**ANALYSIS / ADDITIONAL INFORMATION:** The goal of the Interlibrary Loan Reimbursement Program is to support and encourage libraries to participate in a statewide interlibrary loan resource sharing effort by providing partial reimbursement for direct, out-of-pocket costs associated with participation in the program. The funding of \$9,500 represents a partial reimbursement from the Texas State Library and Archives Commission for our participation in the program and will be applied to expenses already incurred in FY 2016 in support of the program. There is no matching component and there are no FTE's associated with this grant. The General Fund will not be required to contribute additional funds beyond those currently budgeted to this grant. When the grant funds expire, the Library Department's need for continuing funding will be evaluated and may be denied.
