

HISTORIC LANDMARK COMMISSION  
NOVEMBER 21, 2016  
DEMOLITION AND RELOCATION PERMITS  
HDP-2016-0788  
3502 PENNSYLVANIA AVENUE

**PROPOSAL**

---

Demolish a ca. 1960 house.

**ARCHITECTURE**

---

One-story, front-gabled frame house with a front-gabled entry hood; single 2:2 horizontally-configured fenestration.

**RESEARCH**

---

There is no building permit for the construction of this house, but city directories indicate that it was built around 1960 by Booker T. and Ella B. Page, who lived here for the rest of their lives. Booker T. Page was a painting contractor who later took up the gospel, and in later city directories, he is listed as a minister. His 1989 death notice in the Austin American-Statesman references him as the Rev. Booker T. Page, Sr. In the mid-1960s through the mid-1970s, only Ella B. Page is listed at this address in the city directories, and the 1973 city directory lists her as a widow, but Booker T. Page is listed at this address as a minister in the 1977 directory.

**STAFF COMMENTS**

---

The house is beyond the bounds of any City survey.

**STAFF RECOMMENDATION**

---

Encourage rehabilitation and adaptive re-use, then relocation over demolition, as the house represents a vanishing unit of affordable housing, but does not rise to the level of a historic landmark, so staff must recommend release of the permit.
