Application Denied

Councilman Friedman moved the Council deny the application to close the following street:

UNNAMED STREET contiguous to Blocks 1 and 2, Herman Steinle Subdivision, from West 35th Street to West 35th Street Alley, (Jimmie R. Garza and Emil L. Stryk)

This vacation of an UNNAMED STREET, was necessary to the approval of a zoning for Mr. Emile L. Stryk at 500 West 35th Street. The opposition, Mr. Marvin B. Lynch, and indirectly several others were represented by Mr. Martin Boozer. It was pointed out that access for Jett's Radio and Television on Guadalupe Street would become very much of a problem due to the narrowness of the alley. Without this street, it would be necessary to exit from the alley directly onto Guadalupe Street. There is also a problem with garbage pickup. Mr. Boozer suggested that the zoning be referred back to the Planning Commission, with the possibility of obtaining an easement through the street, from Mr. Zidell, the ultimate purchaser of the two lots, if the zoning is approved. Mr. Sam Meyers, representing the owner, preferred a clause in the deed. It was noted that the square footage comprising the street would not be needed by the owners to have off-street parking. The Assistant City Attorney, Jerry Harris, noted that if the street was not vacated this would leave a zoning pending with a condition that could not be met, and this would have to be brought back for reconsideration or removal of the condition.

Other neighbors in opposition said the street gave openness to the neighborhood, and they would like to see it remain. The Council then voted to deny the application.

The motion, seconded by Councilman Lebermann, carried by the following vote:

Ayes: Mayor Pro Tem Love, Councilmen Lebermann, Friedman, Handcox, Mayor Butler, Councilmen Dryden, Binder
Noes: None

LOCATION OF PUBLIC PARK SITE - TRAVIS COUNTRY

There was some discussion of different park sites within the 447.13 acre tract known as Travis Country. Mayor Butler noted some difficulties in determining an acceptable park site, since the currently proposed site was not the City's original choice. Mayor Butler asked Mr. Beverly Sheffield, Parks and Recreation

Director, which park site was preferable. Mr. Sheffield, said that the original site was, but that this site would be acceptable. The alternate site had more trees and more slope, so more levelling would be required if a ball park were placed there. Councilman Dryden pointed out that the proposed site would be good for a nature trail, and he favored completing the negotiation.

Motion

Councilman Dryden moved the Council accept the offered park site at \$2,500 per acre for 12 acres (out of the 447.13 acre tract). Councilman Handcox seconded the motion.

Substitute Motion

Mayor Pro Tem Love offered a substitute motion that the Council offer to buy and accept the original 12 acres at \$2,500 per acre. The motion died for lack of a second.

Vote on Original Motion

Councilman Dryden's original motion carried by the following vote:

Ayes: Councilmen Lebermann, Friedman, Handcox, Mayor Butler,
Councilmen Dryden, Binder, Mayor Pro Tem Love
Noes: None

City Manager Dan Davidson pointed out that even though they would like to go ahead and install the electrical work in the conduits, they would not energize the system until the fuel crisis had subsided. Councilman Handcox moved the Council adopt a resolution approving a three-year contract for the installation of night watchman lighting in accordance with City street lighting standards in Travis Country Subdivision for a total three-year cost of \$5,904.00 and a difference of cost of installation of \$11,275 due upon completion of installation of the project. The motion, seconded by Councilman Friedman, carried by the following vote:

Ayes: Councilmen Friedman, Handcox, Mayor Butler, Councilman
Binder, Mayor Pro Tem Love, Councilman Lebermann
Noes: None

DRAFT CONTRACT FOR INDUSTRIAL DISTRICT

Mr. Tom Curtis appeared before the Council to present a draft contract for an Industrial District concerning 493 acres north of Highway 183 and east of Highway 1325. This was an agreement not to annex for 7 years. Mayor Pro Tem Love suggested that the City Attorney have time to look this over. There was some discussion about accepting this type of contract. It would set a new policy and future owners of land outside the City might ask for Industrial District and then immediately ask for this kind of contract. Mr. Dan Davidson, the City Manager did not recommend a contract of this type, as it would complicate the very serious planning and utility provision problems that are facing the City at this time,

especially where there are a multitude of separate ownerships, none of whom have any control over the destiny of the effect of the contract.

The Mayor noted that if one owner requested to be annexed, and he was in the middle of the area, this would make a checkerboard appearance annexation, and this was not an economical way to provide municipal services. It was directed that the City Attorney look this over, and that it would be discussed further at the time the annexation comes up on May 31.

PUBLIC HEARING SET

Mr. Robert W. Norris requested the City Council set a public hearing on Zoning Case C14-73-024, which has been previously dismissed. Councilman Friedman moved the Council extend the time for this case. The motion, seconded by Mayor Pro Tem Love, carried by the following vote:

REQUEST FOR HEARING FOR REVENUE SHARING FUNDS

Mr. Sandy Bauman, of Austin Drug Central, explained that the association was a central link for all drug programs in Austin. It was established for the purpose of coordinating and assisting or supplementing programs for drug abuse education, prevention, treatment, and rehabilitation. Now operating under Federal guidelines, the Drug Central currently has a \$10,000 grant from the Texas Criminal Justice Council, with a \$30,000 budget. The plan was to continue through the end of 1973. At that time it is hoped that there will be placement of the organization either through an existing City Department, a local, state, civic, volunteer, United Fund, or what-have-you-organization.

Judge Ronnie Earle spoke in favor of this organization, saying it was a unique effort to coordinate the different drug abuse groups. The request is for \$15,000. Mrs. Marilyn Dierschke noted that Austin Drug Central is made up of in excess of 50 different agencies, groups and organizations, all of whom have as one of their concerns doing something about drug abuse, either in the area of education, treatment, rehabilitation, law enforcement or, just interested citizens and groups like the Kiwanis, Optimist, and Jaycees. Funding was needed from July to the end of 1973.

Councilman Friedman moved that all revenue sharing recommendations and requests be set for public hearing on June 14 at 7:00 P.M. at the Electric Auditorium. The motion, seconded by Councilman Binder, carried by the following vote:

Ayes: Councilmen Lebermann, Friedman, Handcox, Mayor Butler, Councilmen Dryden, Binder, Mayor Pro Tem Love
Noes: None

PRIVATE SWIMMING POOLS

Councilman Friedman requested the Council to give the City Attorney permission to look into the problem of private swimming pools not being locked or fenced, and to draft an ordinance. This should also cover future construction of apartment pools. Councilman Handcox suggested a study be made to indicate the need for such an ordinance and come back in about 30 days.

POSTPONEMENT OF PUBLIC HEARING

Councilman Friedman moved the public hearing on the Natural Science Center Association's proposed zoo in Zilker Park be postponed as requested by the Friends of Zilker subject to their asking for a new date. The motion, seconded by Councilman Dryden, carried by the following vote:

Ayes:	Councilmen Friedman, Handcox, Dryden, Binder, Mayor Pro Tem Love, Councilman Lebermann
Noes:	None
Out of Room at	
Roll Call:	Mayor Butler

M I G H T

Councilman Binder raised the question of a study for the Mobility Impaired Grappling Hurdles Together (MIGHT) to place ramps, etc. in high density commercial areas and any park or public facilities where such access is necessary. People in wheelchairs have trouble getting in and out of buildings or across curbs without someone helping them. The study should include methods of funding these changes. Councilman Binder would provide contact from the organization for the manager and his department heads.

ENERGY REPORT

The Council received the report from the Energy Study Commission, setting out their recommendations:

1. It is recommended that the City of Austin immediately meet with LCRA and City of San Antonio Utility officials to investigate a joint development of coal and/or lignite power. A substantially larger plant could be developed with resultant savings for all concerned. Such consultation should begin quickly inasmuch as the other two groups are currently studying coal and/or lignite as their next power source.
2. It is recommended that a joint study group with LCRA and City of San Antonio Utility and Houston Lighting and Power officials be set up to investigate the future planning and development of a nuclear plant as a joint venture -- since the combination would provide a large enough plant needed to make such a venture more economically feasible.

3. The Energy Study Commission recommends the immediate negotiation through nationally recognized consultants into the potential sources found by this Commission, to wit: (a) natural gas from any source, to aid in solving the Coastal States curtailments in the next few years, to make current plants which must have gas more economical; (b) investigation of a joint venture development of acreage possibly available to the City for a lignite power plant; (c) study of the coal mines in Utah developed by the San Antonio operators; (d) study of a proposal to be made by the Falcon Coal Company in terms of coal and/or lignite; or (e) any other possible sources.
4. The Energy Study Commission recommends the City of Austin advertise in any news medium for anyone to supply the City of Austin with a supplemental natural gas supply.

PROPOSED REVENUE SHARING BUDGET

Mr. Dan Davidson, the City Manager, and Mr. Joe Liro, Director of Budget, indicated in the budget message, that the capital items emphasized park improvements with approximately 1.3 million dollars proposed at nine separate locations. Improvements to existing recreation facilities and new recreational facilities at 14 locations total just under 1.2 million dollars. Park land acquisition at three locations as well as green belt acquisition were slightly in excess of 1/2 million dollars for a total of approximately 3 million dollars. Public safety items total \$323,000. Transportation and street improvement - \$385,000.

Operating items total \$304,000 for program development staff funding and vehicle replacements. Some of the specific projects are Police garage land acquisition, St. Johns drainage improvements, the north central neighborhood swimming pool, and the Webberville Road golf course, the Jimmy Clay golf course facilities, and cooperation with the Austin Independent School District toward the enclosing of two swimming pools for year round use. Councilman Friedman noted that for the requests for the several agencies that have appeared before the Council, the Council would be deleting or cutting back on some of these other projects. The City Manager invited the Council to do this.

Mr. Bill Stoll, Research and Budget Department, summarized the additional requests that had been asked for, a total of \$138,000 from eight organizations. Already, in the operating budget for this year, the City is funding eight community programs at \$202,000. Revenue sharing guidelines list as one of their priorities social services for the poor and aged. The proposals before the Council furnish a wide range of services, and are difficult to evaluate in order of priority. He listed factors to be used in evaluating these requests, such as providing services to individuals in City; measuring impact on them; use of volunteers; no duplicate services; and to stimulate recipients to seek supplementary assistance from other sources. Some of these services are partially funded by other units of government or the United Fund. It is not known whether these are one-time requests or will be continuing requests. There is flexibility in the budget so that items can be deleted or added as the Council sees fit. The only request that has been granted already is for the Hotline for \$10,000. The Treasury Department requires that the City submit a planned use report for a portion of the budget by June 20, 1973. Mayor Pro Tem Love commended the City Manager on the report.

FINAL READING OF ORDINANCE ESTABLISHING
TELEPHONE RATES

Mayor Butler brought up the following ordinance:

AN ORDINANCE DETERMINING THE FAIR VALUE RATE BASE OF SOUTHWESTERN BELL TELEPHONE COMPANY FOR THE AUSTIN EXCHANGE; DETERMINING A FAIR RATE OF RETURN THEREON; DETERMINING AND FIXING THE SCHEDULE OF RATES FOR BASIC SERVICES IN THE CITY OF AUSTIN, TEXAS; DETERMINING AND FIXING THE SCHEDULE OF RATES AND CHARGES FOR MISCELLANEOUS SERVICES AND ALL OTHER SERVICES EXCEPT ADVERTISING; PROVIDING A PROCEDURE FOR FILING COMPANY TARIFFS AND REQUIRING APPROVAL THEREOF; PRESCRIBING THE PROCEDURE AND CONTENTS OF A DETAILED ANNUAL REPORT; PROVIDING FOR COUNCIL REVIEW OF ANY DATA BASED ON A PARTICULAR TEST YEAR; AND REQUIRING ACCEPTANCE OF THE RATES PRESCRIBED HEREIN BY SOUTHWESTERN BELL TELEPHONE COMPANY.

The City Attorney reviewed for the Council Southwestern Bell Telephone Company's developments of various rate increases along with proposed reductions, referring to a document from the Company "Decreases, Miscellaneous Reductions in Income Proposed by Bell". The ordinance provides a 9.5% aggregate increase above 1970 levels.

City Attorney Butler stated the Study Committee had presented no evidence regarding anything except an across-the-board increase. The Company in its reporting procedures omitted various items which the Committee thought were essential and he discussed matters of reporting. In conclusion, the City Attorney recommended strongly against the Telephone Company's proposition.

Mr. Frank Denius, representing Southwestern Bell Telephone Company, responded to the points set out by the City Attorney, and stated their intent to adopt his reporting procedures. Then he discussed matters of rate design. Mr. Denius reviewed the proposals of the Bell Telephone Company regarding the regular residential telephone, one-party up to \$6.40; another proposal to go to \$16.35 on the business telephones; proposal to go to the Centrex dormitory station from \$5.35 to \$6.25; and detached extensions from \$2.00 to \$2.15; and the one LLJR detached extension from \$1.00 to \$1.15; and would have an audit made if that produced more than a 9.5% increase.

At this time Mayor Butler opened the hearing to those desiring to be heard.

Mr. Jack Hopper spoke in opposition to the proposed rate, and suggested that the Company file all of its required data so that full surveillance of its operations could be made.

Ms. DeCourcy Kelley, Chairman, Travis County Democratic Women, likewise expressed opposition.

Mr. Lloyd Doggett noted a different formula now from the Telephone Company, whereby the home telephone user would pay about three times as much under that approach than under the approach the City Attorney had outlined.

Mr. Bob Sheehy, Attorney representing the Austin Telephone Company, commented on the seven items that Southwestern Bell Telephone Company proposed to decrease. He did not want his company to be driven out of business by the types of rates the Bell Telephone Company were contemplating. Specific items were the 10-button and the 20-button call director.

Mr. Frank Denius responded to Mr. Bob Sheehy stating the Austin Telephone Company was not regulated, and he pointed out the advantages that their Company would have over the Bell Telephone Company on certain equipment. The Austin Telephone Company would have a \$75.00 advantage over the Bell Telephone Company if the rate increase they are asking is approved.

Mr. Henry de Keratry, home builder, favored the rate increase.

Mr. Donald Bell spoke for the Company and for the rate increase stating the Company's service is good, they give pay increases and have been leading in minority employment. If the Company requires long distance deposits, he hoped the Council might put an amendment there where the long distance deposits would be standardized and that the students not be penalized.

Mr. Charles Merrill commended the Bell Telephone Company stating his experience with Southwestern Bell in Austin had been nothing but good, their service had been prompt, and it had been cheaper. He favored a rate increase.

Motion

Mayor Pro Tem Love, noting that the Committee recommended somewhere between 5 per cent and 15 per cent and the Council had settled on a 9.5 per cent, and this being the last day and the last reading of the ordinance, moved that the Council in line with the first two readings of the ordinance, the 9.5 per cent maximum, in terms of the total understanding be granted with the additional stipulations that adjustments be made on certain individual rates that conform to the one-party \$6.40 a month; one-party business \$16.35, the Centrex to \$6.25; the extension to \$2.15 and also including the reporting procedures of the City Attorney. The motion, seconded by Councilman Dryden, failed to carry by the following vote:

Ayes: Councilman Dryden, Mayor Pro Tem Love

Noes: Councilmen Binder, Lebermann, Friedman, Handcox, Mayor Butler

Motion

Councilman Binder moved the Council adopt the motion proposed by Mayor Pro Tem Love without Mayor Pro Tem Love's amendments and with the individual home owner at the \$6.00 as the one-party residence and the home extensions at \$1.35 instead of \$1.25. The motion died for lack of a second.

Motion

Councilman Handcox moved the Council adopt the motion proposed by Mayor Pro Tem Love with the exception that all revenues from the Yellow Pages be included and that the over all revenue should not exceed the 9.5 per cent. Mayor Pro Tem Love seconded the motion.

Substitute Motion

Councilman Lebermann offered a substitute motion that the Council pass the original ordinance which had passed on two previous readings. The motion, seconded by Councilman Binder, failed by the following vote:

Ayes: Councilmen Binder, Lebermann, Friedman
Noes: Mayor Pro Tem Love, Councilman Handcox, Mayor Butler, Councilman Dryden

Vote on Councilman Handcox's Motion

Councilman Handcox's motion, that the 9.5 per cent maximum, in terms of the total understanding be granted with the additional stipulations that adjustments be made on certain individual rates that conform to the one-party residence \$6.40 a month; one-party business \$16.35, the Centrex to \$6.25; the extension to \$2.15 and also including the reporting procedures of the City Attorney, with the exception that all revenues from the Yellow Pages be included and that the over all revenue should not exceed the 9.5 per cent, carried by the following vote:

Ayes: Mayor Pro Tem Love, Councilman Handcox, Mayor Butler, Councilman Dryden
Noes: Councilmen Lebermann, Friedman, Binder

ORDINANCE - TELEPHONE RATES
FINAL READING

AN ORDINANCE DETERMINING THE FAIR VALUE RATE BASE OF SOUTHWESTERN BELL TELEPHONE COMPANY FOR THE AUSTIN EXCHANGE; DETERMINING A FAIR RATE OF RETURN THEREON; DETERMINING AND FIXING THE SCHEDULE OF RATES FOR BASIC SERVICES IN THE CITY OF AUSTIN, TEXAS; DETERMINING AND FIXING THE SCHEDULE OF RATES AND CHARGES FOR MISCELLANEOUS SERVICES AND ALL OTHER SERVICES EXCEPT ADVERTISING; PROVIDING A PROCEDURE FOR FILING COMPANY TARIFFS AND REQUIRING APPROVAL THEREOF; PRESCRIBING THE PROCEDURE AND CONTENTS OF A DETAILED ANNUAL REPORT; PROVIDING FOR COUNCIL REVIEW OF ANY DATA BASED ON A PARTICULAR TEST YEAR; AND REQUIRING ACCEPTANCE OF THE RATES PRESCRIBED HEREIN BY SOUTHWESTERN BELL TELEPHONE COMPANY.

The ordinance, with the added stipulations, was read the third time and Councilman Handcox moved that the ordinance be finally passed. The motion, seconded by Mayor Pro Tem Love, carried by the following vote:

Ayes: Mayor Pro Tem Love, Councilman Handcox, Mayor Butler, Councilman Dryden
Noes: Councilmen Lebermann, Friedman, Binder

The Mayor announced that the ordinance had been finally passed.
