- (A) Review and make recommendations to the council regarding the adoption and implementation of a comprehensive plan or element or portion thereof prepared under authorization of the city council and under the direction of the city manager and responsible city planning staff.
- (B) After a comprehensive plan or element or portion thereof has been adopted:
 - i. Review and make recommendations to the council on all amendments to the comprehensive plan or element or portion thereof.
 - ii. Review and make recommendations to the council on all proposals to adopt or amend land development regulations for the purpose of establishing the relationship of such proposal to, and its consistency with, the adopted comprehensive plan or element or portion thereof. For purposes of this article and subsection, “land development regulations” includes zoning, subdivision, building and construction, regulating, or affecting the use or development of land.
- (C) Pursuant to ordinances adopted by the council, exercise control over platting and subdividing land within the corporate limits of city areas that are: (i) covered by or in the process of developing Neighborhood Plans; the former Robert Mueller Airport site; and (iii) a Transit Oriented Development district. See: City Code Sections 25-1-46(C)-(D) & 2-1-187(B). The board must insure the consistency of any such plats or subdivisions with the adopted comprehensive plan or element or portion thereof.
- (D) Submit annually to the city manager, not less than ninety (90) days prior to the beginning of the budget year, a list of recommended capital improvements, which in the opinion of the board are necessary or desirable to implement the adopted comprehensive plan or element or portion thereof during the forthcoming five-year period.
- (E) Monitor and oversee the effectiveness and status of the comprehensive plan and recommend annually to the council any changes in or amendments to the comprehensive plan as may be desired or required.

1 (F) Prepare periodic evaluation and appraisal reports on the comprehensive plan, which shall
2 be sent to the council at least once every five (5) years after the adoption of the
3 comprehensive plan or element or portion thereof.

4
5 (G) Require information from the city manager relative to its work.

6
7 (H) The board shall be responsible to act as an advisory body to the council and shall
8 perform such additional duties and exercise such additional powers as may be prescribed
9 by ordinance of the council not inconsistent with the provisions of the Charter.

10 11 12 **ARTICLE 3. MEMBERSHIP.**

13
14 (A) The board has a number of members equal to the number of members on the council plus two (2)
15 additional members. A minimum of two-thirds of the members shall be lay members not directly or
16 indirectly connected with real estate and land development. The city manager, the chairperson of
17 the zoning board of adjustment, the director of public works and the president of the board of
18 trustees of the Austin Independent School District shall serve as ex officio members.

34 absence due to illness or injury of the board member, an illness or injury of a board member’s
35 immediate family member, active military service, or the birth or adoption of the board member’s
36 child for 90 days after the event. The board member must notify the staff liaison of the reason for
37 the absence not later than the date of the next regular meeting of the board. Failure to notify the

39
40 (F) At each meeting, each board member shall sign an attendance sheet which indicates that the member
41 does not have a conflict of interest with any item on that agenda, or identifies each agenda item on
42 which the member has a conflict of interest. Failure to sign the sheet results in the member being
43 counted as absent and his/her votes are not counted.

44
45 (G) A member who seeks to resign from the board shall submit a written resignation to the chair of the
46 board, the staff liaison, or the city clerk’s office. If possible, the resignation should allow for a
