5.4 **Delays.**

5.4.1 The City may delay scheduled delivery or other due dates by written notice to the Contractor if the City deems it is in its best interest. 6.2 **Warranty – Services.** The Contractor warrants and represents that all services to be provided to the City under the Contract will be fully and timely performed in a good and workmanlike manner in accordance with generally accepted industry standards and practices, the terms, conditions, and covenants of the Contract, and all applicable Federal, State and local laws, rules or regulations.

6.2.1 The Contractor may not limit, exclude or disclaim the foregoing warranty and any attempt to do so shall be without force or effect.

6.2.2 Unless otherwise specified in the Contract, the warranty period shall be at least one year from the acceptance date. If during the warranty period, one or more of the warranties are breached, the Contractor shall promptly upon receipt of demand perform the services again in accordance with above standard at no additional cost to the City. All costs incidental to such additional performance shall be borne by the Contractor. The City shall endeavor to give the Contractor written notice of the breach of warranty within thirty (30) calendar days of discovery of the breach of warranty, but failure to give timely notice shall not impair the City's rights under this section.

SECTION 7. MISCELLANEOUS

7.1 **Place and Condition of Work.** The City shall provide the Contractor access to the sites where the Contractor is to perform the services as required in order for the Contractor to perform the services in a timely and efficient manner in accordance with and subject to the applicable security laws, rules, and regulations. The Contractor acknowledges that it has satisfied itself as to the nature of the City's service requirements and specifications, the

location and essential characteristics of the work sites, the quality and quantity of materials, equipment, labor and facilities necessary to perform the services, and any other condition or state of fact which could in any way affect performance of the Contractor's obligations under the Contract. The Contractor hereby releases and holds the City harmless from and against any liability or claim for damages of any kind or nature if the actual site or service conditions differ from expected conditions.

- 7.1.1 **Hazardous Substances, Mold and Unsafe Working Conditions.** The City has not observed or received notice from any source (formal or informal) of (a) Hazardous Substances or Mold, either airborne or on or within the walls, floors, ceilings, heating, ventilation and air conditioning systems, plumbing systems, structure, and other components of the site, or within furniture, fixtures, equipment, containers or pipelines in the site; or (b) conditions that, to the City's knowledge, might cause or promote accumulation, concentration, growth or dispersion of hazardous substances or mold on or within such locations. The Contractor is not responsible for determining whether the covered equipment or the temperature, humidity and ventilation settings used by the City, are appropriate for the City and the site except as specifically provided in the Contract. If any such materials, situations or conditions, whether disclosed or not, are in fact discovered by the Contractor or others and provide an unsafe condition for the performance of the work or services, the discovery of the condition shall constitute a cause beyond the Contractor's reasonable control and the Contractor shall have the right to cease the work or services until the area has been made safe by the City or the City's representative, at the City's expense. The Contractor shall have the right to terminate this Contract if the City has not fully remediated the unsafe condition within 60 days of discovery. The City represents that the City has not retained the Contractor to discover, inspect, investigate, identify, prevent or remediate hazardous substances or mold or conditions caused by hazardous substances or mold. To the extent allowed by Texas law, the City will have sole responsibility for the payment of any and all losses, liabilities, penalties, fines, costs, damages, and expenses the Contractor incurs as a result of any claim by a third person or entity, which losses, liabilities, penalties, fines, costs, damages, and expenses are caused solely by the City's negligent act or omission in the performance of this Contract or which are caused by the City's material breach of this Contract, as determined by a court having jurisdiction over the matter. The provisions of this paragraph do not constitute a waiver of any governmental immunity the City may have under Texas law and do not waive any other defenses the City may have under Texas law. The provisions of this paragraph are solely for the benefit of the parties to this Contract and are not intended to create or grant any rights, contractual or otherwise, to any other person or entity.

7.2 **Workforce.**

7.2.1 The Contractor shall employ only orderly and competent workers, skilled in the performance of the services which they will perform under the Contract.

7.2.2 The Contractor, its employees, subcontractors, and subcontractor's employees may not while engaged in participating or responding to a solicitation or while in the course and scope of delivering goods or services under a City of Austin contract or on the City's property:

7.2.2.1 use or possess a firearm, including a concealed handgun that is licensed under state law, except as required by the terms of the Contract; and

7.2.2.2 use or possess alcoholic or other intoxicating beverages, illegal drugs or controlled substances, nor may such workers be intoxicated, or under the influence of alcohol or drugs, on the job.

7.2.3 If the City or the City's representative notifies the Contractor that any worker is incompetent, disorderly or disobedient, has knowingly or repeatedly violated safety regulations, has possessed any firearms, or has possessed or was under the influence of alcohol or drugs on the job, the Contractor shall immediately remove such worker from Contract services, and may not employ such worker again on Contract services without the City's prior written consent.

7.3 **Compliance with Health, Safety, and Environmental Regulations.** The Contractor, its Subcontractors, and their respective employees, shall comply fully with all applicable federal, state, and local health, safety, and environmental laws, ordinances, rules and regulations in the performance of the services, including but not limited to those promulgated by the City and by the Occupational Safety and Health Administration (OSHA). In case of conflict, the most stringent safety requirement shall govern. The Contractor shall indemnify and hold the City harmless from and against all claims, demands, suits, actions, judgments, fines, penalties and liability of every kind arising from the breach of the Contractor's obligations under this paragraph.

7.4 **Significant Event.** The Contractor shall immediately notify the City's Contract Manager of any current or prospective "significant event" on an ongoing basis. All notifications shall be submitted in writing to the Contract Manager. As used in this provision, a "significant event" is any occurrence or anticipated occurrence which might reasonably be expected to have a material effect upon the Contractor's ability to meet its contractual obligations. Significant events may include but not be limited to the following:

7.4.1 disposal of major assets;

7.4.2 any major computer software conversion, enhancement or modification to the operating systems, security systems, and application software, used in the performance of this Contract;

7.4.3 any significant termination or addition of provider contracts;

7.4.4 the Contractor's insolvency or the imposition of, or notice of the intent to impose, a receivership, conservatorship or special regulatory monitoring, or any bankruptcy proceedings, voluntary or involuntary, or reorganization proceedings;

7.5 **Right To Audit.**

7.5.1 The Contractor agrees that the representatives of the Office of the City Auditor or other authorized representatives of the City shall have access to, and the right to audit, examine, or reproduce, any and all records of the Contractor related to the performance under this Contract. The Contractor shall retain all such records for a period of three (3) years after final payment on this Contract or until all audit and litigation matters that the City has brought to the attention of the Contractor are resolved, whichever is longer. The Contractor agrees to refund to the City any overpayments disclosed by any such audit. Audit rights shall not extend to proprietary information, employee salary information or the make-up components of overhead burdens

7.5.2 The Contractor shall include this provision in all subcontractor agreements entered into in connection with this Contract.

7.6 **Stop Work Notice.** The City may issue an immediate Stop Work Notice in the event the Contractor is observed performing in a manner that is in violation of Federal, State, or local guidelines, or in a manner that is determined by the City to be unsafe to either life or property. Upon notification, the Contractor will cease all work

until notified by the City that the violation or unsafe condition has been corrected. The Contractor shall be liable for all costs incurred by the City as a result of the issuance of such Stop Work Notice.

7.7 Indemnity.

7.7.1 Definitions:

7.7.1.1 "Indemnified Claims" shall include any and all claims, demands, suits, causes of action, judgments and liability of every character, type or description, including all reasonable costs and expenses of litigation, mediation or other alternate dispute resolution mechanism, including attorney and other professional fees for:

7.7.1.1.1 damage to or loss of the property of any person (including, but not limited to the City, the Contractor, their respective agents, officers, employees and subcontractors; the officers, agents, and employees of such subcontractors; and third parties); and/or;

7.7.1.1.2 death, bodily injury, illness, disease, worker's compensation, loss of services, or loss of income or wages to any person (including but not limited to the agents, officers and employees of the City, the Contractor, the Contractor's subcontractors, and third parties),

7.7.1.2 "Fault" shall include the sale of defective or non-conforming deliverables, negligence, willful misconduct, or a breach of any legally imposed strict liability standard.

7.7.2 THE CONTRACTOR SHALL DEFEND (AT THE OPTION OF THE CITY), INDEMNIFY, AND HOLD THE CITY, ITS SUCCESSORS, ASSIGNS, OFFICERS, EMPLOYEES AND ELECTED OFFICIALS HARMLESS FROM AND AGAINST ALL INDEMNIFIED CLAIMS TO THE EXTENT DIRECTLY ARISING OUT OF, INCIDENT TO, CONCERNING OR RESULTING FROM THE FAULT OF THE CONTRACTOR, OR THE CONTRACTOR'S AGENTS, EMPLOYEES OR SUBCONTRACTORS, FROM NEGLIGENT ACTS OR OMISSIONS OF THE CONTRACTOR IN THE PERFORMANCE OF THE CONTRACTOR'S OBLIGATIONS UNDER THE CONTRACT. NOTHING HEREIN SHALL BE DEEMED TO LIMIT THE RIGHTS OF THE CITY OR THE CONTRACTOR (INCLUDING, BUT NOT LIMITED TO, THE RIGHT TO SEEK CONTRIBUTION) AGAINST ANY THIRD PARTY WHO MAY BE LIABLE FOR AN INDEMNIFIED CLAIM.

7.7.3 Limitation of Liability. In no event shall the Contractor be liable to the City, nor shall the City be liable to the Contractor for any special, incidental, indirect, speculative, remote, consequential, punitive or exemplary damages, whether arising out of or as a result of breach of contract, warranty, tort (including negligence), strict liability, mold, moisture, indoor air quality, or otherwise, arising from, relating to, or connected with the services, equipment, materials, or any goods provided hereunder.

7.8 Claims. If any claim, demand, suit, or other action is asserted against the Contractor which arises under or concerns the Contract, or which could have a material adverse effect on the Contractor's ability to perform thereunder, the Contractor shall give written notice thereof to the City within ten (10) calendar days after receipt of notice by the Contractor. Such notice to the City shall state the date of notification of any such claim, demand, suit, or other action; the names and addresses of the claimant(s); the basis thereof; and the name of each person against whom such claim is being asserted. Such notice shall be delivered personally or by mail and shall be sent to the City and to the Austin City Attorney. Personal delivery to the City Attorney shall be to City Hall, 301 West 2nd Street, 4th Floor, Austin, Texas 78701, and mail delivery shall be to P.O. Box 1088, Austin, Texas 78767.

Unless otherwise specified, all notices, requests, or other communications required or appropriate to be given under the Contract shall be in writing and shall be deemed delivered three (3) business days after postmarked if sent by U.S. Postal Service Certified or Registered Mail, Return Receipt Requested. Notices delivered by other means shall be deemed delivered upon receipt by the addressee. Routine communications may be made by first class mail, telefax, or other commercially accepted means. Notices to the City and the Contractor shall be addressed as follows:

Austin, TX 78767

To the Contractor:
Honeywell International, Inc.
ATTN: Kevin Taylor
3823 Stahl Road
San Antonio, TX 78217

7.10 **Confidentiality.** In order to provide the deliverables to the City, Contractor may require access to certain of the City's and/or its licensors' confidential information (including inventions, employee information, trade secrets, confidential know-how, confidential business information, and other information which the City or its licensors consider confidential) (collectively, "Confidential Information"). Contractor acknowledges and agrees that the Confidential Information is the valuable property of the City and/or its licensors and any unauthorized use, disclosure, dissemination, or other release of the Confidential Information will substantially injure the City and/or its licensors. The Contractor (including its employees, subcontractors, agents, or representatives) agrees that it will maintain the Confidential Information in strict confidence and shall not disclose, disseminate, copy, divulge, recreate, or otherwise use the Confidential Information without the prior written consent of the City or in a manner not expressly permitted under this Contract, unless the Confidential Information is required to be disclosed by law or an order of any court or other governmental authority with proper jurisdiction, provided the Contractor promptly notifies the City before disclosing such information so as to permit the City reasonable time to seek an appropriate protective order. The Contractor agrees to use protective measures no less stringent than the Contractor uses within its own business to protect its own most valuable information, which protective measures shall under all circumstances be at least reasonable measures to ensure the continued confidentiality of the Confidential Information.

7.11 **Advertising.** The Contractor shall not advertise or publish, without the City's prior consent, the fact that the City has entered into the Contract, except to the extent required by law.

7.12 **No Contingent Fees.** The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure the Contract upon any agreement or understanding for commission, percentage, brokerage, or contingent fee, excepting bona fide employees of bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the City shall have the right, in addition to any other remedy available, to cancel the Contract without liability and to deduct from any amounts owed to the Contractor, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.

7.13 **Gratuities.** The City may, by written notice to the Contractor, cancel the Contract without liability if it is determined by the City that gratuities were offered or given by the Contractor or any agent or representative of the Contractor to any officer or employee of the City with a view toward securing the Contract or securing favorable treatment with respect to the awarding or amending or the making of any determinations with respect to the performing of such contract. In the event the Contract is canceled by the City pursuant to this provision, the City shall be entitled, in addition to any other rights and remedies, to recover or withhold the amount of the cost incurred by the Contractor in providing such gratuities.

7.14 **Prohibition Against Personal Interest in Contracts.** No officer, employee, independent consultant, or elected official of the City who is involved in the development, evaluation, or decision-making process of the performance of any solicitation shall have a financial interest, direct or indirect, in the Contract resulting from that solicitation. Any willful violation of this section shall constitute impropriety in office, and any officer or employee guilty thereof shall be subject to disciplinary action up to and including dismissal. Any violation of this provision, with the knowledge, expressed or implied, of the Contractor shall render the Contract voidable by the City.

7.15 **Independent Contractor.** The Contract shall not be construed as creating an employer/employee relationship, a partnership, or a joint venture. The Contractor's services shall be those of an independent contractor. The Contractor agrees and understands that the Contract does not grant any rights or privileges established for employees of the City.

7.16 **Assignment-Delegation.** The Contract shall be binding upon and enure to the benefit of the City and the Contractor and their respective successors and assigns, provided however, that no right or interest in the Contract shall be assigned and no obligation shall be delegated by the Contractor without the prior written consent of the City. Any attempted assignment or delegation by the Contractor shall be void unless made in conformity with this paragraph. The Contract is not intended to confer rights or benefits on any person, firm or entity not a party hereto; it being the intention of the parties that there be no third party beneficiaries to the Contract.

7.17 **Waiver.** No claim or right arising out of a breach of the Contract can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party. No waiver by either the Contractor or the City of any one or more events of default by the other party shall operate as, or be construed to be, a permanent waiver of any rights or obligations under the Contract, or an express or implied acceptance of any other existing or future default or defaults, whether of a similar or different character.

7.18 **Modifications.** The Contract can be modified or amended only in writing signed by both parties. No pre-printed or similar terms on any Contractor invoice, order or other document shall have any force or effect to change the terms, covenants, and conditions of the Contract.

7.19 **Interpretation.** The Contract is intended by the parties as a final, complete and exclusive statement of the terms of their agreement. No course of prior dealing between the parties or course of performance or usage of the trade shall be relevant to supplement or explain any term used in the Contract. Although the Contract may have been substantially drafted by one party, it is the intent of the parties that all provisions be construed in a manner to be fair to both parties, reading no provisions more strictly against one party or the other. Whenever a term defined by the Uniform Commercial Code, as enacted by the State of Texas, is used in the Contract, the UCC definition shall control, unless otherwise defined in the Contract.

7.20 **Dispute Resolution.**

7.20.1 If a dispute arises out of or relates to the Contract, or the breach thereof, the parties agree to negotiate prior to prosecuting a suit for damages. However, this section does not prohibit the filing of a lawsuit to toll the running of a statute of limitations or to seek injunctive relief. Either party may make a written request for a meeting between representatives of each party within fourteen (14) calendar days after receipt of the request or such later period as agreed by the parties. Each party shall include, at a minimum, one (1) senior level individual with decision-making authority regarding the dispute. The purpose of this and any subsequent meeting is to attempt in good faith to negotiate a resolution of the dispute. If, within thirty (30) calendar days after such meeting, the parties have not succeeded in negotiating a resolution of the dispute, they will proceed directly to mediation as described below. Negotiation may be waived by a written agreement signed by both parties, in which event the parties may proceed directly to mediation as described below.

7.20.2 If the efforts to resolve the dispute through negotiation fail, or the parties waive the negotiation process, the parties may select, within thirty (30) calendar days, a mediator trained in mediation skills to assist with resolution of the dispute. Should they choose this option, the City and the Contractor agree to act in good faith in the selection of the mediator and to give consideration to qualified individuals nominated to act as mediator. Nothing in the Contract prevents the parties from relying on the skills of a person who is trained in the subject matter of the dispute or a contract interpretation expert. If the parties fail to agree on a mediator within thirty (30) calendar days of initiation of the mediation process, the mediator shall be selected by the Travis County Dispute Resolution Center (DRC). The parties agree to participate in mediation in good faith for up to thirty (30) calendar days from the date of the first mediation session. The City and the Contractor will share the mediator's fees equally and the parties will bear their own costs of participation such as fees for any consultants or attorneys they may utilize to represent them or otherwise assist them in the mediation.

7.21 Minority And Women Owned Business Enterprise (MBE/WBE) Procurement Program.

7.21.1 All City procurements are subject to the City's Minority-Owned and Women-Owned Business Enterprise Procurement Program found at Chapters 2-9A, 2-9B, 2-9C and 2-9D of the City Code. The Program provides Minority-Owned and Women-Owned Business Enterprises (MBEs/WBEs) full opportunity to participate in all City contracts.

7.21.2 The City of Austin has determined that no goals are appropriate for this Contract. **Even though no goals have been established for this Contract, the Contractor is required to comply with the City's MBE/WBE Procurement Program, Chapters 2-9A, 2-9B, 2-9C and 2-9D, of the City Code, as applicable, if areas of subcontracting are identified.**

7.21.3 If any service is needed to perform the Contract and the Contractor does not perform the service with its own workforce or if supplies or materials are required and the Contractor does not have the supplies or materials in its inventory, the Contractor shall contact the Department of Small and Minority Business Resources (DSMBR) at (512) 974-7600 to obtain a list of MBE and WBE firms available to perform the service or provide the supplies or materials. The Contractor must also make a Good Faith Effort to use available MBE and WBE firms. Good Faith Efforts include but are not limited to contacting the listed MBE and WBE firms to solicit their interest in performing on the Contract; using MBE and WBE firms that have shown an interest, meet qualifications, and are competitive in the market; and documenting the results of the contacts.

7.22 Subcontractors.

7.22.1 If the Contractor identified Subcontractors in an MBE/WBE Program Compliance Plan or a No Goals Utilization Plan, the Contractor shall comply with the provisions of Chapters 2-9A, 2-9B, 2-9C, and 2-9D, as applicable, of the Austin City Code and the terms of the Compliance Plan or Utilization Plan as approved by the City (the "Plan"). The Contractor shall not initially employ any Subcontractor except as provided in the Contractor's Plan. The Contractor shall not substitute any Subcontractor identified in the Plan, unless the substitute has been accepted by the City in writing in accordance with the provisions of Chapters 2-9A, 2-9B, 2-9C and 2-9D, as applicable. No acceptance by the City of any Subcontractor shall constitute a waiver of any rights or remedies of the City with respect to defective deliverables provided by a Subcontractor. If a Plan has been approved, the Contractor is additionally required to submit a monthly Subcontract Awards and Expenditures Report to the Contract Manager and the Purchasing Office Contract Compliance Manager no later than the tenth calendar day of each month.

7.22.2 Work performed for the Contractor by a Subcontractor shall be pursuant to a written contract between the Contractor and Subcontractor. The terms of the subcontract may not conflict with the terms of the Contract, and shall contain provisions that:

7.22.2.1 require that all deliverables to be provided by the Subcontractor be provided in strict accordance with the provisions, specifications and terms of the Contract.

7.22.2.2 prohibit the Subcontractor from further subcontracting any portion of the Contract without the prior written consent of the City and the Contractor. The City may require, as a condition to such further subcontracting, that the Subcontractor post a payment bond in form, substance and amount acceptable to the City;

7.22.2.3 require Subcontractors to submit all invoices and applications for payments, including any claims for additional payments, damages or otherwise, to the Contractor in sufficient time to enable the Contractor to include same with its invoice or application for payment to the City in accordance with the terms of the Contract;

7.22.2.4 require that all Subcontractors obtain and maintain, throughout the term of their contract, insurance in the type and amounts specified for the Contractor, with the City being a named insured as its interest shall appear; and

7.22.2.5 require that the Subcontractor indemnify and hold the City harmless to the same extent as the Contractor is required to indemnify the City.

7.22.3 The Contractor shall be fully responsible to the City for all acts and omissions of the Subcontractors just as the Contractor is responsible for the Contractor's own acts and omissions. Nothing in the Contract shall create for the benefit of any such Subcontractor any contractual relationship between the City and any such Subcontractor, nor shall it create any obligation on the part of the City to pay or to see to the payment of any moneys due any such Subcontractor except as may otherwise be required by law.

7.22.4 The Contractor shall pay each Subcontractor its appropriate share of payments made to the Contractor not later than ten (10) calendar days after receipt of payment from the City.

7.23 **Jurisdiction And Venue.** The Contract is made under and shall be governed by the laws of the State of Texas, including, when applicable, the Uniform Commercial Code as adopted in Texas, V.T.C.A., Bus. & Comm. Code, Chapter 1, excluding any rule or principle that would refer to and apply the substantive law of another state or jurisdiction. All issues arising from this Contract shall be resolved in the courts of Travis County, Texas and the parties agree to submit to the exclusive personal jurisdiction of such courts. The foregoing, however, shall not be construed or interpreted to limit or restrict the right or ability of the City to seek and secure injunctive relief from any competent authority as contemplated herein.

7.24 **Invalidity.** The invalidity, illegality, or unenforceability of any provision of the Contract shall in no way affect the validity or enforceability of any other portion or provision of the Contract. Any void provision shall be deemed severed from the Contract and the balance of the Contract shall be construed and enforced as if the Contract did not contain the particular portion or provision held to be void. The parties further agree to reform the Contract to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. The provisions of this section shall not prevent this entire Contract from being void should a provision which is the essence of the Contract be determined to be void.

7.25 **Holidays.** The following holidays are observed by the City:

7.27 Non-Suspension or Debarment Certification. The City of Austin is prohibited from contracting with or making prime or sub-awards to parties that are suspended or debarred or whose principals are suspended or debarred from Federal, State, or City of Austin Contracts. By accepting a Contract with the City, the Vendor certifies that its firm and its principals are not currently suspended or debarred from doing business with the Federal Government, as indicated by the General Services Administration List of Parties Excluded from Federal Procurement and Non-Procurement Programs, the State of Texas, or the City of Austin.

1.2 Preventive Maintenance - Each preventive maintenance call will be scheduled by a computer-generated service report detailing the tasks to perform, the skill levels required, and the special tools and instrumentation required to maintain the systems. Maintenance intervals will be determined by either equipment run time or a frequency determined from consideration of equipment operation, application, location, or criticality of end use. Upon completion of each service call, a summary of the preventive maintenance tasks completed will be provided to CUSTOMER.

1.3 Component Replacements - HONEYWELL will maintain CUSTOMER'S presently installed system within the functional limitations of presently installed hardware, firmware, and software found on CUSTOMER'S system(s).

HONEYWELL will repair or replace serviceable components and parts found on the List of Covered Equipment that have been found to be defective or have failed. Replaced components will be new or reconditioned components of compatible design as required to maintain CUSTOMER'S system. At HONEYWELL'S sole discretion, marginal components may also be repaired or replaced. These replacements will be based upon commercial availability of parts and/or components. All exchanged parts shall become the property HONEYWELL. Automatic valve and damper maintenance and repair are included in this Agreement. The labor required for their removal and installation is not included.

Notwithstanding the foregoing, at initial inspection, at initial seasonal start-up, or following twelve (12) months of service, if any individual component cannot, in the sole or exclusive opinion of HONEYWELL, be properly repaired, due to obsolescence, lack of commercial availability of standard parts, and/or excessive wear or deterioration, HONEYWELL may remove said component from the List of Covered Equipment, with sixty (60) days written notice. Non-maintainable components will be eliminated from coverage under this Agreement and HONEYWELL shall adjust the price accordingly.

1.4 Emergency Service - Activities performed under this Agreement are designed to minimize the incidence of emergency situations. However, should an emergency arise, HONEYWELL personnel will assess the situation either by phone or remote diagnostics, or both, and will determine the required course of action with CUSTOMER. If it is determined that a site visit is required, HONEYWELL personnel will arrive at CUSTOMER site within 4 hours. If the resolution of the emergency service call requires HONEYWELL to provide service for equipment that is not listed in Article 1.1 above, CUSTOMER will be liable for charges prevailing for such service.

Emergency Service will be provided during the following periods during the term of this Agreement (check box for desired level of emergency service coverage):

- ☒ **Continuous Emergency Service:**
24 hours per day, seven days per week, federal holidays included
- ☐ **Extended Hours Emergency Service:**

HONEYWELL and CUSTOMER will discuss work performed since the last review, answer questions pertaining to Service delivery, and identify opportunities to further improve performance of the Equipment.

1.6 Honeywell ServicePortal - HONEYWELL will provide customer access to an Internet-based application that will allow the CUSTOMER to securely submit non-emergency service requests online; view status of all service calls, whether scheduled, open or closed; view appointments and task detail of work performed on contracted service calls; and view contract and equipment coverage details (12 month history and includes only service performed per the HONEYWELL contract). 6. WARRANTY AND LIMITATION OF LIABILITY

6.1 Honeywell will replace or repair any product Honeywell provides under this Agreement that fails within the warranty period (one) 1 year because of defective workmanship or materials, except to the extent the failure results from Customer negligence, or from fire, lightning, water damage, or any other cause beyond the control of Honeywell. This warranty applies to all products Honeywell provides under this Agreement, whether or not manufactured by Honeywell. The warranty is effective as of the date of Customer acceptance of the product or the date Customer begins beneficial use of the product, whichever occurs first.

6.3 Honeywell makes no representation or warranty, express, implied or otherwise, regarding Hazardous Substances or Mold. Honeywell shall have no duty, obligation or liability, all of which Customer expressly waives, for any damage or claim, whether known or unknown, including but not limited to property damage, personal injury, loss of income, emotional distress, death, loss of use, loss of value, adverse health effect or any special, consequential, punitive, exemplary or other damages, regardless of whether such damages may be caused by or otherwise associated with defects in the Services, in whole or in part due to or arising from any investigation, testing, analysis, monitoring, cleaning, removal, disposal, abatement, remediation, decontamination, repair, replacement, relocation, loss of use of building, or equipment and systems, or personal injury, death or disease in any way associated with Hazardous Substances or Mold.

7. INDEMNITY

Honeywell agrees to indemnify and hold Customer and its agents and employees harmless from all claims for bodily injury and property damages to the extent such claims result from or arise under Honeywell's negligent actions or willful misconduct in its performance of the Work required under this Agreement, provided that such indemnity obligation is valid only to the extent (i) Customer gives Honeywell immediate notice in writing of any such claims and permits Honeywell, through counsel of its choice and Honeywell's sole cost and expense, to answer the claims and defend any related suit and (ii) Customer gives Honeywell all needed information, assistance and authority, at Honeywell's expense, to enable Honeywell to defend such suit. Honeywell is not responsible for any settlement without its written consent. Honeywell is not liable for loss or damage caused by the negligence of Customer or any other party or such party's employees or agents. This obligation shall survive termination of this Agreement. Notwithstanding the foregoing, Customer agrees that Honeywell will not be responsible for any damages caused by Mold or any other fungus or biological material or agent, including but not limited to property damage, personal injury, loss of income, emotional distress, death, loss of use, loss of value, adverse health effect or any special, consequential, punitive, exemplary or other damages, regardless of whether such damages may be caused by or otherwise associated with defects in the Services.

8. LIMITATION OF LIABILITY

8.1 IN NO EVENT SHALL HONEYWELL BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT, SPECULATIVE, REMOTE, CONSEQUENTIAL, PUNITIVE OR EXEMPLARY DAMAGES, WHETHER ARISING OUT OF OR AS A RESULT OF BREACH OF CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, MOLD, MOISTURE, INDOOR AIR QUALITY, OR OTHERWISE, ARISING FROM, RELATING TO, OR CONNECTED WITH THE SERVICES, EQUIPMENT, MATERIALS, OR ANY GOODS PROVIDED HEREUNDER.

8.2 NOTWITHSTANDING ANYTHING TO THE CONTRARY HEREIN, IF A PORTION OF THE SERVICES INVOLVES THE INSTALLATION AND/OR MAINTENANCE OF SYSTEMS ASSOCIATED WITH SECURITY AND/OR THE DETECTION OF AND/OR REDUCTION OF RISK OF LOSS ASSOCIATED WITH FIRE, HONEYWELL'S TOTAL LIABILITY ARISING OUT OF OR AS A RESULT OF ITS PERFORMANCE UNDER THIS AGREEMENT SHALL NOT EXCEED THE AMOUNT OF THIS AGREEMENT.

9. EXCUSABLE DELAYS

Honeywell is not liable for damages caused by delay or interruption in Services due to fire, flood, corrosive substances in the air, strike, lockout, dispute with workmen, inability to obtain material or services, commotion, war, acts of God, the presence of Hazardous Substances or Mold, or any other cause beyond Honeywell's reasonable control. Should any part of the system or any Equipment be damaged by fire, water, lightning, acts of God, the presence of Hazardous Substances or Mold, third parties or any other cause beyond the control of Honeywell, any repairs or replacement will be paid for by Customer. In the event of any such delay, date of shipment or performance will be extended by a period equal to the time lost by reason of such delay, and Honeywell will be entitled to recover from Customer its reasonable costs, overhead, and profit arising from such delay.

10. PATENT INDEMNITY

10.1 Honeywell shall, at its expense, defend or, at its option, settle any suit that may be instituted against Customer for alleged infringement of any United States patents related to the hardware or software manufactured and provided by Honeywell under this Agreement ("the equipment"), provided that a) such alleged infringement consists only in the use of such equipment by itself and not as part of, or in combination with, any other devices, parts or software not provided by Honeywell hereunder, b) Customer gives Honeywell immediate notice in writing of any such suit and permits Honeywell, through counsel of its choice, to answer the charge of infringement and defend such suit, and c) Customer gives Honeywell all needed information, assistance and authority, at Honeywell's expense, to enable Honeywell to defend such suit.

10.2 If such a suit has occurred, or in Honeywell's opinion is likely to occur, Honeywell may, at its election and expense: a) obtain for Customer the right to continue using such equipment, b) replace, correct or modify it so that it is not infringing, or if neither a) or b) is not reasonable then c) remove such equipment and grant Customer a credit therefore, as depreciated.

10.3 In the case of a final award of damages in any such suit, Honeywell will pay such award. Honeywell will not, however, be responsible for any settlement made without its written consent.

10.4 THIS ARTICLE STATES HONEYWELL'S TOTAL LIABILITY AND CUSTOMER'S SOLE REMEDY FOR ANY ACTUAL OR ALLEGED INFRINGEMENT OF ANY PATENT BY THE HARDWARE MANUFACTURED AND PROVIDED BY HONEYWELL HEREUNDER.

11. SOFTWARE LICENSE

All software provided in connection with this Agreement shall be licensed and not sold. The end user of the software will be required to sign a license agreement with provisions limiting use of the software to the equipment provided under these specifications, limiting copying, preserving confidentiality, and prohibiting transfer to a third party. Licenses of this type are standard for computer-based equipment of the type covered by this Agreement. Customer shall be expected to grant Honeywell access to the end user for purposes of obtaining the necessary software license.

12. DISPUTE RESOLUTION

With the exception of any controversy or claim arising out of or related to the installation, monitoring, and/or maintenance of fire and/or security systems, the Parties agree that any controversy or claim between Honeywell and Customer arising out of or relating to this Agreement, or the breach thereof, will be settled by arbitration in a neutral venue, conducted in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association. Any award rendered by the arbitrator will be final, and judgment may be entered upon it in accordance with applicable law in any court having jurisdiction thereof. Any controversy or claim arising out of or related to the installation, monitoring, and/or maintenance of systems associated with security and/or the detection of, and/or reduction of risk of loss associated with fire will be resolved in a court of competent jurisdiction.

13. ACCEPTANCE

This proposal and the pages attached shall become an Agreement upon signature above by Honeywell and Customer. The terms and conditions are expressly limited to the provisions hereof, including Honeywell's General Terms and Conditions attached hereto, notwithstanding receipt of, or acknowledgment by, Honeywell of any purchase order, specification, or other document issued by Customer. Any additional or different terms set forth or referenced in Customer's purchase order are hereby objected to by Honeywell and shall be deemed a material alteration of these terms and shall not be a part of any resulting order.

14. MISCELLANEOUS

14.1 This Agreement represents the entire Agreement between Customer and Honeywell for the Work described herein and supersedes all prior negotiations, representations or Agreements between the Parties related to the work described herein.

14.2 None of the provisions of this Agreement shall be modified, altered, changed or voided by any subsequent Purchase Order or other document unilaterally issued by Customer that relates to the subject matter of this Agreement. This Agreement may be amended only by written instrument signed by both Parties.

14.3 This Agreement is governed by the law of the State where the work is to be performed.

14.4 Any provision or part of this Agreement held to be void or unenforceable under any laws or regulations will be deemed stricken, and all remaining provisions will continue to be valid and binding upon Honeywell and Customer, who agree that this Agreement shall be reformed to replace such stricken provision or part thereof with a valid and enforceable provision that comes as close as possible to expressing the intention of the stricken provision.

14.5 Customer may not assign its rights or delegate its obligations under this Agreement, in whole or in part, without the prior written consent of Honeywell. Honeywell may assign its right to receive payment to a third party.

15. COVERAGE

15.1 Customer agrees to provide access to all Equipment covered by this Agreement. Honeywell will be free to start and stop all primary equipment incidental to the operation of the mechanical, control, automation, and life safety system(s) as arranged with Customer's representative.

15.2 It is understood that the repair, replacement, and emergency service provisions apply only to the Equipment included in the attached List of Covered Equipment. Honeywell will provide such services at Customer's request and at an additional charge. Customer is entitled to receive Honeywell's then current preferred-Customer labor rates for such services.

15.4 Honeywell may install diagnostic devices and/or software at Honeywell's expense to enhance system operation and support. Upon termination of this Agreement, Honeywell may remove these devices and return the system to its original operation. Customer agrees to provide, at its sole expense, connection to the switched telephone network for the diagnostic devices and/or software.

15.5 Honeywell will review the Services delivered under this Agreement on an annual basis, unless otherwise noted.

15.6 This Agreement assumes that the systems and/or Equipment included in the attached List of Covered Equipment are in maintainable condition. If repairs are necessary upon initial inspection or initial seasonal start-up, repair charges will be submitted for approval. Should these charges be declined, those non-maintainable items will be eliminated from coverage under this Agreement and the price adjusted accordingly.

15.7 In the event that the system or any equipment component thereof is altered, modified, changed or moved, this Agreement may be immediately adjusted or terminated, at Honeywell's sole option. HONEYWELL is not responsible for any damages resulting from such alterations, modifications, changes or movement.

15.8 Honeywell is not responsible for maintaining a supply of, furnishing and/or replacing lost or needed chlorofluorocarbon (CFC) based refrigerants not otherwise required under this Agreement. Customer is solely responsible for the cost of material and labor of any such refrigerant not otherwise provided for under this Agreement at current market rates.

15.9 Maintenance, repairs, and replacement of Equipment parts and components are limited to restoring to proper working condition. Honeywell is not obligated to provide replacement software, equipment, components and/or parts that represent a significant betterment or capital improvement to Customer's system(s) hereunder.

15.10 Unless otherwise specified, Customer retains all responsibility for maintaining LANs, WANs, leased lines and/or other communication mediums incidental or essential to the operation of the system(s) or Equipment found included in the attached List of Covered Equipment.

15.11 Customer will promptly notify Honeywell of any malfunction in the system(s) or Equipment covered under this Agreement that comes to Customer's attention.

16. TERMS OF PAYMENT

16.1 Subject to Honeywell's approval of Customer's credit, Customer will pay or cause to be paid to Honeywell the full price for the Services as specified on the first page of this Agreement. Honeywell will submit annual invoices to Customer in advance for Services to be performed during the subsequent billing period, and payment shall be due within twenty (20) days after Customer's receipt of each such invoice. Payments for Services past due more than five (5) days shall accrue interest from the due date to the date of payment at the rate of one and one-half percent (1.5%) per month, compounded monthly, or the highest legal rate then allowed. Customer will pay all attorney and/or collection fees incurred by Honeywell in collecting any past due amounts.

16.2 **Price Adjustment** Honeywell may annually adjust the amounts charged for the Services provided.

17. TERMINATION

17.1 Customer may terminate this Agreement for cause if Honeywell defaults in the performance of any material term of this Agreement, or fails or neglects to carry forward the Services in accordance with this Agreement, after giving Honeywell written notice of its intent to terminate. If, within thirty (30) days following receipt of such notice, Honeywell fails to cure or perform its obligations, Customer may, by written notice to Honeywell, terminate this Agreement.

17.2 Honeywell may terminate this Agreement for cause (including, but not limited to, Customer's failure to make payments as agreed herein) after giving Customer written notice of its intent to terminate. If, within thirty (30) days following receipt of such notice, Customer fails to make the payments then due, or otherwise fails to cure or perform its obligations, Honeywell may, by written notice to Customer, terminate this Agreement and recover from Customer payment for Services performed and for losses sustained for materials, tools, construction equipment and machinery, including but not limited to, reasonable overhead, profit and applicable damages.

17.3 **Cancellation** - This Agreement may be canceled at Honeywell's option in the event Honeywell equipment on Customer's premises is destroyed or substantially damaged. Likewise, this Agreement may be canceled at Customer's option in the event Customer's premises are destroyed. In the event of such cancellation, neither party shall be liable for damages or subject to any penalty, except that Customer will remain liable for Services rendered to the date of cancellation.
