Mayor Pro Tem Love announced this was a Special Called Meeting for the purpose of canvassing the official returns of the Municipal Run-Off Election held Saturday, May 5, 1973.

City Attorney Don Butler stated the official returns were in the envelopes of the Mayor and a copy is in the City Clerk's envelope. He stated if the Council desired, it could go through each of these returns and tally the totals. However, the computer runs for each precinct are available, and they have been checked by the election officials and double checked; there seems to be no discrepancy of consequence. The totals are indicated on the Resolution which the Council has before it.

Councilman Dryden stated the City Attorney has been here helping the Council, and that these returns are in order, properly arranged, and prepared. Councilman Dryden moved that the Council accept the returns as presented by the City Attorney and adopt the resolution. Councilman Handcox seconded the motion which carried by the following vote:
