

HISTORIC LANDMARK COMMISSION
SEPTEMBER 26, 2016
APPLICATION FOR A CERTIFICATE OF APPROPRIATENESS
C14H-1976-0013
Paggi Carriage Shop
421 E. 6th Street

PROPOSAL

Install two cellular antennas on the roof of the building.

PROJECT SPECIFICATIONS

The applicant proposes the installation of two cellular antennas on the roof of the building. The antennas will be housed in circular “cans” that will be painted a neutral color to blend in the stonework on the building.

STANDARDS FOR REVIEW

The Commission’s Standards for Review of applications for Certificates of Appropriateness include:

- Contemporary design for alterations and additions to existing properties are appropriate when such alterations and additions do not destroy significant historic, architectural, or cultural material and such design is compatible with the size, scale, color, material, and character of the property, neighborhood, or environment.
- Construct new additions or alterations to structures in such a manner that if such addition or alteration were to be removed in the future, the essential form and integrity of the structure will be unimpaired.

COMMITTEE RECOMMENDATIONS

The Committee recommended approval of the proposal.

STAFF RECOMMENDATION

Approve as proposed.
