24 **PART 8. Affordable Housing Program.**

25 In this Part 8, MFI means median family income for the Austin-Round Rock metropolitan
26 statistical area, as determined annually by the United States Department of Housing and
27 Urban Development. In order to meet the City's affordable housing goals and to ensure
28 long term affordability, the Landowner agrees to the following:

29 A. Multifamily Rental Housing

30 At least 10% of the total number of multifamily rental housing units located
31 within the Austin Oaks PUD will be set aside for occupancy by households with

1 incomes at 60% of or below the MFI for a rental affordability period of forty
2 years from the date the development achieves full compliance with the terms of
3 the affordable housing program. The 10% set aside under this section constitutes
4 the “Affordable Rental Units.” In addition the Landowner agrees to comply with
5 the following:

- 6 1. Each lot sold or developed for multifamily development use that will include
7 Affordable Rental Units shall be subject to a restrictive covenant using the
8 form shown in **Exhibit L: Affordable Housing Restrictive Covenants**
9 recorded at the time of sale or development in the official public records of
10 the county where the affordable development is located. The form of the
11 restrictive covenant may be revised by agreement of the Director of
12 Neighborhood Housing and Community Development (NHCD) and the
13 Landowner.
- 14 2. Income qualifications and rents must comply with NHCD compliance
15 guidelines. For each Affordable Rental Unit, income qualifications shall
16 include a requirement that households spend no more than 30% of the
17 household’s gross monthly income on utilities and rental payments.
18 Compliance with the affordable housing requirements will be monitored by
19 NHCD.

20 **B. Owner-occupied Housing**

21 At least 10% of the total number of units sold as owner-occupied residential
22 housing units located within the Austin Oaks PUD will be set aside for
23 occupancy by households with incomes at 80% of or below MFI for an
24 affordability period of ninety-nine years for fee-simple ownership units and
25 community land trust units. The 10% set aside under this section constitutes the
26 Affordable Ownership Units. In addition the Landowner agrees to comply with
27 the following:

- 28 1. The Affordable Ownership Units shall have substantially similar
29 architectural design and restrictions as other residential units offered for sale
30 to the general public.
- 31 2. Affordable Ownership Units:
 - 32 a. Must be sold to an income eligible household at 80% of or below MFI;
33 and

1 b. Shall be secured through a restrictive covenant using a form shown in
2 **Exhibit L** and recorded at the time of sale in the official public records of
3 the county where the Affordable Ownership Unit is located. The form of
4 the restrictive covenant may be revised by agreement of the Director of
5 NHCD and the Landowner. The restrictive covenant shall include, but
6 not be limited to the following:

- 7 i. Resale restrictions that require that resale of the affordable unit must
8 be to a household at 80% of or below MFI;
- 9 ii. Restrictions that will cap the equity gain to the homeowner that can
10 be realized upon resale of the affordable unit to maintain the unit's
11 long term affordability in accordance with NHCD guidelines;
- 12 iii. Right of First Refusal to the Austin Housing Finance Corporation
13 (AHFC) or other entity designated by the City that is assignable to
14 an income-qualified buyer, to ensure long term affordability.

15 C. The Landowner shall execute a blanket restrictive covenant in a form
16 substantially similar to the form attached in **Exhibit L**. To ensure that Affordable
17 Ownership and Rental Units are set aside in compliance with Part 8 of this
18 ordinance, the Landowner shall execute the agreement with the City attached as
19 **Exhibit M: Affordable Housing Agreement** that establishes the terms for
20 releasing the blanket restrictive covenant once the Affordable Ownership Units
21 and Affordable Rental Units have been identified within the Austin Oaks PUD.

22 D. The Landowner shall submit a condo declaration to the Director of NHCD for
23 review and approval and the declaration shall include provisions related to the
24 affordable units.

25 E. The Landowner shall file a written report, in a format approved by NHCD, with
26 the Director of NHCD including the number and location of each Affordable
27 Ownership Unit and Affordable Rental Unit meeting the Affordable Housing
28 Requirements within the Austin Oaks PUD. The initial report shall be filed not
29 later 15 calendar days following the date of recordation of a plat or site plan
30 within the Austin Oaks PUD and shall be updated every six months until the
31 Austin Oaks PUD is complete.

32 F. NHCD shall monitor compliance with the requirements of this ordinance, at a
33 minimum, through annual audits.

1 **PART 9. Transportation.**

3 Development Services Department, Transportation Review Section’s
4 Transportation Impact Analysis (TIA) memo dated October 6, 2016, **Exhibit C**,
5 and **Exhibit G**. The Landowner shall pay 100% of costs, including design and
6 overhead, of the improvements specified in **Exhibit C**.
- 7 B. The portions of the public rights-of-way of Executive Center Drive, Wood
8 Hollow Drive, and Hart Lane within, or adjacent to, the Austin Oaks PUD shall
9 be developed in accordance with **Exhibit G** and as may be required by the TIA
10 memo and **Exhibit C**.

AUSTIN OAKS PUD

LAND USE PLAN

AUGUST 30, 2016

UDG JOB NO. 15-464

CAD NUMBER CHANGES

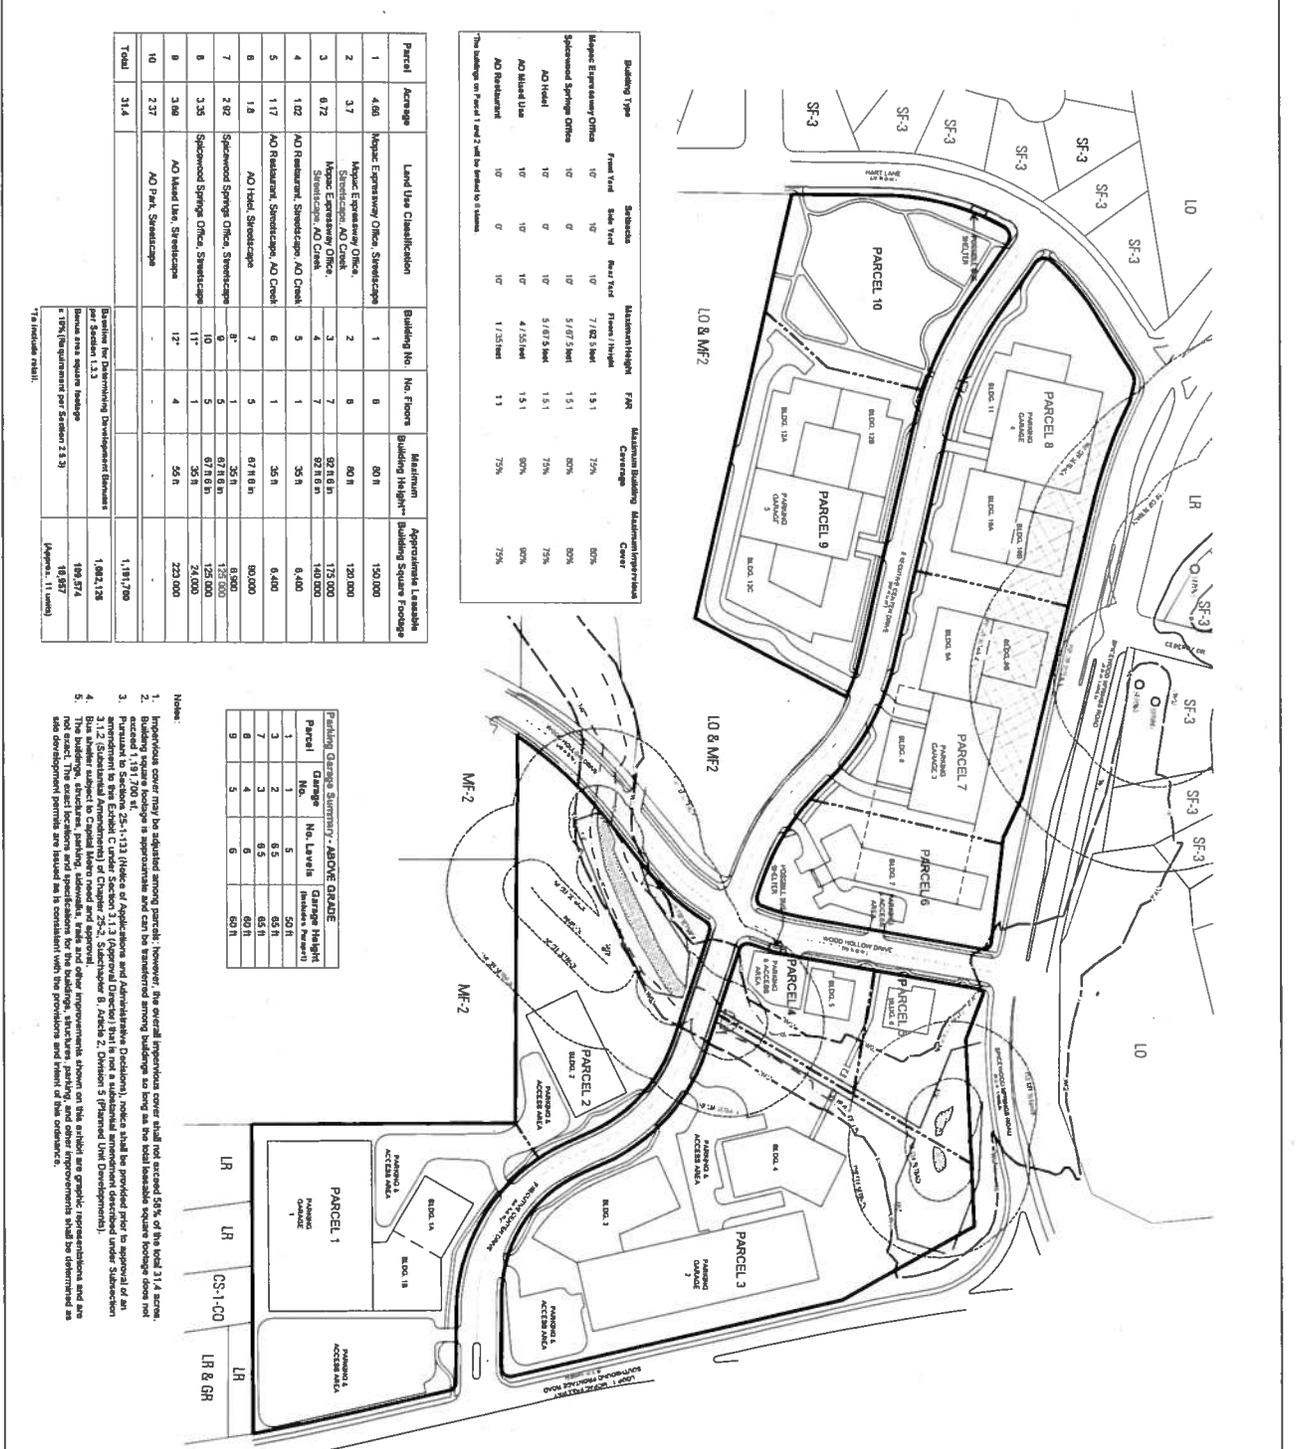

EXHIBIT C

PHASING PLAN

A. The Austin Oaks PUD is divided into ten (10) separate parcels identified on the PUD Land Use plan as specific classifications. The Austin Oaks PUD shall be developed in phases to accommodate the redevelopment of the existing office building and parking improvements. Any one or more parcels may be included in a phase.

B. Within one (1) year of the Effective Date of this Ordinance, the amount of \$420,000.00 shall be deposited with the City which must be used for the installation of a traffic signal at the intersection of Hart Lane and Spicewood Springs Road.

C. The following shall be developed as part of the first phase of the development of the Austin Oaks PUD and shall be completed prior to, and as a condition to, the issuance of a permanent Certificate of Occupancy for the first new building to be constructed within the Austin Oaks PUD:

- (1) Subject to the approval of Texas Department of Transportation ("TxDOT"), the Landowner will offer to enter into an agreement with TxDOT to complete the work for the following three projects that were identified in the TIA: (i) a free eastbound right-turn movement from Spicewood Springs Road to Loop 1 SBFR, (ii) construct a southbound right-turn deceleration lane on Loop 1 SBFR (upstream of Executive Center Drive), and (iii) construct a southbound acceleration lane on Loop 1 SBFR (downstream of Executive Center Drive). The implementation of the construction will be done through an agreement with TxDOT that either (i) allows for the Landowner to design and construct the improvements with TxDOT approval or (ii) permits the Landowner to pay TxDOT to construct the improvements. If TxDOT refuses to enter into such agreement, the Landowner will contribute \$325,000 to the City for the City's implementation of transportation improvements within the area of the Property to provide alternative mitigation.
- (2) Subject to the City's approval, the Landowner will complete the work for the following two projects within the City's right-of-way that were identified in the TIA: (i) extend the westbound left-turn bay of Spicewood Springs Road to Wood Hollow Drive and (ii) provide a right-turn overlap operation at the northbound right-turn movement of Wood Hollow Drive to Spicewood Springs Road. If the City refuses or cannot approve the work set forth in this paragraph, the Landowner will contribute \$60,000 to the City for the City's implementation of transportation improvements within the area of the Property to provide alternative mitigation.

D. The development of the AO Mixed Use Parcel 9 shall occur prior to the construction of 500,000 leasable square feet of commercial space within any one or more new

buildings on the other Parcels within the Austin Oaks PUD and, further, the buildings on AO Mixed Use Parcel 9 must have residential above the ground floor.

E. The park on Parcel 10 shall be dedicated after improvements shown on a site plan are constructed and approved by the City; and prior to the issuance of either (1) a certificate of occupancy for any of the 250 multi-family units or (2) of a building containing the 500,000th square foot of constructed leasable space calculated across all parcels of the Austin Oaks PUD.

F. The Landowner will spend up to \$1,546,500 to redevelop Parcel 10 as a public park. Redevelopment costs may include, but are not limited to, additional soil, landscaping, and shade structures; but may not include costs related to demolition. The Landowner will be responsible for demolition of the building and removal of building infrastructure, including surface parking, and such cost shall not be included in the \$1,546,500 allocated amount. Any remaining portion of the \$1,546,500 not spent on Parcel 10 shall be used to develop parkland to be dedicated on Parcel 8, including for the placement of historic markers or interpretative signage related to the heritage trail as shown in **Exhibit E: Park Plan and Park Space**.

G. Prior to construction of any park facilities on Parcels 8 and 10, the Landowner shall develop a Park Master Plan for Parcels 8 and 10 to submit for approval to the Parks and Recreation Board. The Park Master Plan will be developed with input from neighbors surrounding the Austin Oaks PUD and the Parks and Recreation Department. The Park Master Plan approved by the Parks and Recreation Board may include costs exceeding \$1,546,500; however, the Landowner will only construct a combination of improvements on the public park on Parcel 10 or the heritage park on Parcel 8 totaling \$1,546,500. Proposed utility lines and systems, and necessary connections to such lines and systems to provide services to the buildings and improvements within the Austin Oaks PUD must be shown on the Park Master Plan submitted to the Parks and Recreation Board for approval

H. The AO Creek shall be restored consistent with **Exhibit F: Creek Plan** in phases as follows:
