Motion to amend item #26

1. Remove the language "Bull Creek Road" from the first "Be It Resolved" paragraph;
2. Remove the language referring to the physical boundaries of the fund in the second "Be It Resolved";
3. Add an additional "Be It Further Resolved" that reads as follows:

"Be It Further Resolved:

In addition to looking at various options for this fund, the City Manager is directed to identify ways to improve the efficacy of and funding for the City's existing Local Area Traffic Management (LATM) program to speed up transportation improvements across the city.
