In the matter of our property: 1709 E. 6th Street

Dear Chair Galindo and Hon. Landmark Commissioners,

We hope that you will allow us to move forward with the demolition of this house and assist our family of eight heirs in securing the generational hopes and resources of our family estate.

We oppose any interference by the City with regards to our family's home and should the City initiate a historic zoning case against us then:

We, the undersigned owners of property affected by the requested zoning change described in the referenced file, do hereby protest against any change of the Land Development Code which would zone the property to any classification other than TOD-NP.

We hope that you will not interfere with our rights and our heritage during this very difficult time for our family.

Sincerely,

A handwritten signature in black ink that reads "Michael A. Moreno". The signature is written in a cursive style with a large, prominent "M" and "A".
