Bicycle Advisory Council should address? : Protected bike lanes across the city, education and outreach to drivers and cyclists, bike lanes in major corridors (Lamar, Airport), possibly children biking to school

Can you commit to being in attendance at regular meetings and subcommittee meetings, as well as participate in the work of the BAC?

Can you commit to being in attendance at monthly meetings and participate in the work of the BAC? : Yes

Are there any obstacles to you attending regularly scheduled meetings of the BAC? No

If you chose "yes" in response to the question above, please explain:

Are you interested in being considered for a position as full (voting) member, alternate (non-voting) member, or both?

Alternate Member Only

Additional comments: Thank you for the opportunity to join the BAC! I am looking forward to hearing from you.

23. Tom Thayer

==Personal Information==

Council District: District #8

Date of Birth: October 8, 1975

Do you reside or work within City of Austin boundaries? : Yes

Do you currently hold elective office? : No

Gender: Male

Racial/Ethnic Background: Anglo/white/caucasian

Please list names, email addresses, and phone numbers of two

people who may be contacted as references:

Carol Cespedes ccespedes39@gmail.com 512-288-7808

Beki Halpin texeagle@aol.com 512-288-4080

What area(s) of town are you particularly knowledgeable of within Austin? I am familiar with most of Austin south of US 183 but have especially good knowledge of the area from Downtown southward.

==Education, Employment and Skills==

Current Employer: State of Texas, Division for Assistive and Rehab Services, Disability Determination Services

Occupation: Disability Examiner

Education: College, bachelors degree

Employment and Volunteer Activities :

Oak Hill Neighborhood Planning Contact Team 2008 to present.

BAC 2010 to present.

Oak Hill Trails Association.

Austin B-Cycle.

Skills and Experience:

I have been on the BAC since 2010, have been Chair for the past year, was Vice Chair the year prior.

I am active in my neighborhood associations and other local groups. I have a lot of experience working with diverse groups of people who don't always agree.

I commute by bicycle to work most days and do other riding around town for transportation purposes, so I am familiar with the bike network. I also have a lot of experience using Cap Metro in combination with biking.

I have lived in Austin for 23 years.

==Your Interest in the BAC==

Why do you want to serve on the Bicycle Advisory Council?

I love bicycling and would like to continue to help Austin build a safe bicycling network that serves all ages and abilities. I would like to continue to work with the diverse stakeholders that come before the BAC to find transportation solutions that work for everyone in the city.

Describe your bicycle use (check all that apply):

- I bike for transportation year-round
- I bike for transportation in good weather
- I occasionally ride for fun and/or exercise

If you answered "other" above, please explain:

What issues or topics do you think the Bicycle Advisory Council should address? :

Expanding the all ages and abilities bicycle network.

Ensuring road projects include a safe bicycle component.

Urban Trails.

Expanding bicycle infrastructure outside of the central city.

Improving bicycle facilities for underserved populations.

Implementing Vision Zero.

Can you commit to being in attendance at regular meetings and subcommittee meetings, as well as participate in the work of the BAC?

Can you commit to being in attendance at monthly meetings and participate in the work of the BAC? : Yes

Are there any obstacles to you attending regularly scheduled meetings of the BAC? No

If you chose "yes" in response to the question above, please explain:

Are you interested in being considered for a position as full (voting) member, alternate (non-voting) member, or both?

Alternate Member Only

Additional comments: I have been a full member for almost 6 years, so it is time for new full members. However, I would still like to stay involved as an alternate.

24. Heather Houser

==Personal Information==

Council District: District #1

Date of Birth: December 14, 1979

Do you reside or work within City of Austin boundaries? : Yes

Do you currently hold elective office? : No

Coleman Hutchison, coleman.hutchison@gmail.com, 847.212.1178

What area(s) of town are you particularly knowledgeable of within Austin? Area bounded by Ben White to south and N Loop to the north, Mopac to the west and Pleasant Valley to the east

==Education, Employment and Skills==

Current Employer: UT Austin, Dept. of English

Occupation: Associate Professor

Education:

B.A. 2001, Reed College, Portland, OR

M.A. & Ph.D. 2010, Stanford University, Stanford, CA

Employment and Volunteer Activities :

Professor of environmental studies at UT Austin (2011-present) and Williams College (2010-11)

Skills and Experience:

bike commuter since 2004 in Portland, OR; San Francisco, CA;

Austin, TX; Boston, MA

oral and written communication skills (published in academic and popular venues)

critical analysis

teaching of adult populations
intermediate Spanish (listening and speaking)

==Your Interest in the BAC==

Why do you want to serve on the Bicycle Advisory Council? I've been a bike commuter in several urban communities since 2004 (in Austin since 2011) and have not owned a car since 2001. This makes me intimately familiar with the bike, public transit, and pedestrian infrastructures and challenges where I reside. Austin is in a transition period, and I see the next 5 years as the time when the city will either invest in a complete-streets transformation that makes it a mobility exemplar in competition with Portland and Minneapolis or continue with cars-first business-as-usual. This transition is clear from Vision Zero, Mayor Adler's \$720-million mobility bond, and the successful confrontation with ride-hailing services Uber and Lyft. I'd like to participate in the transition to a safer, less car-centric, more environmentally sustainable city. I'm well-read in transportation issues, due to personal interest and through my studies of environmental issues as a tenured professor at UT. I've also been the victim of two car-on-bike accidents, the most recent in June, and recognize my personal safety and lifestyle is at stake in Austin's bike future. On the BAC, I would hope to learn more about Austin's current bike policies and initiatives as I lend my skills and passions to advocating for cycling.

Describe your bicycle use (check all that apply):

- I bike for transportation year-round
- I occasionally ride for fun and/or exercise

If you answered "other" above, please explain:

What issues or topics do you think the Bicycle Advisory Council should address? :

Traffic calming

Bike infrastructure (lanes above all, parking, bikes-on-transit, etc.)

Driver and cyclist education

Can you commit to being in attendance at regular meetings and subcommittee meetings, as well as participate in the work of the BAC?

Can you commit to being in attendance at monthly meetings and participate in the work of the BAC? : Yes

Are there any obstacles to you attending regularly scheduled meetings of the BAC? Yes

If you chose "yes" in response to the question above, please explain: At times, I'm required to attend work-related events in the evenings. However, they're rarely on Tuesdays.

Are you interested in being considered for a position as full (voting) member, alternate (non-voting) member, or both? Both

25. Tom Wald

==Personal Information==

Council District: District #9

Date of Birth: November 7, 1974

What area(s) of town are you particularly knowledgeable of within Austin? East Austin, Central Austin, South Austin, North Austin

==Education, Employment and Skills==

Current Employer: LegalMatch

Occupation: Sales

Education:

B.S. Physics, University of Minnesota, Twin Cities

B.A. Philosophy, University of Texas, Austin

LCI #2220

Employment and Volunteer Activities :

BAC since 2007

PAC

Walk Austin board

other

Skills and Experience:

BAC member during reformation in 2007

Bike Austin Executive Director 2009-2014

UT Orange Bike Project Co-Founder

==Your Interest in the BAC==

Why do you want to serve on the Bicycle Advisory Council?

I want to help make bicycling more accessible to more people.

I want to help make the BAC be more inclusive and more diverse.

Describe your bicycle use (check all that apply):

- I bike for transportation year-round

- I bike for transportation in good weather

- I occasionally ride for fun and/or exercise

If you answered "other" above, please explain:

What issues or topics do you think the Bicycle Advisory Council should address? : I would like (other) BAC members to feel more empowered to introduce items.

Can you commit to being in attendance at regular meetings and subcommittee meetings, as well as participate in the work of the BAC?

Can you commit to being in attendance at monthly meetings and participate in the work of the BAC? : Yes

Are there any obstacles to you attending regularly scheduled meetings of the BAC? No

If you chose "yes" in response to the question above, please explain:

Are you interested in being considered for a position as full

(voting) member, alternate (non-voting) member, or both? Full Member Only

Additional comments: I am currently serving an unexpired alternate term, and am applying for a full member position.

26. Lauren Travis

==Personal Information==

Council District: District #6

Date of Birth: August 27, 1979

Do you reside or work within City of Austin boundaries? : Yes

Do you currently hold elective office? : No

Gender: Female

Racial/Ethnic Background: Caucasian

Please list names, email addresses, and phone numbers of two people who may be contacted as references:

Laura Granfortuna - design@lazulicreative.com (336)317-2892

Julie Kennedy - julie@digitalcitydesigns.com (512)372-9292

What area(s) of town are you particularly knowledgeable of within Austin? North Austin: 78759, 78758, 78727, 78757

==Education, Employment and Skills==

Current Employer: n/a

Occupation: Homemaker

Education:

Bachelors of Arts from the University of California Santa Barbara with majors in Geography, Linguistics, and Anthropology.

Graduate coursework taken at the University of Texas at Austin through the School of Information.

Employment and Volunteer Activities : Member/volunteer with the Alliance for Responsible Transportation, Inc. (A.R.T.) Sarasota, Florida 2006

Skills and Experience:

Major coursework in geography and planning issues, with special study of the transportation elements of a General Plan. Academic emphasis included administrative challenges of managing growth, automobile vs. bicycle corridor development, major and minor arterial "Level of Service" evaluations, outreach to the Spanish speaking population, and environmental impacts to sensitive habitats. (The Goleta General Plan, Goleta, California 2006. rev. 2008, 2009)

==Your Interest in the BAC==

Why do you want to serve on the Bicycle Advisory Council? To effect positive change in my neighborhood and surrounding communities.

Describe your bicycle use (check all that apply):

- I bike for transportation year-round
- I bike for transportation in good weather
- I occasionally ride for fun and/or exercise
- I bike with my family

If you answered "other" above, please explain:

What issues or topics do you think the Bicycle Advisory Council should address? :

1. Enhanced physical security for bicycle parking in commercial districts.
2. Connectivity and safety issues for commuter and recreational cyclists.

Can you commit to being in attendance at regular meetings and subcommittee meetings, as well as participate in the work of the BAC?

Can you commit to being in attendance at monthly meetings and participate in the work of the BAC? : Yes

Are there any obstacles to you attending regularly scheduled meetings of the BAC? No

If you chose "yes" in response to the question above, please explain:

Are you interested in being considered for a position as full (voting) member, alternate (non-voting) member, or both? Both

27. Jeremy Hernandez

==Personal Information==

Council District: District #3

Date of Birth: July 27, 1979

Do you reside or work within City of Austin boundaries? : Yes

Do you currently hold elective office? : No

Gender: Male

Racial/Ethnic Background: Hispanic

Please list names, email addresses, and phone numbers of two people who may be contacted as references:

Assistant Director | Administration / Alternative Transportation

Blanca Gamez, bgamez@austin.utexas.edu, (512) 471-6214

Director of Parking and Transportation Services

Bobby J Stone, bjstone@austin.utexas.edu, (512) 471-2692

What area(s) of town are you particularly knowledgeable of within Austin?

The University of Texas at Austin,

East Riverside to 71 hwy

South Congress

Down Town Austin

==Education, Employment and Skills==

Current Employer:

University of Texas at Austin

Parking and Transportation Services

Occupation: Bike Coordinator at the University of Texas at Austin

Education:

Western Illinois University
BA, Broadcasting
2004 – 2007
Northeastern Illinois University

SERGEANT, UNITED STATES MARINE CORPS 1998-2002

Employment and Volunteer Activities :
Plan and impliment cycling infrastructure at University of Texas.

Manage social media for BikeUT via Twitter

UT Sustainibility round table member

Plan and administer UT's annual Bike Auction
Skills and Experience:

commuter via bike, bus, walking and car

actively networking and promoting cycling at the University of Texas

Lead bike advocacy events, Bike to UT Day

Management of student bike organization
Orange Bike Project

procurement and installation of cycling equipment such as bike racks, sharrows, fixit tool stations, bike lockers, and bike pumps

oversee bike registration and lost prevention promotion

team building, time management, customer service, public speaking, event planning, budgeting, leadership

==Your Interest in the BAC==

Why do you want to serve on the Bicycle Advisory Council? I want to be apart of a team that will make a lasting impact for the better. Being on the council will give me an opportunity to broaden, share and voice my educated opinion on cycling in and around Austin. It would be an exciting opportunity to engage with the city of austin and its constituents. I want the voices of cyclist to be heard and well understood.

Describe your bicycle use (check all that apply):

- I bike for transportation year-round
- I bike for transportation in good weather
- I am a regular recreational rider
- I occasionally ride for fun and/or exercise
- I bike with my family

If you answered "other" above, please explain:

What issues or topics do you think the Bicycle Advisory Council

should address? :

rules and regulations for cycling

safe routes and their use

path of least resistance routes

bike and bus promotion

youth cycling groups and learning to ride young

learning to share the road and promotion

bike registration and promotion

theft prevention, how to lock your bike

bike parking options and locations

Bike ride share

e-bikes and their future

bike safety (both for a driver and a rider)

health benefits of cycling

Can you commit to being in attendance at regular meetings and subcommittee meetings, as well as participate in the work of the BAC?

Can you commit to being in attendance at monthly meetings and participate in the work of the BAC? : Yes

Are there any obstacles to you attending regularly scheduled meetings of the BAC? No

If you chose "yes" in response to the question above, please explain:

Are you interested in being considered for a position as full (voting) member, alternate (non-voting) member, or both? Both

Additional comments:

Thank you for your time.

Jeremy Hernandez
