Program Goals And Objectives

Goals:

River City Youth Foundation (RCYF) maintains a neighborhood-based safe place and learning center year-round for youth during out-of-school time hours including after school, summer, and some holidays. RCYF provides positive role models and programming to at-risk youth that aims to improve academic performance, encourage positive attitudes among youth, and teach life skills that give youth necessary tools to be productive in school and reduce behavior that requires disciplinary action.

Objectives:

RCYF provides services targeting at-risk youth and their families in the Dove Springs community. Out-of-school-time programming for youth is conducted year-round to promote academic success, positive character development, healthy lifestyles, and encourage productive community engagement.

Leadership skills training, enrichment activities, academic instruction and tutoring, college & career readiness, and opportunities for involvement in community service projects are available for youth participants. Supervised relationships with caring adult professionals and volunteers provide youth with positive adult role models.

RCYF fosters opportunities for parental involvement in youth's academic success, personal development, and safety through holistic, culturally appropriate, and health activities at RCYF's Success Center, school campuses, and other facilities that work in cooperation with RCYF. Case management referrals are provided for clients that need in-depth services related to mental health, substance use, domestic violence, and other basic needs.

Program Clients Served

RCYF's Dove Springs Youth Services (DSYS) serves the Dove Springs community, which is located in the 78744 zip code. To participate in the DSYS program, youth must be 5-17 years old and reside in the 78744 area. Families of youth participants are eligible to participate in programming as well. The vast majority of RCYF youth clients qualify for free or reduced price meals in school. According to the Texas Department of Family and Protective Services, the 78744 zip code has historically been an area with high rates of juvenile delinquency and crime. Youth may be self-referred or referred by external sources including a school, non-profit, juvenile authority, or other qualified referral sources.

Approved Client Eligibility Waiver:

In lieu of the standard eligibility requirements in Exhibit A.3, all youth that are 5-17 years old that live in the 78744 zip code and/or attend school in 78744 and the families of those youth are eligible to participate in the DSYS program.

Program Services And Delivery

The DSYS program provides year-round, cost-free bilingual services for clients. The services in this program include case management, parent and community education, structured education and training for youth, informal mentoring, provision of nutritious meals, and community events for youth and their families that promote education, careers, and healthy lifestyles. Case management services are provided through a cooperative process of assessment, facilitation, and advocacy to help clients with basic needs, employment, and other issues, primarily through referral services that are documented in RCYF client files. Parent and community education is provided on an as needed basis and organized in response to community needs that arise. The structured education and training for youth is provided as part of the daily out-of-school time services. These educational services may include college and career training, healthy lifestyle education, and character development activities (provided by staff, interns, professionals in the field, all courses overseen by RCYF staff). Informal mentoring services provide youth with positive adult role models who may provide academic tutoring and/or support. River City Youth Foundation serves meals made on-site during after school hours and serves meals that may be provided by community partners and/or made on site during the summer programming.

Services are available after school approximately between the hours of 3-7 pm, on weekends, and during periods when schools are closed including spring break, summer, and during some other school holidays. Program activities may be scheduled at RCYF's Success Center or off-site at collaborating facilities including local churches, the Dove Springs Recreation Center, the Southeast Branch Library, parks, and at neighborhood schools.

The key strategies for effective service delivery include:

- 1) Continuous engagement of bilingual volunteers from throughout the Austin area including corporations, universities, and the faith community
- 2) Parental involvement in the education of their children at the Success Center through event participation and volunteerism
- 3) Free community events that may include the TechComunidad Family computer literacy training, Father's Day Parade & Fiesta, Start the Peace Concert/Back to School event, and the Merry Memories Holiday toy giveaway in December for low income families
- 4) Utilize all community space available including the Success Center and other offsite community spaces to provide expanded opportunities for youth learning

System for Collecting and Reporting Program Data

General registration documentation, school report cards, and client satisfaction surveys, and success stories are collected and analyzed to determine the student's academic and behavioral needs, which has application in determining the plan of service for the clients and families. All records are maintained and analyzed utilizing Excel.

Performance Evaluation

Grades and school attendance data are collected and analyzed and compared in a time series across quarters. This data is used to determine the program's effectiveness on maintaining and improving school performance, attitudes, and behaviors for youth participants. Data is reviewed twice annually at a minimum by internal staff to identify trends and needs. The Board receives presentations during Board meetings on program performance no less than twice a year, where they have an opportunity to provide feedback about program structure and approach.

Quality Improvement

Analysis to identify opportunities for quality improvement is conducted after each academic school year and summer program including evaluation of services, as well as on an as-needed basis as community and client needs arise. The process used to identify issues in service delivery includes analysis of data derived from program evaluation reports and client satisfaction surveys, dialogue between RCYF staff and community partners, and dialogue with clients, youth, and parents about the services they need. Staff uses this data and feedback to implement necessary program changes to improve the quality of service, and seek outside resources to assist clients with needs that are outside the scope of this program. Staff follows up after program changes to ensure corrective actions have been effective, which is overseen by the Executive Director with support from key staff.

Service Coordination with Other Agencies

RCYF cooperates locally with state, city, and county agencies; nonprofits; local schools; faith community organizations sharing space for outreach programming; and civic organizations that partner with RCYF to ensure basic needs, volunteers, and other resources reach program target populations. RCYF cooperates in a range of educational improvement activities utilizing the Success Center, a technology hub in Dove Springs, which provides over 80K square feet of connectivity year-round to low income families. RCYF has ongoing relationships with other Dove Springs organizations that seek to improve the quality of life for children and families including, but not limited to Go! Austin/Vamos! Business Associate agrees that if it maintains a Designated Record Set for Covered Entity that is not maintained by Covered Entity, it will permit an Individual to inspect or copy PHI about the Individual in that set as directed by Covered Entity to meet the requirements of 45 C.F.R. § 164.524. If the PHI is in electronic format, the Individual shall have a right to obtain a copy of such information in electronic format and, if the Individual chooses, to direct that an electronic copy be transmitted directly to an entity or person designated by the individual in accordance with HITECH section 13405 (c). Business Associate agrees, if it maintains PHI in a Designated Record Set, to make amendments to PHI at the request and direction of Covered Entity pursuant to 45 C.F.R. §164.526. If Business Associate maintains a record in a Designated Record Set that is not also maintained by Covered Entity, Business Associate agrees that it will accommodate an Individual's request to amend PHI only in conjunction with a determination by Covered Entity that the amendment is appropriate according to 45 C.F.R. §164.526.
- (c) Accounting of Disclosures. Business Associate agrees to maintain documentation of the information required to provide an accounting of disclosures of PHI, whether PHI is paper or electronic format, in accordance with 45 C.F.R. §164.528 and HITECH Sub Title D Title VI Section 13405 (c), and to make this information available to Covered Entity upon Covered Entity's request, in order to allow Covered Entity to respond to an Individual's request for accounting of disclosures. Under the Privacy Rule, Covered Entity is required to take action on such requests as soon as possible but not later than 60 days following receipt of the request. Business Associate agrees to use its best efforts to assist Covered Entity in meeting this deadline but not later than 45 days following receipt of the request. Such accounting must be provided without cost to the individual or Covered Entity if it is the first accounting requested by an individual within any 12 month period; however, a reasonable, cost-based fee may be charged for subsequent accountings if Business Associate informs the individual in advance of the fee and is afforded an opportunity to withdraw or modify the request. Such accounting is limited to disclosures that were made in the six (6) years prior to the request (not including disclosures prior to the compliance date of the Privacy Rule) and shall be provided for as long as Business Associate maintains the PHI.
8. Internal Practices, Policies and Procedures. Except as otherwise specified herein, Business Associate shall make available its internal practices, books, records, policies and procedures relating to the use and disclosure of PHI, received from or on behalf of Covered Entity to the Secretary or his or her agents for the purpose of determining Covered Entity's compliance with the HIPAA Rules, or any other health oversight agency, or to Covered Entity. Records requested that are not protected by an applicable legal privilege will be made available in the time and manner specified by Covered Entity or the Secretary.
9. Notice of Privacy Practices. Business Associate shall abide by the limitations of Covered Entity's Notice of which it has knowledge. Any use or disclosure permitted by this Agreement may be amended by changes to Covered Entity's Notice; provided, however, that the amended Notice shall not affect permitted uses and disclosures on which Business Associate relied prior to receiving notice of such amended Notice.

10. Withdrawal of Authorization. If the use or disclosure of PHI in this Agreement is based upon an Individual's specific authorization for the use or disclosure of his or her PHI, and the Individual revokes such authorization, the effective date of such authorization has expired, or such authorization is found to be defective in any manner that renders it invalid, Business Associate shall, if it has notice of such revocation, expiration, or invalidity, cease the use and disclosure of the Individual's PHI except to the extent it has relied on such use or disclosure, or if an exception under the Privacy Rule expressly applies.
11. Knowledge of HIPAA Rules. Business Associate agrees to review and understand the HIPAA Rules as it applies to Business Associate, and to comply with the applicable requirements of the HIPAA Rule, as well as any applicable amendments.

Business Associate expressly recognizes that Covered Entity has certain reporting and disclosure obligations to the Secretary and the Individual in case of a security breach of unsecured PHI. Where Business Associate accesses, maintains, retains, modifies, records, stores, destroys, or otherwise holds, uses or discloses unsecured paper or electronic PHI, Business Associate immediately following the "discovery" (within the meaning of 45 C.F.R. §164.410(a)) of a breach of such information, shall notify Covered Entity of such breach. Initial notification of the breach does not need to be in compliance with 45 C.F.R. §164.404(c); however, Business Associate must provide Covered Entity with all information necessary for Covered Entity to comply with 45 C.F.R. §164.404(c) without reasonable delay, and in no case later than three days following the discovery of the breach. Business Associate shall be liable for the costs associated with such breach if caused by the Business Associate's negligent or willful acts or omissions, or the negligent or willful acts or omissions of Business Associate's agents, officers, employees or subcontractors.
14. Breach Notification to Individuals. Business Associate's duty to notify Covered Entity of any breach does not permit Business Associate to notify those individuals whose PHI has been breached by Business Associate without the express written permission of Covered Entity to do so. Any and all notification to those individuals whose PHI has been breached shall be made by the Business Associate under the direction, review and control of Covered Entity. The Business Associate will notify the Covered Entity via telephone with follow-up in writing to include; name of individuals whose PHI was breached, information breached, date of breach, form of breach, etc. The cost of the notification will be paid by the Business Associate.
15. Information Breach Notification for Other Sensitive Personal Information. In addition to the reporting under Section D.12, Business Associate shall notify

Also, Business Associate may use PHI to report violations of law to appropriate Federal and State authorities, consistent with the HIPAA Rules.

1. Use. Business Associate will not, and will ensure that its directors, officers, employees, contractors and other agents do not, use PHI other than as permitted or required by Business Associate to perform the Services or as required by law, but in no event in any manner that would constitute a violation of the Privacy Standards or Security standards if used by Covered Entity.
2. Disclosure. Business Associate will not, and will ensure that its directors, officers, employees, contractors, and other agents do not, disclose PHI other than as permitted pursuant to this arrangement or as required by law, but in no event disclose PHI in any manner that would constitute a violation of the Privacy Standards or Security Standards if disclosed by Covered Entity.
3. Business Associate acknowledges and agrees that Covered Entity owns all right, title, and interest in and to all PHI, and that such right, title, and interest will be vested in Covered Entity. Neither Business Associate nor any of its employees, agents, consultants or assigns will have any rights in any of the PHI, except as expressly set forth above. Any additional security requirements contained in Sub Title D of Title IV of the HITECH Act that apply to Covered Entity shall also apply to Business Associate. Pursuant to

the foregoing requirements in this section, the Business Associate will implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of the paper or electronic PHI that it creates, has access to, or transmits. Business Associate will also ensure that any agent, including a subcontractor, to whom it provides such information, agrees to implement reasonable and appropriate safeguards to protect such information. Business Associate will ensure that PHI contained in portable devices or removable media is encrypted.

2. Annual Guidance. For the first year beginning after the date of the enactment of the HITECH Act and annually thereafter, the Secretary shall annually issue guidance on the most effective and appropriate technical safeguards for use in carrying out the sections referred to in subsection (a) and the security standards in subpart C of part 164 of title 45, Code of Federal Regulations. Business Associate shall, at their own cost and effort, monitor the issuance of such guidance and comply accordingly.
3. Privacy Provisions. The enhanced HIPAA privacy requirements including but not necessarily limited to accounting for certain PHI disclosures for treatment, restrictions on the sale of PHI, restrictions on marketing and fundraising communications, payment and health care operations contained Subtitle D of the HITECH Act that apply to the Covered entity shall equally apply to the Business Associate.
4. Application of Civil and Criminal Penalties. If Business Associate violates any security or privacy provision specified in subparagraphs (1) and (2) above, sections 1176 and 1177 of the Social Security Act (42 U.S.C. 1320d-5, 1320d-6) shall apply to Business Associate with respect to such violation in the same manner that such sections apply to Covered Entity if it violates such provisions.

 - a. Provide an opportunity for Business Associate to cure the breach within 30 days of written notice of such breach or end the violation and terminate this Agreement, whether it is in the form of a stand alone agreement or an addendum to a Master Services Agreement, if Business Associate does not cure the breach or end the violation within the time specified by Covered Entity; or
 - b. Immediately terminate this Agreement whether it is in the form of a stand alone agreement or an addendum to a Master Services Agreement if

Business associate has breached a material term of this Agreement and cure is not possible.

3. Effect of Termination. Upon termination of this Agreement for any reason, Business Associate agrees to return or destroy all PHI received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity, maintained by Business Associate in any form. If Business Associate determines that the return or destruction of PHI is not feasible, Business Associate shall inform Covered Entity in writing of the reason thereof, and shall agree to extend the protections of this Agreement to such PHI and limit further uses and disclosures of the PHI to those purposes that make the return or destruction of the PHI not feasible for so long as Business Associate retains the PHI.

H. Miscellaneous.

1. Indemnification. To the extent permitted by law, Business Associate agrees to indemnify and hold harmless Covered Entity from and against all claims, demands, liabilities, judgments or causes of action of any nature for any relief, elements of recovery or damages recognized by law (including, without limitation, attorney's fees, defense costs, and equitable relief), for any damage or loss incurred by Covered Entity arising out of, resulting from, or attributable to any acts or omissions or other conduct of Business Associate or its agents in connection with the performance of Business Associate's or its agents' duties under this Agreement. This indemnity shall apply even if Covered Entity is alleged to be solely or jointly negligent or otherwise solely or jointly at fault; provided, however, that a trier of fact finds Covered Entity not to be solely or jointly negligent or otherwise solely or jointly at fault. This indemnity shall not be construed to limit Covered Entity's rights, if any, to common law indemnity.

Covered Entity shall have the option, at its sole discretion, to employ attorneys selected by it to defend any such action, the costs and expenses of which shall be the responsibility of Business Associate. Covered Entity shall provide Business Associate with timely notice of the existence of such proceedings and such information, documents and other cooperation as reasonably necessary to assist Business Associate in establishing a defense to such action.

These indemnities shall survive termination of this Agreement, and Covered Entity reserves the right, at its option and expense, to participate in the defense of any suit or proceeding through counsel of its own choosing.

2. Mitigation. If Business Associate violates this Agreement or either of the HIPAA Rules, Business Associate agrees to mitigate any damage caused by such breach.
3. Rights of Proprietary Information. Covered Entity retains any and all rights to the proprietary information, confidential information, and PHI it releases to Business Associate.

A notice sent by certified mail shall be deemed given on the date of receipt or refusal of receipt.
6. Amendments. This Agreement may not be changed or modified in any manner except by an instrument in writing signed by a duly authorized officer of each of the Parties hereto. The Parties, however, agree to amend this Agreement from time to time as necessary, in order to allow Covered Entity to comply with the requirements of the HIPAA Rules.
7. Choice of Law. This Agreement and the rights and the obligations of the Parties hereunder shall be governed by and construed under the laws of the State of Texas without regard to applicable conflict of laws principles.
8. Assignment of Rights and Delegation of Duties. This Agreement is binding upon and inures to the benefit of the Parties hereto and their respective successors and permitted assigns. However, neither Party may assign any of its rights or delegate any of its obligations under this Agreement without the prior written consent of the other Party, which consent shall not be unreasonably withheld or delayed. Notwithstanding any provisions to the contrary, however, Covered Entity retains the right to assign or delegate any of its rights or obligations hereunder to any of its wholly owned subsidiaries, affiliates or successor companies. Assignments made in violation of this provision are null and void.
9. Nature of Agreement. Nothing in this Agreement shall be construed to create (i) a partnership, joint venture or other joint business relationship between the Parties or any of their affiliates, (ii) any fiduciary duty owed by one Party to another Party or any of its affiliates, or (iii) a relationship of employer and employee between the Parties.
10. No Waiver. Failure or delay on the part of either Party to exercise any right, power, privilege or remedy hereunder shall not constitute a waiver thereof. No provision of this Agreement may be waived by either Party except by a writing signed by an authorized representative of the Party making the waiver.
11. Equitable Relief. Any disclosure of misappropriation of PHI by Business Associate in violation of this Agreement will cause Covered Entity irreparable harm, the amount of which may be difficult to ascertain. Business Associate therefore agrees that Covered Entity shall have the right to apply to a court of competent jurisdiction for specific performance and/or an order restraining and enjoining Business Associate from any such further disclosure or breach, and for such other relief as Covered Entity shall deem appropriate. Such rights are in addition to any other remedies available to Covered Entity at law or in equity. Business Associate expressly waives the defense that a remedy in damages will be adequate, and further waives any requirement in an action for specific performance or injunction for the posting of a bond by Covered Entity.

12. Severability. The provisions of this Agreement shall be severable, and if any provision of this Agreement shall be held or declared to be illegal, invalid or unenforceable, the remainder of this Agreement shall continue in full force and effect as though such illegal, invalid or unenforceable provision had not been contained herein.
13. No Third Party Beneficiaries. Nothing in this Agreement shall be considered or construed as conferring any right or benefit on a person not a party to this Agreement nor imposing any obligations on either Party hereto to persons not a party to this Agreement.
14. Headings. The descriptive headings of the articles, sections, subsections, exhibits and schedules of this Agreement are inserted for convenience only, do not constitute a part of this Agreement and shall not affect in any way the meaning or interpretation of this Agreement.
15. Entire Agreement. This Agreement, together with all Exhibits, Riders and amendments, if applicable, which are fully completed and signed by authorized persons on behalf of both Parties from time to time while this Agreement is in effect, constitutes the entire Agreement between the Parties hereto with respect to the subject matter hereof and supersedes all previous written or oral understandings, agreements, negotiations, commitments, and any other writing and communication by or between the Parties with respect to the subject matter hereof. In the event of any inconsistencies between any provisions of this Agreement in any provisions of the Exhibits, Riders, or amendments, the provisions of this Agreement shall control.
16. Interpretation. Any ambiguity in this Agreement shall be resolved in favor of a meaning that permits Covered Entity to comply with the HIPAA Rules and any applicable state confidentiality laws. The provisions of this Agreement shall prevail over the provisions of any other agreement that exists between the Parties that may conflict with, or appear inconsistent with, any provision of this Agreement or the HIPAA Rules.
17. Regulatory References. A citation in this Agreement to the Code of Federal Regulations shall mean the cited section as that section may be amended from time to time.

Any news release, sign, brochure, or other advertising medium including websites disseminating information prepared or distributed by or for the Contractor shall recognize the City as a funding source and include a statement that indicates that the information presented does not officially represent the opinion or policy position of the City.
- 8.10 **No Contingent Fees.** The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure the Contract upon any agreement or understanding for commission, percentage, brokerage, or contingent fee, excepting bona fide employees of bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the City shall have the right, in addition to any other remedy available, to cancel the Contract without liability and to deduct from any amounts owed to the Contractor, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.
- 8.11 **Gratuities.** The City may, by written notice to the Contractor, cancel the Contract without liability if it is determined by the City that gratuities were offered or given by the Contractor or any agent or representative of the Contractor to any officer or employee of the City with a view toward securing the Contract or securing favorable treatment with respect to the awarding or amending or the making of any determinations with respect to the performing of such contract. In the event the Contract is canceled by the City pursuant to this provision, the City shall be entitled, in addition to any other rights and remedies, to recover or withhold the amount of the cost incurred by the Contractor in providing such gratuities.

- 8.12 **Prohibition Against Personal Interest in Contracts.** No officer, employee, independent consultant, or elected official of the City who is involved in the development, evaluation, or decision-making process of the performance of any solicitation shall have a financial interest, direct or indirect, in the Contract resulting from that solicitation. Any willful violation of this section shall constitute impropriety in office, and any officer or employee guilty thereof shall be subject to disciplinary action up to and including dismissal. Any violation of this provision, with the knowledge, expressed or implied, of the Contractor shall render the Contract voidable by the City.
- 8.13 **Independent Contractor.** The Contract shall not be construed as creating an employer/employee relationship, a partnership, or a joint venture. The Contractor's services shall be those of an independent contractor. The Contractor agrees and understands that the Contract does not grant any rights or privileges established for employees of the City.
- 8.14 **Assignment-Delegation.** The Contract shall be binding upon and enure to the benefit of the City and the Contractor and their respective successors and assigns, provided however, that no right or interest in the Contract shall be assigned and no obligation shall be delegated by the Contractor without the prior written consent of the City. Any attempted assignment or delegation by the Contractor shall be void unless made in conformity with this paragraph. The Contract is not intended to confer rights or benefits on any person, firm or entity not a party hereto; it being the intention of the parties that there be no third party beneficiaries to the Contract.
- 8.15 **Waiver.** No claim or right arising out of a breach of the Contract can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party. No waiver by either the Contractor or the City of any one or more events of default by the other party shall operate as, or be construed to be, a permanent waiver of any rights or obligations under the Contract, or an express or implied acceptance of any other existing or future default or defaults, whether of a similar or different character.
- 8.16 **Modifications.** The Contract can be modified or amended only by a written, signed agreement by both parties. No pre-printed or similar terms on any Contractor invoice, order, or other document shall have any force or effect to change the terms, covenants, and conditions of the Contract.
- 8.17 **Interpretation.** The Contract is intended by the parties as a final, complete and exclusive statement of the terms of their agreement. No course of prior dealing between the parties or course of performance or usage of the trade shall be relevant to supplement or explain any term used in the Contract. Although the Contract may have been substantially drafted by one party, it is the intent of the parties that all provisions be construed in a manner to be fair to both parties, reading no provisions more strictly against one party or the other. Whenever a term defined by the Uniform Commercial Code, as enacted by the State of Texas, is used in the Contract, the UCC definition shall control, unless otherwise defined in the Contract.
- 8.18 **Dispute Resolution.**
- 8.18.1 If a dispute arises out of or relates to the Contract, or the breach thereof, the parties agree to negotiate prior to prosecuting a suit for damages. However, this section does not prohibit the filing of a lawsuit to toll the running of a statute of limitations or to seek injunctive relief. Either party may make a written request for a meeting between representatives of each party within fourteen (14) calendar days after receipt of the request or such later period as agreed by the parties. Each party shall include, at a minimum, one (1) senior level individual with decision-making authority regarding the dispute. The purpose of this and any subsequent meeting is to attempt in good faith to negotiate a resolution of the dispute. If, within thirty (30) calendar days after such meeting, the parties have not succeeded in negotiating a resolution of the dispute, they will proceed directly to mediation as described below. Negotiation may be waived by a written agreement signed by both parties, in which event the parties may proceed directly to mediation as described below.
- 8.18.2 If the efforts to resolve the dispute through negotiation fail, or the parties waive the negotiation process, the parties may select, within thirty (30) calendar days, a mediator trained in mediation skills to assist with resolution of the dispute. Should they choose this option, the City and the Contractor agree to act in good faith in the selection of the mediator and to give consideration to qualified

individuals nominated to act as mediator. Nothing in the Contract prevents the parties from relying on the skills of a person who is trained in the subject matter of the dispute or a contract interpretation expert. If the parties fail to agree on a mediator within thirty (30) calendar days of initiation of the mediation process, the mediator shall be selected by the Travis County Dispute Resolution Center (DRC). The parties agree to participate in mediation in good faith for up to thirty (30) calendar days from the date of the first mediation session. The City and the Contractor will share the mediator's fees equally and the parties will bear their own costs of participation such as fees for any consultants or attorneys they may utilize to represent them or otherwise assist them in the mediation.

The parties further agree to reform the Contract to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. Program Clients Served

2. Program clients served:

With a mission to "increase the number of Dove Springs youth and families who live safe, healthy, and prosperous lives", RCYF's Dove Springs Youth Services (DSYS) has a geographic focus to serve the 78744 Dove Springs community. To participate in our program, youth must be 5-18 years and reside in the 78744 area. Based on a combination of data from law enforcement and schools, youth living in Dove Springs are considered to be high risk for juvenile crime, school failure, dropping out, fighting, and issues related to living in a neighborhood that has high levels of intergenerational poverty and low levels of educational attainment. Youth in Dove Springs are at risk of illegal drug use and of neighborhood violence as victims or perpetrators. In response to the rapidly growing number of Hispanics living in Dove Springs, the majority of families served by RCYF tend to be low income Hispanics with large families, many of whom struggle with job and housing instability as well as overcrowded conditions. RCYF serves a high number of newly arrived immigrant families who have English-limited proficiency. Over 95% of RCYF clients qualify for the Free and Reduced Price Meals program throughout more than 10 area public and charter schools attended by our clients. Youth may be self-referred or referred by an external source including a school, non-profit, juvenile authority, or other qualified referral source.

Consistent with the City of Austin Health & Human Services Social Service Contracts Client Eligibility Requirements, clients served must satisfy identity, residency, and income requirements through appropriate documentation. Pending appropriate documentation, eligible clients may receive services by providing a Declaration of Identity supported by client residency documents and/or a Self Declaration of No Income and/or valid documentation from their child's school verifying eligibility in the Free and Reduced Price Meals program.

Program Services And Delivery

3. Program services and delivery:

RCYF's Dove Springs Youth Services (DSYS) program provides year-round, cost-free bilingual services that align with our mission to help Dove Springs 78744 youth and families to live safe, healthy, and prosperous lives. The services we provide

include: individual counseling, psycho-educational groups, case management, parent and community outreach, structured education and training, mentoring, nutritious meals, and community events that promote education, careers, and healthy lifestyles. Case management services are provided through a cooperative process of assessment, facilitation, and advocacy to help our clients with basic needs, employment, and other issues.

Services are scheduled to meet the critical needs of the families served by DSYS year-round. They are provided after school between the hours of 3-7 pm, or later as needed; weekends, and during days when schools are closed including spring break, summer, and during the winter holidays. Program activities may be scheduled at RCYF's Success Center or off-site at collaborating sites including local churches, the recreation center, library, parks, and at neighborhood schools. As a community center in the heart of Dove Springs, RCYF's Success Center hosts a variety of year-round trainings for parents, children, volunteers, and mentors. In addition, special community educational and family events are generally conducted on weekends to expand the opportunities for direct involvement by working parents in their children's educational development.

DSYS program activities are based upon a number of best practices and research based ideas. DSYS provides services within a complementary learning framework which is based on the idea that children need multiple opportunities to learn and grow-at home, in school, and in the community (Harvard Family Research Project). This systemic approach recognizes the critical role of supportive and engaged families, non-school supports, and community-based and cultural institutions in promoting children's success.

Among the most utilized resources by RCYF for program activity design and planning are Child Trends (childtrends.org) and National Institute on Out of School Time (niost.org). These resources, which focus much of their work on under-served populations, provide research briefs, curriculum information, and ideas to help our neighborhood-based agency develop activities that address issues including bullying, substance abuse, neighborhood safety, health, mental health, nutrition and exercise, academics, family engagement, and other issues.

DSYS youth and family workers are trained by Rainbow Days in the Curriculum-Based Support Group (CBSG) Program. This is a best practices model that uses Youth Connection for older youth and Kids Connection, Too for younger youth served by our DSYS program.

Out of school time activities are year-round for youth and families. During the school year, services are conducted at RCYF's Success Center during after school hours Monday through Friday including evenings and most weekends. During spring break and summertime, learning camps provide critical daytime, evening and weekend activities when schools are typically closed. Due to the increased number of at risk youth in Dove Springs, our curriculum-based psycho-educational groups are in high demand by school counselors at six area schools. With current resources, we provide psycho-educational groups during the academic year to youth at Perez and Rodriguez Elementary Schools and Mendez Middle School. Because clients reside in the neighborhood, their participation is encouraged on an ongoing basis throughout the year and at age 18 are welcomed to participate as a mentor/tutor or adult volunteer.

Through activities that are engaging, innovative, and accessible - our high risk youth are provided opportunities for learning pro social behaviors such as respecting others. These personal improvements in a client's attitude or behavior are important to the individual and because they decrease the chance of negative behaviors like fighting and violence – they can also improve families and community.

The key service strategies of DSYS are grounded on some of the most unique needs of our predominantly low income Hispanic population of families. They need free year-round "wraparound" services located in a safe place to which they can walk from their home and school. These needs are strategically addressed at the RCYF Success Center where DSYS is housed. The Success Center is a combined indoor/outdoor parkland space in the heart of Dove Springs that includes a state of the art Dell/Google technology lab, a health certified kitchen, vegetable gardens, a walking trail, outdoor family sports including soccer, basketball, and volleyball. It is a place of peace and productivity, where "anytime is learning time."

The key strategies to our effective service delivery include: 1) Continuous engagement of bilingual volunteers and mentors from throughout the Austin area including corporations, universities, and the faith community; 2) parental involvement in the education of their children at the Success Center matching their skills and talents with the needs of our agency (e.g., parents decorate the center for special activities using indigenous artisan skills from their home country, participate in gardening, landscaping, cooking, and other activities where they can bond with staff as well as other parents); 3) free community events on-site at RCYF and at various neighborhood sites in Dove Springs promote safe, positive, and healthy youth lifestyles.

These family-strengthening annual events include: TechComunidad Family computer literacy training, Father's Day Parade & Fiesta, Start the Peace Concert/Back to School event, and the Merry Memories Holiday toy giveaway in December for thousands of low income families; 4) Expansion of additional classrooms, multi-media, and nutrition training using space in area schools, churches, and public facilities like our neighborhood recreation center and library.

RCYF's DSYS includes a specialized component: coordinated mentoring services (MY! Hero). These year-round services are professionally staffed to ensure that the program is operated with ten recommended best practices: 1) a statement of purpose and a long range plan; 2) a recruitment plan for mentors and mentees; 3) an orientation for mentors and mentees; 4) an eligibility screening for mentors and mentees; 5) a readiness and training curriculum for all mentors and mentees; 6) a matching strategy; 7) a monitoring process; 8) a support, recognition and retention component; 9) closure steps; and 10) an evaluation process.

In order to promote our client's academic success, positive leadership, social skills, and college and career awareness, our coordinated mentoring services operate focused activities that engage mentors from local business, universities, faith community, and the community at large including mentors of color. Our Mentor Orientation uses a Mentor Handbook which includes agency policies related to gift giving, confidentiality, reporting child abuse/neglect, interaction with the school, and other items of importance. Mentor eligibility screening and standards are comprised of 1) an application process and review; 2) a face-to-face interview; 3) reference checks which include a criminal history record check, character references, child abuse registry check, and driving record checks; 4) suitability criteria that relate to the program statement of purpose and needs of the target population including a personality profile; skills identification, gender, age, language and cultural understanding, level of education, career interests, motivation for volunteering; and academic standing; 5) successful completion of pre-match training and orientation; and 6) recognition activities to recognize mentors, enhance mentor retention, and increase the community's awareness of the contributions made by mentors, mentees, supporters and funding agencies. Mentoring relationships are encouraged for one-year duration periods and mentor-mentee contacts are targeted for an average contact of four to eight hours per month.

System for Collecting and Reporting Program Data

4. System for collecting and reporting program data:

General registration documentation, AISD report cards, RCYF Teacher-Child Rating Scales, and client satisfaction surveys are collected and analyzed over a time series. Client satisfaction surveys are collected on a quarterly basis from students as well as from parents. Information, which is analyzed to determine the student's academic and behavioral needs, has immediate application in determining the plan of service for the client and family. Program coordinator maintains an Evaluation Handbook, which includes the narrative evaluation plan, master copies of the data collection forms, instruction for completing the forms, and descriptions of how the data are to be used for purposes of program evaluation. Coordinator sets aside approximately 5 hours per quarter to ensure that data collected is accurately entered into the ACCESS database. Queries are set up in the ACCESS data base to compare results recorded across quarters in order to track progress toward improved attitude/behavior.

The impact of the MY! Hero program will be evaluated through a combination of measurement tools including pre-post tests, mentor and mentee surveys, and parent surveys.

Performance Evaluation

5a. Performance evaluation:

The purpose of our evaluation is to examine the impact of our program on participating youth to determine maintained/improved school performance and attitude and behavior, measures which reflect a child's ability to progress to the next academic level. Grades and school attendance data are collected and analyzed and compared in time series across quarters. Improved attitude/behavior data for children younger than 11 is indicated by: Reduced frequency of aggressive acting out, of shy/anxious behavior, and/or increased frequency of assertive social skills as measured with the Teacher-Child Rating Scale (TCRS). Indicators of improved attitude/behavior for children and youth 11 and older is indicated by: Reduced frequency of involvement with risky behaviors (arguing with family, arguing with teachers, fighting, using tobacco, being arrested or in trouble with the law) and/or increased frequency of involvement with self-disciplined and pro-social behaviors

(participating in in-school or out-of-school activities such as sports, drama, or church groups; participating in positive activities such as counseling, educational support groups and /or community services activities at the Success Center).

Quality Improvement

5b. Quality improvement:

The process we use to identify problems in service delivery is a combination of data analysis derived from program evaluation reports and client satisfaction surveys, dialogue between RCYF staff and collaborators, and information derived from dialogue with our clients, youth as well as parents, about the services they need. Once an area has been identified that needs to be modified, every effort is made by the staff to implement the change or to seek outside resources to assist with the need. The follow up to ensure corrective actions have been effective is the job of the executive director with support from key staff.

Through this process, we identify potential barriers in service delivery including the need for increased Spanish speakers to work directly with our youth and families. The need for transportation is being resolved through the acquisition of donated vans. The ongoing need for free lunches for low income youth during summer is being resolved through a partnership with Capital Area Food Bank's summer lunch program and the expansion of our Success Center kitchen through a partnership with Lowes. The need of parents who work a night shift is being resolved with flexible program schedules.

To maintain our Success Center as a safe place for youth and families year-round requires rapid identification and repair of property vandalism, which is high in Dove Springs. The activities that are designed to overcome the chronic vandalism extend to the formation of a neighborhood watch, strong collaboration with local police, and innovative partnerships with private corporations. Convergent Technologies installed and maintains industrial quality surveillance systems pro bono so service delivery can be provided in a safe indoor/outdoor community parkland facility.

In serving survivors of the Halloween Flood, RCYF is facing residual service delivery issues through participation with TARG (Travis Austin Recovery Group) which we helped form to deal with long term needs of hundreds of flood survivors.

Community Planning Activities

7. Community planning activities:

As the first nonprofit youth agency to establish a continuous presence in Dove Springs since the 1980's, RCYF has taken a lead in local community planning that impacts the services we provide to our clients. RCYF maintains its involvement in the Southeast Combined Neighborhood Plan (SCNP), begun more than 25 years ago.

RCYF participates in APD Southeast Commander's meetings, Dove Springs Recreation Center Advisory Board, Southeast Austin Contact Planning Team, is a partner in the Dove Springs Alliance of organizations serving Dove Springs, has memorandums of agreement with schools we serve including Mendez Middle School and local elementary schools; has been appointed by the City Manager to be the official agency on record representing the Dove Springs area at the Community Development Commission, collaborates with the City's CYD program, and is a founding member of SCAN (Southeast Corner Alliance of Neighbors) DOVE (Directing Our Vision Ecumenically), and TARG (Travis Austin Recovery Group) - organizations which have brought together the educational, business, and faith community to make Dove Springs a safer and more livable community for families.

Current community planning by RCYF involves leadership in a Dell and Google partnership initiative to help make Dove Springs a "Wired" community (RCYF has been selected as one of the 100 sites in Austin to help usher in faster internet, which will further empower our low income community toward improvements in educational attainment, economic success, and overall well-being); leadership in the city's 30 year plan Imagine Austin; our participation in an intensive Dell Center for Healthy Living coalition effort focused on Dove Springs to address health issues facing youth and families., and participation in the development of the Dove Springs District Parkland.

These are other community planning efforts: RCYF has been involved in several Dove Springs organizations that seek to improve the quality of life for children and families. These include GAVA (Go Austin/Vamos Austin) and Urban Patchworks, which seek to increase accessible permaculture gardens for families. In addition, our partnership with the Food Network, Time Warner Cable, and The Texas Hunger Initiative has provided an encased garden at RCYF with built in plumbing. In 2015, RCYF continues to participate with Central Health and the Latino Health Forum in the implementation of a larger regional clinic at the former VA Hospital site in Montopolis.

RCYF's is a lead mobilizer and planner of TARG (Travis Austin Recovery Group). TARG exists to ensure effective and compassionate relief to families and communities impacted by the 2013 Halloween Floods and any future declared disasters affecting the same or similar populations. The community planning surrounding the TARG is ongoing and expected to continue for several years as hundreds of flood survivors rebuild shattered lives.
