ZONING CHANGE REVIEW SHEET

CASE: C14-2016-0074 (Element Hotel)                      P.C. DATE: August 9, 2016

ADDRESS: 10728 Burnet Road

DISTRICT AREA: 7

OWNER: DBG Austin Domain, LLC

AGENT: Bennett Consulting (Rodney Bennett)

ZONING FROM: MI-PDA          TO: MI-PDA          AREA: 1.50 acres

SUMMARY STAFF RECOMMENDATION:

The staff’s recommendation is to grant the MI-PDA amendment for this site.

PLANNING COMMISSION RECOMMENDATION:

DEPARTMENT COMMENTS:

The property in question (The Domain-Endeavor site) is currently a vacant lot within an area that is developed with a mixture of high density residential, office and commercial uses. The applicant is requesting to amend Ordinance No. 20071101-056 for the property located at 10728 Burnet Road, Lot 1-C, The Domain Section 2 Subdivision, which is a Resubdivision of Lot 1, Block A. It is proposed that the language of the ordinance be amended for the subject property’s parking requirement to revert to the City of Austin Land Development Code requirements. The current ordinance states that a commercial uses shall provide one parking space for every 325 square feet of gross building area. This change would allow for a hotel/motel use to meet the parking ratio of 1:1 parking spaces for each room. (Please see Zoning Request Letter-Attachment A).

The staff recommends the applicant’s requested change to the MI-PDA zoning because the proposed amendment will not alter the intent of the approved MI-PDA designation for this site. This amendment to the Planned Development Area conditions will permit the applicant to develop a hotel/motel use under current City of Austin parking regulations as required in Section 25-6, Appendix A (Tables of Off-Street Parking and Loading Requirements).

MI-PDA zoning allows for a mixture of high-density residential uses, office uses, commercial uses, and industrial uses to be developed in this area of the City. The location of the site is appropriate for the proposed mixture and intensity of uses because the property in question is part of a larger development that located between three major roadways, MOPAC Expressway North, Burnet Road, and Braker Lane. The site under consideration is within the North Burnet/Gateway Combined Neighborhood Planning Area and is adjacent to the North Burnet/Gateway Transit Oriented Development District (TOD).
The applicant agrees with the staff’s recommendation.

ZONING

ZONING CASE#: C14-2016-0074

This product is for informational purposes and may not have been prepared for or be suitable for legal, engineering, or surveying purposes. It does not represent an on-the-ground survey and represents only the approximate relative location of property boundaries.

This product has been produced by CTM for the sole purpose of geographic reference. No warranty is made by the City of Austin regarding specific accuracy or completeness.

Created 09/12/16
STAFF RECOMMENDATION

The staff’s recommendation is to grant the MI-PDA amendment for this site.

BASIS FOR RECOMMENDATION

1. The proposed zoning should be consistent with the purpose statement of the district sought.

   The MI district designation is for a commercial service use, research and development use, administrative use, or manufacturing use that meets strict development and performance standards and is generally located on a large site or in a planned industrial center.

   The PDA combining district designation provides for industrial and commercial uses in certain commercial and industrial base districts.

2. The proposed zoning should promote consistency and orderly planning.

   The proposed MI-PDA amendment will permit the applicant to develop a hotel/motel use under current City of Austin parking regulations as required in Section 25-6, Appendix A (Tables of Off-Street Parking and Loading Requirements).

3. Zoning changes should promote an orderly relationship among land uses.

   MI-PDA zoning would allow this site to be developed with a mixture of high-density residential uses, office uses, commercial uses and industrial uses. This location is appropriate for the proposed PDA because site is located between three major roadways, MOPAC Expressway North (freeway), Burnet Road (major arterial roadway), and Braker Lane (major arterial roadway). The property in question is within the North Burnet/Gateway Combined Neighborhood Planning Area and is adjacent to the North Burnet/Gateway Transit Oriented Development District (TOD.)

EXISTING CONDITIONS

Site Characteristics

The property in question is an undeveloped lot that is part of The Domain, a large mixed use development. It is located along Mopac Expressway North, a freeway, and Burnet Road, a major arterial roadway. A portion of the site borders the Missouri Pacific Railroad on the western side.

Hill Country Roadway

The site is not within a Hill Country Roadway Corridor.

Environmental

According to current maps, the northwestern most edge of this site lies in the Edwards Aquifer Recharge Zone. This site lies in the Shoal Creek Watershed (classified as an Urban Watershed) and the Walnut Creek Watershed (classified as a Suburban Watershed). A geological and / or topographical analysis of the site may be needed to determine the exact boundaries of the aforementioned watersheds and zones. The site is in the Desired Development Zone.
Trees will likely be impacted with a proposed development associated with this rezoning case. Please be aware that an approved rezoning status does not eliminate a proposed development’s requirements to meet the intent of the tree ordinances. If further explanation or specificity is needed, please contact the City Arborist at 512-974-1876. At this time, site specific information is unavailable regarding other vegetation, areas of steep slope, or other environmental features such as bluffs, springs, canyon rimrock, caves, sinkholes, and wetlands.

According to floodplain maps there is no floodplain within or adjacent to the project location.

At this time, no information has been provided as to whether this property has any preexisting approvals that preempt current water quality or Code requirements.

**Impervious Cover**

The maximum impervious cover allowed by the MI zoning district would be 80%. However, if the watershed impervious cover is more restrictive than the zoning district’s allowable impervious cover, the impervious cover is limited by the watershed regulations.

Under current watershed regulations, development or redevelopment on this site will be subject to the following impervious cover limits:

<table>
<thead>
<tr>
<th>Development Classification</th>
<th>% of Gross Site Area</th>
<th>% of Gross Site Area with Transfers</th>
</tr>
</thead>
<tbody>
<tr>
<td>Single-Family</td>
<td>50%</td>
<td>60%</td>
</tr>
<tr>
<td>(minimum lot size 5750 sq. ft.)</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Other Single-Family or Duplex</td>
<td>55%</td>
<td>60%</td>
</tr>
<tr>
<td>Multifamily</td>
<td>60%</td>
<td>70%</td>
</tr>
<tr>
<td>Commercial</td>
<td>80%</td>
<td>90%</td>
</tr>
</tbody>
</table>

Note: The most restrictive impervious cover limit applies.

**Site Plan**

No Site Plan comments.

**Transportation**

The Transportation Review Section has no objections to the requested change to the PDA conditions to allow for the Land Development Code parking requirements to apply for a hotel/motel use for this specific lot. The proposed change is consistent with current parking regulations as it would allow for a hotel/motel use to meet the parking ratio of 1:1 parking spaces for each room as required in Section 25-6, Appendix A (Tables of Off-Street Parking and Loading Requirements).

**Water and Wastewater**

The landowner intends to serve the site with City of Austin water and wastewater utilities. The landowner, at own expense, will be responsible for providing any water and wastewater utility improvements, offsite main extensions, utility relocations and or abandonments required by the land use. The water and wastewater utility plan must be reviewed and approved by the Austin Water Utility for compliance with City criteria and suitability for operation and maintenance. Depending on
the development plans submitted, water and or wastewater service extension requests may be required. All water and wastewater construction must be inspected by the City of Austin. The landowner must pay the City inspection fee with the utility construction. The landowner must pay the tap and impact fee once the landowner makes an application for a City of Austin water and wastewater utility tap permit.

Austin, Texas 78704

Subject: Zoning Amendment  
Ordinance Number 20071101-056

April 6, 2016

Dear Mr. Guernsey,

On behalf of DBG Austin Domain, LLC, we request approval for a zoning amendment to the existing ordinance number 20071101-056. The zoning amendment is for the property located at 10728 Burnet Road and the legal description for the property is Lot 1-C, The Domain Section 2 Subdivision, which is a Resubdivision of Lot 1, Block A. The lot is currently undeveloped.

The owner of the property request that the current ordinance on the property be altered to allow for the development of a hotel and associated accessory amenities. The current ordinance requires that a commercial use (except for general, professional, medical or commercial office and condominium or multifamily uses) provide one parking space per every 325 square feet of gross building area. This ratio would require a hotel use to provide approximately double the amount of parking that is normally required and needed for hotel operation. This parking ordinance will create an undue hardship on the developer by requiring them to construct additional parking that would be unused.

For the zoning ordinance amendment, it is proposed that the language of the ordinance be amended for the subject property’s parking requirement to revert to the City of Austin’s City and Land Development Code. With the exception of allowing parking requirement the uses stated in the ordinance to remain unchanged. All other commercial uses parking would be regulated by the requirements of Section 25-6-Appendix A. This change would allow for the construction of the hotel to meet the current parking ratio of 1.1 parking spaces per room in addition to any non-accessory use. This would match the parking provided by other hotels in the area. In addition, this allows for creation of additional open space on site for landscaping and other amenities.

We would like to thank you for your consideration of our request. We are ready to answer any questions you may have regarding this request.
Sincerely,

[Signature]

Paul Cragun

Cumulus Design □ P.O. Box 2119 □ Euless, Texas 76039 □ (214)235-0367
ORDINANCE NO. 20071101-056

AN ORDINANCE AMENDING ORDINANCE NO. 20070412-024 TO REZONE AND CHANGE THE ZONING MAP FROM MAJOR INDUSTRIAL PLANNED DEVELOPMENT AREA (MI-PDA) COMBINING DISTRICT TO MAJOR INDUSTRIAL PLANNED DEVELOPMENT AREA (MI-PDA) COMBINING DISTRICT FOR PROPERTY LOCATED AT 10700-11000 AND 11100-11900 BURNET ROAD, 2800 BLOCK OF BRAKER LANE AND 3300 WEST BRAKER LANE.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

PART 1. The planned development area is comprised of property originally known as the Multek planned development area ("Multek") and the Domain planned development area ("Domain"). Multek is comprised of approximately 70 acres of land located at 3300 West Braker Lane in Travis County and more particularly described by metes and bounds in Ordinance No. 030731-Z-5. Multek was approved July 31, 2003 under Ordinance No. 030731-Z-5, and amended under Ordinance No. 041216-Z-5b. Domain is comprised of approximately 235 acres of land located at 11400 Burnet Road in Travis County and more particularly described by metes and bounds in Ordinance No. 030731-Z-3. Domain was approved July 31, 2003 under Ordinance No. 030731-Z-3, and amended under Ordinance No. 041216-Z-5a; both Multek and Domain were last amended by Ordinance No. 20061005-044 and 20070412-024. This ordinance affects a portion of the property identified in the Domain and Multek planned development areas and is shown on the attached Exhibit “A”.

PART 2. The zoning map established by Section 25-2-191 of the City Code is amended to change the base district from major industrial planned development area (MI-PDA) combining district to major industrial planned development area (MI-PDA) combining district on the property described in Zoning Case No. C14-2007-0171, on file at the Neighborhood Planning and Zoning Department, as follows:

Lot 2, Block A, Domain Section 2 Subdivision, and Lot 3, Block A, Multek Subdivision, and Lots 1-B, 1-C, 1-D, and 1-E, Block A, Resubdivision of Lot 1, Block A, Domain Section 2 Subdivision, subdivisions in the City of Austin, Travis County, Texas, as more particularly described in Documents No 200300333, 200400090, and 200600294, respectively, recorded in the Official Public Records of Travis County, Texas (the “Property”).
locally known as 10700-11000 and 11100-11900 Burnet Road, 2800 Block of Braker Lane and 3300 West Braker Lane, in the City of Austin, Travis County, Texas, and generally identified in the map attached as Exhibit “A”.

PART 3. Section N Subsection 2(c) of Part 3 of Ordinance No. 20070412-024 is amended as follows:

Part 3. The provisions in Ordinances No. 030731-Z-3 and No. 030731-Z-5 apply to the Property except as otherwise provided in this ordinance. Development of the Property shall conform to the limitations and conditions set forth in this ordinance.

N. Parking, Section 25-6-472(A) and (I) (Parking Facility Standards), Section 25-6-473(D) (Modification of Parking Requirements); Section 25-6-477(B) (Bicycle Parking); Chapter 25-6, Appendix A (Tables of Off-Street Parking and Loading Requirements) of the City Code, and are modified to permit parking to comply with the standards as set forth in this section.

1. Section 25-6-472(A) (Parking Facility Standards) is modified to allow a parking facility for a use to comply with the requirements set forth in this ordinance instead of the requirements in Appendix A (Tables of Off-Street Parking and Loading).

2. Parking spaces. The following regulations apply:

   a) Except as otherwise provided in this subsection, a commercial use shall provide one parking space for every 325 square feet of gross building area, parking as required in Section 25-6-Appendix A - Tables of Off-Street Parking and Loading Requirements.

   b) General office, professional office, medical offices, and other commercial office uses shall provide one parking space for every 400 square feet of gross building area.

   c) A condominium or multifamily residential use must [shall] provide [one] parking space for each dwelling unit calculated as (i) one parking space for up to one bedroom, plus (ii) an additional 0.5 spaces for each additional bedroom, if any, in that dwelling unit, [and 0.5 additional parking spaces for each bedroom.]
PART 4. Part 3 of Ordinance No. 20070412-024 is amended to add new provisions to read:

R. Section 25-5-81(B) (Site Plan Expiration) is modified to allow a site plan to expire seven years after the date of its approval except as provided in Subsections (C), (D) and (E) of the section.

S. Section 25-4-62 (2) (Expiration of Approved Preliminary Plan) is modified to allow an approved preliminary plan in the desired development zone to expire ten years after the date the application for its approval is filed.

PART 5. Except as otherwise provided in this ordinance, the terms and conditions of Ordinance No. 20070412-024 remain in effect.

PART 6. This ordinance takes effect on November 12, 2007.

PASSED AND APPROVED

November 1, 2007

Will Wynn
Mayor

David Allan Smith
City Attorney

Shirley A. Gentry
City Clerk
