## Additional Backup Information

The City of Austin Fire Department (AFD), Travis County Emergency Service District # 4 (ESD 4), and related parties have collaborated on the formulation of multiple options for a service agreement that will allow AFD to respond to calls for service within ESD 4's jurisdiction. AFD seeks authorization to move forward with final negotiation of the terms of the Agreement. The terms of the Service Agreement will cover the amount of compensation ESD 4 will pay to the City for providing fire services within ESD 4, the transition of current ESD 4 firefighters into the AFD workforce, and consideration of the disposition of ESD 4 related property and equipment. The initial term of the Agreement will be one year and will automatically renew for up to nine (9) additional one-year terms unless terminated by ESD 4 or the City in accordance with the terms of the Agreement.
