5.5 **Standard Cancellation:** Either party may cancel this contract in whole or in part by providing written notice. The cancellation will take effect 30 business days after the other party receives the notice of cancellation. No products and/or services may be added to avoid competitive procurement requirements. Region 4 ESC may require additions to be

submitted with documentation from Members demonstrating an interest in, or a potential requirement for, the new product or service. Region 4 ESC may reject any additions without cause.

- 11.4 **Options:** Optional equipment for products under contract may be added to the contract at the time they become available under the following conditions: 1) the option is priced at a discount similar to other options; 2) the option is an enhancement to the unit that improves performance or reliability.

Vendors are required to check state specific requirements to ensure compliance with this requirement.

ARTICLE 12- SITE REQUIREMENTS

- 12.3 **Registered sex offender restrictions:** For work to be performed at schools, vendor agrees that no employee or employee of a subcontractor who has been adjudicated to be a registered sex offender will perform work at any time when students are or are reasonably expected to be present. Vendor agrees that a violation of this condition shall be considered a material breach and may result in the cancellation of the purchase order at the Member's discretion. Vendor must identify any additional costs associated with compliance of this term. If no costs are specified, compliance with this term will be provided at no additional charge.
- 12.4 **Safety measures:** Vendor shall take all reasonable precautions for the safety of employees on the worksite, and shall erect and properly maintain all necessary safeguards for protection of workers and the public. Vendor agrees to provide proof of coverage and/or addition of Member as an additional insured upon Member's request. Additionally, if stored offsite, the materials must also be clearly identified as property of buying Member and be separated from other materials. Member must be allowed reasonable opportunity to inspect and take inventory of stored materials, on or offsite, as necessary.

Until final acceptance by the Member, it shall be the Vendor's responsibility to protect all materials and equipment. The Vendor warrants and guarantees that title for all work, materials and equipment shall pass to the Member upon final acceptance.

ARTICLE 13- MISCELLANEOUS

- 13.2 **Disclosures:** Offeror affirms that he/she has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this contract.

Include a complete description of any and all relationships that might be considered a conflict of interest in doing business with participants in TCPN.

The Offeror affirms that, to the best of his/her knowledge, the offer has been arrived at independently, and is submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this contract.

- 13.3 **Indemnity:** The awarded vendor shall protect, indemnify, and hold harmless both Region 4 ESC and TCPN and its participants, administrators, employees and agents against all claims, damages, losses and expenses arising out of or resulting from the actions of the vendor, vendor employees or vendor subcontractors in the preparation of the solicitation and the later execution of the contract, including any supplemental agreements with members. Any litigation involving either Region 4 ESC or TCPN, its administrators and employees and agents will be in Harris County, Texas. Any litigation involving TCPN members shall be in the jurisdiction of the participating agency.

- 13.4 **Franchise Tax:** The Offeror hereby certifies that he/she is not currently delinquent in the payment of any franchise taxes.

- 13.5 **Marketing:** Awarded vendor agrees to allow Region 4 ESC to use their name and logo within website, marketing materials and advertisement. Any use of Region 4 ESC name and logo or any form of publicity, inclusive of press releases, regarding this contract by awarded vendor must have prior approval from Region 4 ESC.

- 13.6 **Certificates of Insurance:** Certificates of insurance shall be delivered to the Region 4 ESC participant prior to commencement of work. The insurance company shall be licensed in the applicable state in which work is being conducted. Applicable laws and regulation must be followed even if not specifically identified herein.

- 13.8 **Open Records Policy:** Because Region 4 ESC contracts are awarded by a governmental entity, responses submitted are subject to release as public information after contracts are executed. If a vendor believes that its response, or parts of its response, may be exempted from disclosure, the vendor must specify page-by-page and line-by-line the parts of the response, which it believes, are exempt. In addition, the Offeror must specify which exception(s) are applicable and provide detailed reasons to substantiate the exception(s). Offeror must provide this information on the "Acknowledgement and Acceptance to Region 4 ESC's Open Record Policy" form found at the beginning of this solicitation. The determination of whether information is confidential and not subject to disclosure is the duty of the Office of Attorney General (OAG). Region 4 ESC must provide the OAG sufficient information to render an opinion and therefore, vague and general claims to confidentiality by the Offeror are not acceptable. Region 4 ESC must comply with the opinions of the OAG. Region 4 ESC assumes no responsibility for asserting legal arguments on behalf of any vendor. CONTRACTS

The Cooperative Purchasing Network (TCPN)

TCPN contracts are available for use and benefit all entities that must comply with state purchasing laws (state, cities, counties, non-profits, public and private schools, colleges and universities and all governmental entities).

TCPN is a national governmental purchasing cooperative able to leverage one of the largest pools of purchasing potential. The organization competitively bids and awards contracts to national vendors in accordance with purchasing procedures mandated by state procurement laws and regulations. This means equal pricing for the smallest entities and the largest buyers.

TCPN was established under state law to help governmental entities operate efficiently and economically. Utilizing a TCPN contract means the buyer deals directly with the vendor, as normally, using the TCPN contract as their own.

Green Initiatives

We are committed to helping to build a cleaner future! As our business grows, we want to make sure we minimize our impact on the Earth's climate. So we are taking every step we can to implement innovative and responsible environmental practices throughout Region 4 ESC to reduce our carbon footprint, reduce waste, promote energy conservation, ensure efficient computing, and much more. We would like vendors to

partner with us in this enterprise. To that effort, we ask respondents to provide their companies environmental policy and/or green initiative.

34. Please provide information about your current environmental or sustainability initiatives.

Carahsoft is committed to reducing waste and promoting energy conservation in the following ways. Below is our official plan:

1. Carahsoft has implemented VMware internally which moves our servers to a virtualized cloud environment thus eliminated the need for physically servers as we've grown in size. This has drastically reduced our server footprint allowing us to save thousands of dollars annually on heating and cooling of our data center. If we do not use VMware, we would have over 20 servers instead of the two that we actually have. This also allows us to reduce our energy consumption, minimize the amount of greenhouse gas omitted into the atmosphere.
2. Carahsoft also uses only Energy Star compliant hardware which substantially uses less electricity when items are not in use and protecting the climate. As shown in the EPA chart below, Energy Star compliance has brought significant energy savings and emissions savings to businesses that use compliant products.

3. Carahsoft hosts hundreds of virtual events including webinars each year. By hosting so many virtual events, Carahsoft is able to reduce the amount of in-person events and avoid their carbon impact. Additionally, Carahsoft archives these events for viewing in the future as shown below:

4. Carahsoft utilizes email blasts instead of sending marketing material to cut down on the amount of paper products and shipping that mailing would entail. For example, in January 2015, Carahsoft sent out 105 email blasts.
 5. Carahsoft's Proposal Department promotes the recycling of paper, bottles and aluminum cans by providing blue recycle bins in all common areas for each type of recycling material.
 6. Carahsoft uses lights in the office on a timer to ensure that all lights are off in the building when employees are not working. Additionally, the bathroom lights are motion detected so the lights are not on when no one is using it, which reduces the use of electricity. On the newer side of the building, we utilize paperless hand dryers to cut down on our use of paper products.
 7. Carahsoft has created a Carpool Incentive program to encourage employees to carpool to cut down on fuel consumption and emissions. Employees who carpool with at least two other Carahsoft employees are issued carpool parking permits and may park in reserved preferential parking. Currently, a quarter of Carahsoft's staff carpools each day into the office.
 8. Carahsoft enforces a non-smoking initiative both within our office and in the surrounding environment. Carahsoft also encourages employees to engage in a smoke-free, healthy lifestyle.
35. *How do you ensure and measure the success of your sustainability policy and initiatives?*

Carahsoft measures the success of our recycle programs by tracking the amount of recycle material that leaves the building. This amount should never go down, but only up. We also carefully monitor our electricity bills to ensure there are no spikes in usage.

Diversity Initiatives

36. *Please describe any diversity programs and/or partnerships that your company has currently implemented.*

Carahsoft utilizes a number of diversity/minority and women-owned businesses as resellers and subcontractors of its products. Carahsoft will strive to utilize these business relationships through its TCPN contract.

37. *What policies and initiatives promoting diversity within your workforce do you have?
Please attach copies of the policies or provide links:*

Carahsoft adheres to all federal and applicable state and local affirmative action plans to ensure a diverse workforce. Carahsoft's EEO policy and affirmative action statement are provided as Appendix H.

38. *What policies and initiatives promoting diversity within your supplier base do you have?
Please attach copies of the policies or provide links:*

Carahsoft has a large and very diverse partner ecosystem because for many of our vendors we are a distributor which often requires a partner to be involved in every deal. For our VMware practice alone, we use over 200 partners of every socio-economic category including woman-owned, minority-owned, HUBZone, service-disabled, veteran-owned, and small business.

Vendor Certifications

Provide a copy of all current licenses, registrations and certifications issued by federal, state and local agencies, and any other licenses, registrations or certifications from any other governmental entity with jurisdiction, allowing respondent to perform the covered services including, but not limited to licenses, registrations or certifications. M/WBE, HUB, DVBE, small and disadvantaged business certifications and other diverse business certifications, as well as manufacturer certifications for sales and service must be included if applicable.

Carahsoft is licensed to do business in all 50 states, as demonstrated in our performance on the current TCPN contract Carahsoft runs. Specific licenses for states can be provided upon request.

PREFACE

Carahsoft Technology Corporation (hereinafter "the Company" or the "facility") is committed to the concept and practice of equal opportunity ("EEO") and affirmative action in all aspects of employment. The Management of the Company has prepared this written Affirmative Action Plan ("AAP") and EEO Policy Statement in accordance with its obligations arising under Executive Order 11246, as amended ("E.O. 11246"), and its implementing regulations, 41 C.F.R. Part 60-1 et seq. This AAP should not be construed as a contract between the Company and any government agency, or a contract for the benefit of any third parties including our employees or any applicants for employment.

Furthermore, in preparing this AAP, the terminology used in E.O. 11246 and its implementing regulations has been used as a guide by the Company. Therefore, the use of such terms as "underutilization", "deficiency", "concentrations", "affected class", "utilization analysis", "problem area", etc... should not be construed as agreement on the part of the Company that, in fact, either minorities or women have been or are presently being underutilized or discriminated against in any way in violation of federal, state or local fair employment practice laws. These terms are used because the Company is required by federal government regulations to use them. The criteria used in relation to these terms are those specified by the Government. These terms have no independent legal or factual significance whatsoever. Although the Company may in good faith use these terms in connection with its AAP, such usage does not necessarily signify that the Company agrees that these terms are properly applied to any particular factual situation. Further, nothing contained in this AAP or its supporting data should be construed as an admission by the Company, in whole or in part, that it has contravened any federal, state or local fair employment practice laws.

In developing and implementing this AAP, the Company has been guided by its established policy of providing EEO. Any goals which the Company has established herein are not intended as rigid, inflexible quotas that must be met, but rather as targets reasonably attainable by applying every good faith effort in implementing this AAP. Neither the use nor the effect of goals and timetables in this AAP is intended to discriminate in employment against any individual or group of individuals who are not themselves the beneficiaries of affirmative action. This AAP is not intended to sanction the discriminatory treatment of any person. It has been developed in strict reliance upon the Guidelines on Affirmative Action issued by the Equal Employment Opportunity Commission ("EEOC") (29 C.F.R. Part 1608).

The material set forth in this AAP is deemed to constitute trade secrets, operations information, confidential statistical data and other confidential commercial and financial data, within the meaning of the Freedom of Information Act, 5 U.S.C. §552 (the "Act"); the Department of Labor Regulations found at 29 C.F.R. Part 70 which implements, in part, the Act, Title VII of the Civil Rights Act of 1964 (as amended), 42 U.S.C. §2000e et seq.; the Trade Secrets Act, 18 U.S.C. §1905 and 44 U.S.C. §3508, the disclosure of which is prohibited by law and would subject the individual making the disclosure to criminal and/or civil sanctions.

I. EEO Policy Statement and Reaffirmation

A. Statement of Policy on EEO

The Company is committed to providing EEO to all qualified persons regardless of race, color, religion, sex, national origin, disability, military status, citizenship status, marital status, sexual orientation, or age. The Employee Resources Director at Carahsoft Technology Corporation (hereinafter "Affirmative Action Administrator"), has been designated to administer the Company's affirmative action program and will monitor that program and make reports on a periodic and continuing basis to senior management. All employment and personnel policies and practices – recruiting, hiring, promotions, reassignments, transfers, Company-sponsored training, compensation, benefits, layoffs and recalls, terminations, recreation programs, tuition assistance – will be administered according to EEO principles. The Company, as part of its commitment to EEO and affirmative action, has established the following AAP in compliance with the regulations provided by the Secretary of Labor in 41 C.F.R. Part 60-1 et seq.

B. Reaffirmation of EEO Policy Statement

The Company has established a written AAP with respect to EEO. This AAP has been prepared in conformity with E.O. 11246 and the implementing regulations of the Office of Federal Contract Compliance Programs ("OFCCP"), 41 C.F.R. Part 60-1 et seq., including Revised Order No. 4, as amended, 41 C.F.R. Part 60-2. This AAP is designed to provide guidance to management with respect to the Company's commitment to full implementation of its EEO/affirmative action policy. The Company's policy includes, without limitation, the following commitments:

1. To continue to provide EEO to all qualified persons, and to continue to recruit, hire, train, promote and compensate persons in all jobs without regard to race, color, religion, sex, national origin disability, military status, citizenship status, marital status, sexual orientation, or age.
2. To identify and analyze all areas of its employment process so as to further the principles of EEO. Specific examples include:

- a. Recruitment and Selection – The recruitment and hiring of all personnel is accomplished without discrimination against any individual with regard to race, color, religion, sex, national origin, disability, military status, citizenship status, marital status, sexual orientation, or age. The Company will continue to contact known sources of potential applicants so as to maximize the participation of such applicants and will include a statement that our company is an Equal Opportunity Employer. At present all employment advertising and recruitment is being done online with such tools as Careerbuilder.com. Any testing necessary is currently the same for everyone and is limited to the precise job skills required.

- b. Promotion – Individuals will continue to be upgraded and promoted on the basis of their abilities, skills and experience. The Company will understate good faith efforts to ensure that minority and women employees who are qualified, as well as those

who become qualified through training, are considered for promotion. In making promotional decisions, the managers directly involved and other appropriate personnel will use good faith efforts to ensure that promotions are based on valid occupational qualifications. Promotional opportunities will be posted in an area accessible by all employees. All employees will be briefed on promotion policy during annual performance reviews.

c. Transfers – When vacancies occur, appropriate management personnel will make every good faith effort to effect transfers of qualified employees into areas where minority and women employees may have been or may now be underutilized. Transfers will be fairly considered upon request.

d. Training – All training and development programs within the company will be reviewed periodically and made available to all employees.

f. Grievance – Employees are encouraged to report any grievance to the immediate supervisor. The employee, supervisor, and Affirmative Action Program Officer will work together toward a resolution. Should this resolution not suffice, the President of the company will schedule a meeting with the employee in an effort to resolve the issue.

e. Terminations – Should reductions in the Company's work force become necessary, they will be based on nondiscriminatory factors. The Company will review the personnel files of those persons affected to ensure that such factors have been utilized, and will make every good faith effort to ensure that minorities and women are treated in a nondiscriminatory manner with respect to termination.

3. To make promotion decisions in accordance with the policies and principles embodied in this AAP.

4. To administer personnel actions in areas such as compensation, benefits, transfers, layoffs and recalls, Company-sponsored training, education, tuition assistance and social and recreational programs to assure that women and minorities are not discriminated against.

5. To administer the Company's employee benefits plans, including, but not limited to, retirement, pension, disability and insurance benefits, in a nondiscriminatory manner consistent with the OFCCP's regulations and other federal equal employment laws.

6. The Affirmative Action Administrator will meet as needed with appropriate management personnel to review progress made and to develop alternative approaches to affirmative action, should they be required. The AAP in its entirety will be reviewed and updated annually.

II. Dissemination of EEO Policy Statement

A. Internal Dissemination

Using appropriate written and/or verbal procedures set forth in 41 C.F.R. §60-2.21(a), the Company will publicize its EEP policy to its employees. To disseminate the policy, the Company will take the following steps:

1. Post the Company's EEO policy and the EEOC's equal employment poster on bulletin boards where they are visible to applicants and employees.
2. Periodically include the policy statement, or abbreviated versions thereof in Company publications, newsletters, etc. and appropriate employee orientation materials.
3. Periodically meet with officers, managers and supervisors to explain and review the policy and outline department and individual responsibilities for its implementation and progress.
4. Make available to employees on request those portions of the written AAP that will enable them to know of and avail themselves of its benefits.
5. Discuss the policy and individual responsibility for the policy with all new employees.
6. Inform employees that the Company may impose disciplinary action, up to and including discharge, on employees who impede implementation of the policy or program.
7. Feature both minorities and minorities and men and women in publications which may include photographs of employees.
8. Encourage employees to bring any equal employment-related issues to the attention of the Affirmative Action Administrator.
9. Inform and continue to inform managers, supervisors, employees and other Company representatives of the Company will not tolerate harassment of any employee.

B. External Dissemination

The Company continues to promote its community posture as an equal opportunity employer. Specific external activities shall include.

1. Notification to all recruiting sources in writing of the Company's commitment to EEO.
2. Where appropriate, direct all media which carry the Company's employment advertisements to include the statement that the Company is an equal opportunity employer.
3. The company will include the equal opportunity clause in all purchase orders, leases and contracts subject to E.O. 11246.
4. The Company will upon request make available such portions of its written AAP which will enable prospective employees to know and avail themselves of its benefits.

III. Establishment of Responsibility for Implementation of the Written AAP

The implementation of the AAP follows the regulations issued by OFCCP, and in particular, Revised Order No. 4 (41 C.F.R. §60-2.1 et seq.). With respect to the requirement that the Company designate an individual responsible for implementation of the AAP, it has appointed a specific executive with that responsibility.

A. Identification and Responsibilities of Management's Affirmative Action Representative

The Affirmative Action Administrator is responsible for the implementation and monitoring of this AAP. In this capacity, he/she reports directly to the Executive Director. The responsibilities of the Affirmative Action Administrator include, but are not necessarily limited to, the following:

1. Develop and modify the policies and procedures to ensure that the requirements of E.O. 11246, as amended, and its implementing regulations continue to be met.
2. Develop, modify, and maintain an effective written AAP in compliance with the applicable rules and regulations of the OFCCP.
3. Collect and analyze employment data, and assist management in identifying any problem areas in meeting the goals and objectives of the AAP.
4. Develop action-oriented alternatives, including realistic and attainable goals and timetables, to help management achieve the plan's objectives.
5. Design, implement and monitor internal audit and reporting systems to measure the program's effectiveness.
6. To the extent possible, serve as a liaison with minority organizations, women's organizations and community action groups concerned with the employment opportunities of minorities and women.
7. Serve as the Company's liaison with federal, state or local regulatory agencies.
8. Keep management informed of new developments in EEO policies and procedures.
9. Encourage employees to bring EEO-related questions and complaints to his/her attention so that, to the extent possible, complaints may be resolved internally.
10. Assist in the preparation and completion of EEO-1 Reports and other required documents.
11. Act to ensure that supervisors and employees do not engage in harassment of any employee or applicant, specifically including those individuals placed through affirmative action efforts.
12. Conduct periodic audits to ensure that the required federal, state and local employment discrimination posters and the Company's EEO policy are properly displayed.

B. The Responsibilities of the Company's Management To Ensure Implementation of the AAP

In implementing this written AAP, the responsibilities of Company supervisors and other management personnel working with the Affirmative Action Administrator include, but are not necessarily limited to, the following:

1. Helping to evaluate EEO progress and the development of alternative approaches, including the establishment of goals and timetables, where applicable.
2. To the extent possible, being actively involved with local minority and women's organizations, community action groups and community service programs.
3. Periodically reviewing training programs and hiring and promotion patterns in an effort to ensure the removal of any impediments to achieving the goals and timetables established.

4. Periodically discussing EEO matters with individual managers, supervisors and other employees, where appropriate, to ensure that the Company's policies are being followed.
5. Reviewing the qualifications of employees who are transferred or promoted to make every good faith effort to ensure that minorities and women are being given full opportunity with respect to such personnel actions.
6. Periodically conducting internal EEO audits to ensure that the Company continues to comply in such EEO areas as the proper display of posters, provision of nonsegregated facilities, provision of comparable facilities for both sexes and encouragement of full participation by minority and women employees in all Company sponsored activities.
7. When necessary, assisting supervisors in taking action to prevent harassment of employees because of their placement through affirmative action efforts.

IV. Identification of Problem Areas

A. Analysis of Potential Problem Areas

In making an in-depth analysis of the Company's EEO posture, particular attention has been paid to those job groups where minorities and women may be underutilized. In 10 general terms, the Company has continued to make progress in placing minorities and women in various organizational units and job groups. Further, the Company's analysis indicates that minorities and women are not restricted to any particular organizational unit or job. At the present time, minorities and women are involved in most departments and units at the Company, and their progress into higher-level jobs continues. An analysis of the personnel practices and procedures of the Company has revealed the following:

1. The composition of the work force in terms of the overall numbers of minorities and women continues to reflect the Company's commitment to EEO.
2. The Company's intention is to periodically examine the work force composition and to establish appropriate goals and timetables in order to improve the representation of minorities and women where underutilization exists.
3. The Company has examined the composition of its applicant flow by minority group and sex and its experience indicates that the general flow of minority and women applicants has been satisfactory, given their availability. The Company remains committed to continuing to improve its applicant flow with respect to minorities and women.
4. The Company has examined its total selection process, including job specifications, job titles, application forms, interview procedures, the use and administration of tests, referral procedures, the final selection process, training, transfers and promotions. The purpose of this review was to ensure that such personnel practices are being uniformly applied without regard to race, color, religion, sex, national origin. The Affirmative Action Administrator is responsible for reviewing this selection process periodically to assure that any requisite qualifications are job-related and nondiscriminatory, and that any selection procedure that has an adverse impact on minorities or women is justified on the basis of business necessity.
5. The Company's physical facilities, sponsored recreation and social events and special programs, including educational assistance, are all applied and made available on a

nondiscriminatory basis. The use of the Company's facilities will not be permitted on any basis inconsistent with its EEO policy. The Affirmative Action Administrator is responsible for periodically reviewing these personnel areas to ensure that there is no such discrimination.

6. While length of service is a factor for consideration in promotion decisions, the job-related qualifications of an individual are normally a controlling factor in such decisions. Efforts have been made to encourage minority and woman employees to attain qualifications which will improve their opportunities for advancement.

7. A review of the Company's technical compliance efforts with such requirements as posting its EEO policy, retaining application forms and notifying suppliers, etc., has resulted in a finding that such requirements have been or will be met.

B. Special Corrective Action

We have conducted this analysis in order to ensure that the commitment of the Company to EEO and affirmative action is being fully implemented. Having completed such an analysis, the Company has concluded that:

1. Underutilization does not exist at this time.
2. The selection process is nondiscriminatory.
3. Promotions and transfers are decided by utilizing only nondiscriminatory factors.
4. Application forms and other pre-employment documents are in compliance with federal laws and regulations.
5. Employment interviewing and screening are performed by personnel fully cognizant of the Company's EEO policy.
6. Minorities and women are not excluded from any Company-sponsored activities or programs, and such programs are fully integrated.
7. No de facto segregation exists at the Company.
8. No artificial barriers resulting in overt or inadvertent discrimination exist at the Company.
9. The concepts contained in the written AAP and in the Company's EEO policy have been communicated and have found acceptance at all levels of management.
10. The Company utilizes on-the-job training for purposes of increasing the employee's knowledge in his/her present job.
11. The techniques that have been established for evaluating the effectiveness of the Company's AAP include periodic review by the Affirmative Action Administrator of a variety of data reflecting significant personnel actions. Further, the Affirmative Action Administrator makes continuing and periodic reports to management regarding the status of the AAP and the progress being made should any underutilization exist.
12. EEO posters developed by the federal government are prominently displayed in appropriate places at the Company.
13. Those vendors and suppliers that the Company uses are advised of their EEO responsibilities. Further, purchase orders contain the required equal opportunity clause.
14. Support for the Company's EEO policy is continually emphasized by management.
15. Existing position descriptions are reviewed periodically and properly identify job related requirements.

V. The Development and Execution of Action-Oriented Programs

The following are examples of the continuing action-oriented programs or procedures designed to advance the Company's commitment to EEO:

A. Job descriptions are periodically reviewed and evaluated to ensure that all required criteria are job-related.

B. Those job descriptions that are utilized will be made available to those members of management significantly involved in recruiting, screening, selection and promotion. Recruitment sources are provided with the requisite job-related information, and thus are able to recruit qualified persons on a nondiscriminatory basis.

C. The Company continues to evaluate the entire selection process and to make every good faith effort to select persons according to ability and qualifications, while recognizing its commitment to take affirmative action to remedy any 13 underutilization of minorities and women. Recruitment sources are notified of the Company's policy of nondiscrimination. There is no department or job group in the Company which is limited or closed to minority or female employees.

Further, to help bring about EEO, the Company undertakes the following:

To properly communicate the Company's policy to all employees who are involved in recruiting, screening, selection, promotion, disciplinary and related personnel processes for the purpose of making every good faith effort to ensure that personnel decisions are made without regard to race, color, religion, sex, or national origin.

D. The Company uses the following techniques to maintain a satisfactory flow of qualified minority and women applicants:

1. Incumbent minority and women employees are encouraged to refer friends for employment with the Company.

2. Recruitment resources and community organizations are notified of our EEO policy.

E. The Company will periodically review its promotion criteria and procedures to ensure that promotional decisions are made without regard to race, color, religion, sex, or national origin. In an effort to maintain acceptable promotion rates for qualified minorities and women, the Company utilizes the following procedures:

1. All promotional recommendations are reviewed to assure that they are based solely on nondiscriminatory factors.

F. The Company continues to act in a nondiscriminatory fashion with regard to terminations and layoffs.

G. The Company makes certain that its facilities and Company-sponsored social and recreational activities are not segregated, and actively encourages all employees to participate in all such Company-sponsored events.

VI. Internal Audit and Reporting Requirements.

The Company believes that one of the more important elements in effectively implementing a written AAP is an adequate internal audit and reporting system. Through this system, progress can be monitored and management kept informed. For this purpose, the Company has established the following internal audit and reporting systems.

A. Records of applicant flow, hires, transfers, promotions and separations are monitored to make every good faith effort to ensure that the Company's EEO policy is carried out.

B. Progress toward meeting goal and time tables is measured periodically through review of data and discussions with appropriate management personnel.

C. The Affirmative Action Administrator is responsible for reviewing results periodically with appropriate management personnel.

D. Where necessary, the Affirmative Action Administrator communicates with senior management concerning recommendations to improve EEO performance.

VII. Compliance with OFCCP's Sex Discrimination Guidelines.

The Company complies with the sex discrimination guidelines issued by OFCCP and set forth at 41 C.F.R. Part 60-20 as follows:

A. The Company's employment advertising does not express a sex preference and, if printed, does not appear in sex-segregated columns. Further, employees of both sexes are recruited for jobs at the Company.

B. The Company's Employee Handbook and employment application form expressly state that there will be no discrimination on account of sex.

C. The Company recruits employees of both sexes for all positions, except where sex is a bona fide occupational qualification.

D. The Company does not rely upon a state "protective" law to deny women employees the right to any job which they are qualified to perform.

E. The Company offers employees of both sexes an equal opportunity for any jobs they are qualified to perform, except when sex is a bona fide occupational qualification.

F. The Company does not make any distinction based upon sex with regard to employment opportunities, wages, hours or other terms and conditions of employment.

G. The Company does not make any distinction between married and unmarried persons of one sex that is not made between married and unmarried persons of the other sex.

H. The Company does not deny employment to women with young children.

I. The Company provides appropriate physical facilities to both sexes.

J. The Company does not penalize women in their terms and conditions of employment because they require time away from work for childbearing. The Company's maternity leave policy fully complies with the 1978 Pregnancy Amendment to Title VII of the Civil Rights Act of 1964, the Federal Family and Medical Leave Act of 1993 and applicable state/local pregnancy and family leave laws. When, under the Company's leave policy, a woman employee would qualify for leave, then childbearing is considered a justification like any other for granting such leave, for a reasonable period of time. The conditions applicable to her leave (other than its length) and to her return to employment are in accordance with the Company's leave policy.

K. The Company does not, on the basis of sex, specify any difference between men and women employees in either retirement or pension benefits.

L. The Company's wage schedules are not related to or based upon sex.

M. The Company does not discriminatorily restrict individuals to one sex or certain jobs.

N. In addition to the above, the Company, where appropriate, will continue to take affirmative action as follows:

1. Encourage women to apply for all positions in the Company for which they are qualified.
2. Encourage women to enroll in management training programs to the extent such programs are used by the Company.
3. Encourage women to apply for admission to all training programs which can facilitate their promotability.

O. Company management has been made aware of the requirements set forth above.

P. The Company will not tolerate sexual harassment of any type. Any complaints of this kind should be referred to the Affirmative Action Administrator. Any employee found to have been involved in unlawful sexual harassment will be disciplined.

VIII. Support of Community Action Programs

The Company believes that its EEO commitment is fully understood by the community. In an effort to maintain such awareness on the part of the community, the Agency has and

will continue to encourage applications from women and minorities through its ongoing recruitment programs and contact with other local agencies, schools, organizations, and resources.

IX. Statement Concerning Consideration of Minorities and Women Not Now in the Work Force and the Establishment of Goals and Timetables by Organizational Unit

Government regulations also require that goals and timetables be established by organizational unit and job group (41 C.F.R. §60-2013(e)); that consideration be given to minorities and women not currently in the work force but having the requisite skills; and that affirmative action be utilized to recruit such persons (41 C.F.R. §60-2.13(j)). With respect to goals and timetables, that subject is fully covered in Section III, the Affirmative Action Goals, of this written AAP. In meeting the goals established in the Section III, and in hiring employees generally, the Company will make every good faith effort to recruit qualified minorities and women not presently in the work force, thereby meeting its obligations in that respect.

X. Religion and National Origin Discrimination Guidelines

The Company is committed to providing and ensuring EEO to all applicants and employees without regard to their religion or national origin. In addition to ensuring nondiscrimination in this respect, the Company will undertake the following affirmative action:

A. A review of its employment practices to determine whether members of protected religions and ethnic groups are receiving fair consideration for job opportunities at all levels.

B. Internal communication of its policy with respect to nondiscrimination on the basis of religion and national origin.

C. Periodic notification to all employees of its commitment to EEO without regard to religion or national origin.

D. Notification to recruitment sources of the Company's policy regarding nondiscrimination on the basis of religion or national origin.

E. The Company accommodates the religious observances and practices of employees and prospective employees except where it is unable to reasonably accommodate such an employee's or prospective employee's religious observances or practices, because such accommodation would result in an undue hardship in conducting its business.

XI. Summary Statement

In conducting the foregoing analysis and in setting goals, the Company has been guided by its established policy of providing EEO. Any goals which the Company may establish

are not intended as rigid, inflexible quotas that must be met, but rather as targets reasonably attainable if every good faith effort is made in implementing this AAP. Neither the use nor the effects of goals in this AAP are intended to discriminate against any individual or group of individuals with respect to any employment opportunity for which he, she or they are qualified on the basis that he, she or they are not the beneficiaries of affirmative action themselves.

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Public Agency Instructions

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information on the process is available in Local Finance Notice 2006-1 (www.nj.gov/dca/lgs/lfnslfnmenu.shtml).

1. The disclosure is required for all contracts in excess of \$17,500 that are **not awarded** pursuant to a “fair and open” process (N.J.S.A. 19:44A-20.7).
2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.
3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.
 - a. The Division has prepared model disclosure forms for each county. They can be downloaded from the “County PCD Forms” link on the Pay-to-Play web site at www.nj.gov/dca/lgs/p2p. They will be updated from time-to-time as necessary.
 - b. A public agency using these forms **should edit them to properly reflect the correct legislative district(s)**. As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
 - c. Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
 - d. The form may be used “as-is”, subject to edits as described herein.
 - e. The “Contractor Instructions” sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
 - f. The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.
5. It is recommended that the contractor also complete a “Stockholder Disclosure Certification.” This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract. (See Local Finance Notice 2006-7 for additional information on this obligation) A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. **NOTE: This section is not applicable to Boards of Education.**

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs). When the business entity is a natural person, “a contribution by that person’s spouse or child, residing therewith, shall be deemed to be a contribution by the business entity.” [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure. Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report. The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor’s responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement. The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor’s submission and is disclosable to the public under the Open Public Records Act. The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law.
