RESOLUTION

Whereas, Austin DMA Housing V, LLC has proposed a development for affordable rental housing at the southeast corner of East 5th Street and Navasota Street, named Saltillo Apartments, located in the City of Austin, Travis County;

Whereas, Austin DMA Housing V, LLC intends to submit an application to the Texas Department of Housing and Community Affairs (TDHCA) for 2017 Housing Tax Credits for Saltillo Apartments;

Whereas the City of Austin adopted the Regulating Plan for the Plaza Saltillo TOD Station Area Plan on December 11, 2008, revised via Ordinance No 20130425-106 dated May 25, 2013, and the City of Austin Homestead Preservation Reinvestment Zone No. 1 Preliminary Project Plan and Reinvestment Zone Financing Plan, which was approved by Ordinance No. 20081218-114 dated December 18, 2008;

Whereas, 10 TAC §11.9(d)(7)(A)(ii)(II) of the TDHCA rules governing the Competitive Housing Tax Credit Program provide for an application to be awarded two (2) points for a resolution from a unit of general local government confirming that one particular tax credit project contributes “most significantly to the concerted revitalization efforts of the city.”

Whereas, the City of Austin has determined that the application for Saltillo Apartments submitted to the Texas Department of Housing and Community Affairs by Austin DMA Housing V, LLC qualifies as the development contributing most significantly to the concerted revitalization efforts of the City of Austin.

Be it resolved that:

The governing body of the City of Austin hereby identifies Saltillo Apartments as the development in the 2017 tax credit applicant pool that contributes most significantly to the concerted revitalization efforts of the City of Austin,

Resolved this date.... **[city/county to use its format for resolutions]**.

QAP has not been published in the Texas Register. Staff anticipates it will be submitted to the Texas Register on December 5, 2016, and will become effective 20 days after submission.

(IV) The adopted plan must have sufficient, documented and committed funding to accomplish its purposes on its established timetable. This funding must have been flowing in accordance with the plan, such that the problems identified within the plan will have been sufficiently mitigated and addressed prior to the Development being placed into service.

(ii) Up to seven (7) points will be awarded based on:

(I) Applications will receive four (4) points for a letter from the appropriate local official providing documentation of measurable improvements within the revitalization area based on the target efforts outlined in the plan. The letter must also discuss how the improvements will lead to an appropriate area for the placement of housing; and

(II) Applications may receive (2) points in addition to those under subclause (I) of this clause if the Development is explicitly identified in a resolution by the city or county as contributing more than any other to the concerted revitalization efforts of the city or county (as applicable). A city or county may only identify one single Development during each Application Round for the additional points under this subclause. The resolution from the Governing Body of the city or county that approved the plan is required to be submitted in the Application. If multiple Applications submit resolutions under this subclause from the same Governing Body, none of the Applications shall be eligible for the additional points; and

(III) Applications will receive (1) point in addition to those under subclause (I) and (II) if the development is in a location that would score at least 4 points under Opportunity Index, §11.9(c)(4)(B), except for the criteria found in §11.9(c)(4)(A) and subparagraphs §11.9(c)(4)(A)(i) and §11.9(c)(4)(A)(ii).

(B) For Developments located in a Rural Area.

(i) Applications will receive 4 points for the rehabilitation or demolition and reconstruction of a development in a rural area that is currently leased at 85% or greater by low income households and which was initially constructed prior to 1985 as either public housing or as affordable housing with support from USDA, HUD, the HOME program, or the CDBG program. Demolition and relocation of units must be determined locally to be necessary to comply with the Affirmatively Furthering Fair Housing Rule, or if necessary to create an acceptable distance from Undesirable Site Features or Undesirable Neighborhood Characteristics.

(ii) Applications will receive 3 points for the rehabilitation of a development in a rural area that is currently leased at 85% or greater by low income households and which was initially constructed prior to 1985 as either public housing or as affordable housing with support from USDA, HUD, the HOME program, or the CDBG program if the proposed location requires no disclosure of Undesirable Neighborhood Features under Section §10.101(a)(4) or required such disclosure but the disclosed items were found acceptable.

DMA DEVELOPMENT COMPANY PORTFOLIO — MIXED USE/HIGH RISE DEVELOPMENTS

DMA Development Company recently completed two high density, mid- to high-rise developments. Wildflower Terrace in Austin is a LEED certified building consisting of 201 units, ground floor commercial space, and a four story parking garage on 2.4 acres. Samuel J. Simmons NCBA Estates is a 174-unit senior development in Washington, DC originally constructed in 1981 under the HUD Section 202 Supportive Housing for the Elderly Program. DMA Development Company partnered with the National Caucus and Center on Black Aged to refinance and renovate the development.

DMA DEVELOPMENT COMPANY PORTFOLIO — SENIOR COMMUNITIES

DMA Development Company has perfected its senior independent living design in recent years. The typical DMA senior community consists of one two- or three-story elevator structure surrounded by single story cottages. The elevator structure is attractive to seniors who want the security of proximity to the onsite staff and amenities, while the single story cottages, which often have integrated carports, are attractive to independent residents who are perhaps downsizing from single family homes.

Our management company also provides a full slate of supportive services at all of our properties, including youth mentoring, budget counseling and financial fitness, and resume and job interview skills training.

DMA PROPERTIES — CREATING COMMUNITIES

DMA's apartment communities are all managed by DMA Properties, LLC, which is 100% owned by Diana McIver. DMA Properties provides a different menu of services at every property, depending on the resident needs in that particular community, but intended to foster a sense of community and resident responsibility. At our workforce housing communities, for example, DMA may offer services such as an aftercare program for school age children to include tutoring, computer classes, art and music classes, recreational activities, and character building curriculum. Adult classes are also offered in the areas of financial counseling/literacy, first time homebuyer education, English as a second language, and computer classes. At our senior communities, services are offered that encourage health and wellness, such as exercise classes and health screenings; facilitate social interaction such as potluck suppers, coffee gatherings, and movie nights; foster creativity, such as art and writing classes; and stimulate the mind, such as book clubs, literary salons, and computer classes. DMA encourages and supports volunteerism at all properties, both from the standpoint of encouraging our residents to volunteer in the community, as well as encouraging community volunteers to be active with our resident programs.

DMA DEVELOPMENT COMPANY, LLC.

Company History

DMA Development Company, LLC., is the outgrowth of Diana McIver & Associates, Inc. incorporated in January 1987, as the successor company to Conroy & McIver, a Texas general partnership founded by Pat Conroy and Diana McIver in 1979. DMA is wholly owned by Diana McIver and is certified by the State of Texas as a Historically Underutilized Business (HUB). Since inception, the company has expanded its focus from one of assisting nonprofit housing organizations with the development of housing for the elderly under a specialized federal program to one of providing a comprehensive package of services to address the needs of housing providers who must compete in an increasingly more complex environment. Today, DMA provides both development and financial services to a wide-ranging clientele including for profit companies, nonprofit organizations, and governmental agencies.

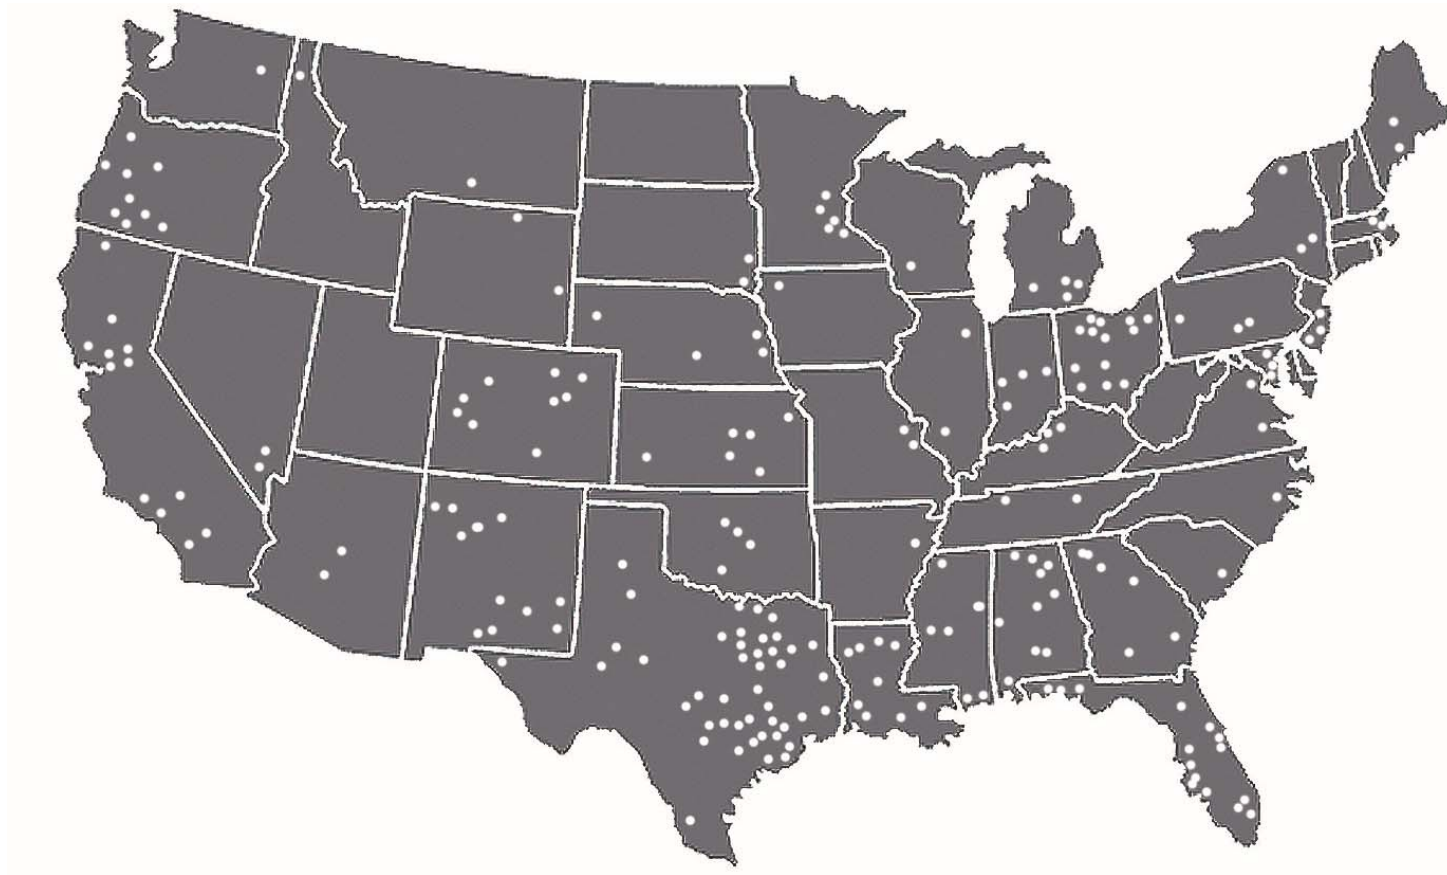

Major Accomplishments

Major accomplishments of **DMA** include:

- **Affordable Special Needs Housing.** Since 1980, the firm has provided development services to nonprofit organizations resulting in the successful development of nearly 300 projects of affordable special needs housing in 41 states. Many of these are financed under HUD's 202 Housing for the Elderly, HUD's 811 Housing for Persons with Disabilities, or the Housing Tax Credit Program (Section 42 of the Internal Revenue Code).
- **Affordable Multifamily Housing Development.** Since 1998, Diana McIver & Associates and its development affiliate, DMA Development Company, LLC, have been actively involved in the development of affordable multifamily housing through the utilization of the Housing Tax Credit Program. To date, DMA and DMA Development Company have successfully obtained funding for more than 48 tax credit developments in Texas, Colorado, Utah, Louisiana, Georgia, Kansas, and Washington, DC. Diana McIver is General Partner in a majority of these.

- **Affordable Housing Acquisition and Preservation.** DMA provided consulting services to nonprofit purchasers of existing federally assisted housing under the Low Income Housing Preservation & Resident Homeownership Act of 1990 (LIHPRHA) from 1994 until the program was terminated by the Congress in 1997. DMA served as consultants for the first sale to a community-based nonprofit in the country under the LIHPRHA program and successfully assisted nonprofit purchasers in obtaining more than \$76 million in financing to acquire and rehabilitate 17 LIHPRHA projects, totaling 1,660 units in 9 states.
- **Public Policy.** Ms. McIver's previous work for the U.S. Senate Committee on Aging has kept her involved in public policy issues affecting the elderly and persons with disabilities. In Texas, she is past president of the Texas Affiliation of Affordable Housing Providers, and has served on its Board of Directors since 2002. Since 2010, she has served on the Board of Directors of the Texas Association of Local Housing Finance Agencies (TALHFA). In January 2001, Diana received a congressional appointment to the fourteen-member Commission on Affordable Housing and Health Care Facility Needs of Seniors in the 21st Century. It was created as a bipartisan Commission, which released its report to the Congress in June 2002. In March 1995, Ms. McIver led the Special Housing Needs component of the White House Conference on Aging Mini-Conference on Elderly Housing. Executive Vice President, JoEllen Smith, has served on the Housing Committee of the Texas Association of Homes and Services for the Aging (TAHSA).
- **Affordable Housing Research.** In 2006, the City of Austin contracted with DMA to develop an Affordable Housing Element in conjunction with each of the City's planned Transit Oriented Districts (TODs), which accompany a planned commuter rail system for the Austin area. This study was completed in January 2009. Additionally, DMA provided consulting services for the City of Austin Affordable Housing Incentives Task Force, which recommended affordable housing incentives to the City Council in February 2007. DMA was also a consultant to ROMA Design Group in the development of Austin's Downtown Plan.

DIANA MCIVER & ASSOCIATES, INC. — HUD SECTION 202 AND 811 DEVELOPMENT MAP
